

Her Wicked Ceo (Abigail and Liam)

Chapter 511

“Whether the truth comes out or not, I believe there must be another story about this!” Abigail said.

Hearing this, Olive smiled and said, “Aren’t you too confident, Abigail?”

“So what? Are you afraid?” Abigail asked.

“What am I afraid of?” Olive answered.

“What are you afraid of... I believe you know that very well!” Abigail said word by word.

Hearing this, Olive looked at her, saying, “Abigail, believe it or not, this is the result. This is the truth!” With that, she gave Abigail a hard stare and turned to leave.

Abigail stood there and gazed at Olive’s back, her eyes narrowing slightly.

“Olive, I’m sure to restore the truth.” “I’ve never insisted on anything except this one!” she thought.

Work was much better than just worrying. Work did make people forget a lot of things. Therefore, in order not to think too much, she had to devote herself to work all day.

When it was almost time to get off work, Abigail received a call.

Even without checking the number, she answered it directly.

“Hello, this is Abigail...”

“Abi, it’s me. I have news for you!”

Hearing this, Abigail immediately looked up from the documents, holding the phone and answering, “What did you say?” “I’ve found out!”

“Where are you now? I’ll be right there!” she said.

“I’m at the company. It’s not convenient. Let’s go to my store!”

“Okay, I’ll be there in twenty minutes!” she responded.

“Okay, see you later!”

After hanging up the phone, Abigail quickly put away the documents on the table, packed them up, and walked out.

As soon as she got downstairs, she heard someone was calling on one side.

“Mr. Lee. Ninth, right? I’ll be there on time!”

The voice came from Olive. Abigail walked over and only saw the back of Olive who got into the car.

Abigail frowned but didn't think too much for she was rushing to see Tina. After walking out, she took a taxi and left.

When she arrived at Tina's store, Tina had already waited there.

She walked over and sat down directly.

"I'm a little late. There's a traffic jam on the road!" Abigail said.

"Would you like a drink?" Tina asked.

"Don't bother!" Abigail said.

Then Tina ordered, "Coffee!"

The waiter nodded.

Abigail looked at Tina and said, "What's the news for me?"

At this moment, Tina showed Abigail the computer in front of her and a click led to some pictures on the screen.

"You asked me to check David's background. When he was young, all his family died in a car accident and he was the only one left. He grew up in an orphanage

and was adopted a few years later, but he never heard of again since that. I tried to investigate the family who adopted him, but nothing was found!” Tina said.

Abigail nodded.

“What about him and Olive?” she asked.

“I got some news from my friends. They did take some photos when tracking Olive. They had planned to look for Olive, but totally couldn’t find her. And they did me a favor and gave a copy to me. It’s all here!” Tina said.

Hearing her words, Abigail nodded and quickly checked the photos on the screen.

There were a lot of photos, all taken secretly. Although it wasn’t clear, it was enough to confirm that they were David and Olive.

Besides, there were a few more photos that she had seen before.

Tina looked beside her and said, “From the photos, there’s something fishy between them!”

Chapter 512

Hearing Tina’s words, Abigail nodded. “That’s why I asked you to investigate.”

Then she flipped through the photos. If they had only met once in the bar, there wouldn't have been so many coincidences.

These photos showed that things were not that simple.

Looking at the photos, Abigail thought for a moment and concluded.

“Abi, are you going to help that person?” Tina asked.

Abigail didn't deny it. “More than that, most importantly, I want to know what's going on.”

Tina understood and did not stop her, but sighed, “He is so lucky to meet you. If it were someone else, he would have to be in jail all the time. He is obviously a scapegoat for Olive!”

Abigail smiled. “So I have to find out the truth even more.”

“He keeps silent. It's hard even if you want to do him a favour.” Tina was worried.

“So I believe I must be in the dark.” Abigail was sure that as long as she found out the reason, she would soon know about the whole thing.

Tina nodded with a thoughtful expression, and then asked, “Do you think he falls for Olive? So he's willing to take the blame for her?”

However, she didn't expect to hit it.

Hearing this, Abigail nodded. "That's possible." She also thought of it. But she wouldn't give up figuring it out because of this.

What she was afraid of was that David was wishful thinking.

"Thus, it will be difficult." Tina said, "If a person is willing to go to jail for the sake of his beloved person, then he has been completely prepared, so he won't say the truth."

Abigail looked at Tina and said firmly, "Nothing is impossible."

It was not that she believed in this sentence, but that she was confident in Olive.

Looking at Abigail's confident look, Tina didn't want to be a wet blanket. She added. "Well, if there's anything you need, just tell me."

Speaking of this, Abigail smiled at her. "Yes, I need you now." "You're so straightforward." "I'm afraid you're not used to it." Abigail chuckled.

Tina glanced at her with a smile and asked, "Fine, what's the matter?"

"Are you free on the ninth?"

Tina thought for a moment, then shook her head. "No, what's wrong?" "Help me stalk Olive," Abigail implored.

"Stalk her?"

Abigail nodded. "I wonder what she will do that day." Although it was just a simple call, Abigail felt something was wrong. So she needed someone to keep an eye on Olive.

Since Abigail had asked, Tina had no reason to refuse. She agreed, "Okay, no problem." "Then I'll leave this to you. If anything happens, call me immediately." "Okay." Tina nodded.

Abigail copied the photos and said goodbye to Tina. "Okay, That's it, I've got to go. Be in touch by phone."

Chapter 513

"Call me sometime!"

"Yeah, sure. Bon voyage!"

"Bye!"

Abigail then left the company.

[In the building]

Dan stood in the office.

“Miss Swift got off work earlier these days. I heard that she has been investigating Frank Green!” Dan said carefully.

Liam sat there and frowned about Dan’s words.

He knew that Abigail would not give up!

“Boss, do you want to take some action?”

Liam shook his head. “No, she won’t stop until she digs out the truth. Let her do it!” Dan agreed.

“Arranged her some bodyguards. Keep me up-to-date!” Liam said.

“I see!” Dan nodded.

Liam added, “Pay close attention to Olive’s actions, especially when they meet!” He was scared about what had happened in the hospital last time.

If Olive had really done anything, it would be his lifelong pain.

Dan answered, “I see. I’ll do it right away!”

Then Dan left the office.

Liam sat there, squinting at the window.

Abigail did not go home, but went back to the her parents family.

At the table, Abigail asked Jacob, “Jacob, how’s the company recently?”

Jacob answered, “It’s fine. Do you want to help me?”

Abigail smiled, “No, but I actually need your help!”

Jacob put down his chopsticks and looked at her intently, “Oh? What’s the matter?”

Stephen and Laura also watched Abigail. They were happy to see the siblings getting along so well.

Abigail stopped eating, “Well, I remember a lawyer, Mr. Lee, who worked for our company. He’s very powerful, isn’t he?” Jacob answered. “Yes, what’s wrong?”

“Do you know his phone number?” She asked.

Jacob wondered, “Yes. Why do you ask? Are you in trouble?”

Stephen and Laura looked at Abigail nervously.

Abigail laughed, “No, it’s a friend of mine!”

Stephen was still a little worried. “Abi, we’re family. It’s okay to let us know. We can help you!”

“Dad, it’s really not me. If it were me, the whole world would have got the news. You wouldn’t have known from me.” Stephen relived and said, “That’s true.”

Abigail then smilingly looked at Jacob.

Jacob thought for a moment. “Alright, I’ll give you Mr. Lee’s number later!”

The Novel will be updated daily. Come back and continue reading tomorrow, everyone!

Chapter 514

“Thank you, Jacob!” Abigail said with a smile.

“Okay, let’s enjoy the meal. It’s rare for you to come back. Eat more!” Laura put some food on Abigail’s plate.

“Thank you, mom. Help yourself to more food too!” Abigail replied with a smile.

Jacob sat opposite and looked at Abigail. Absorbed in thinking for a while, he continued to eat.

After dinner, Abigail went to Jacob's study and knocked on the door.

"Jacob!"

Sitting in the study, Jacob smiled when he heard Abigail's voice. "Come in!"

Abigail brought a glass of milk. "Have some milk tonight. It will bring you a night of good sleep!" As she spoke, she walked over and put it on the table.

Jacob smiled and pointed to the opposite side. "Seat yourself please!"

Abigail agreed and sat there.

At this moment, Jacob took out a business card. "This is Mr. Lee's business card. Shall I help you call him in advance?" Abigail took the business card and shook her head with a smile. "No, I'll call him myself

Jacob nodded and looked at Abigail. After thinking for a moment, he said, "Abi, tell me the truth. What is going on?" Abigail looked at Jacob and remained silent.

"Is it related to Frank?" Jacob asked.

"You knew it?" Abigail responded.

Jacob knew everything about her.

Intentionally or unintentionally, he had also done a lot of things to help Abigail.

“Do you think you can conceal it from me?” Jacob said.

“I’m sorry, Jacob!”

“The police were still looking for Olive a few days ago. Now someone suddenly confesses and replaces Olive since he is a scapegoat. I know something must have gone wrong!” Jacob said.

Abigail nodded. “Anyone with an inkling of the matter can tell something is wrong!”

“Then why are you looking for a lawyer now? Do you want to help Frank?” Jacob asked.

Abigail did not deny and nodded.

“Abi, why do you do this? As a scapegoat, Frank has proved that he is in cahoots with Olive. No matter for what reason, even if he does this for money, he is an enemy in the same group as Olive. Why are you doing this now?”

During dinner, he had noticed something was wrong, but he didn’t ask directly for fear that Stephen and Laura would be worried.

Now he had to find out what Abigail was thinking of.

Hearing Jacob’s words, Abigail looked at him. “I don’t know why I do this, but my intuition tells me that I have to help him!” “Jacob, could you please stop asking me why? I can’t tell right now. I just want you to support me!” Abigail said.

Only God knew why!

As long as it was Abigail's request, Jacob could never refuse.

Ever since she was a child, she had never asked him for anything. Now, when faced with her request, he could not refuse.

After looking at Abigail for a long time, he finally compromised, "Okay, I won't ask why, but you have to make sure your safety!" "I promise!" Abigail immediately replied with a smile.

"The identity and background of Frank remains a mystery. You'd better keep a distance from him!" Jacob instructed.

Abigail smiled. "Don't worry. He's in custody now and can do no harm to me. There is no threat to me!"

Chapter 515

"That's for the best. Don't forget Olive. She is very scheming." Jacob reminded her everything for fear that something would happen to Abigail.

Speaking of this, Abigail looked at Jacob, "Jacob, who do you think is smarter, a lunatic or a calm one?"

Jacob smiled, “She’s so scheming and I’m afraid you’ll suffer!”

“Now that she’s in danger, she doesn’t dare to do anything to me anymore!”
Abigail was very sure.

“That’s the best!”

Abigail smiled, “Thank you for your concern. Also, don’t tell mom and dad about this. I don’t want them to worry!” Jacob nodded helplessly, but his smile was full of indulgence. “Got it!”

Abigail smiled. “Well, I’ll go to bed. Drink the milk and go to bed early. Don’t be too late!”

Jacob nodded.

Only then did Abigail take the business card and walk out.

Jacob sat inside and watched Abigail walk out. His eyes narrowed slightly and finally fell on the photo on the table.

There were two frames over there. One was a picture of their family, and the other was a picture of him and Abigail.

It was taken when they were in high school. Both of them were still young, and Abigail’s smile was sweet and pure...

The two of them snuggled up to each other and smiled happily.

Sometimes, he really missed the days when they were carefree and didn't have to deal with so many complicated things.

He picked up the photo frame and smiled contentedly...

It was already late after dinner. Abigail did not go back but stayed at the Swift family.

Just after Abigail took a shower, Liam called.

"Hello..."

"Where are you?" Liam asked directly.

"Oh, I was back to my parents' home for something!" "Didn't you go home?" Liam asked.

"Well, it's late, so I didn't go back!" Abigail said. As soon as she finished speaking, she thought something and asked, "Where are you now? You didn't go back either?"

"I'm still at the company!" "Not done yet?" "Well, there are two more video conferences!" Liam said in a tired tone.

Hearing this, Abigail felt bad and said with concern, "Remember to eat something. Don't work so hard!"

"I want to eat what you cooked!" Liam said.

Abigail was shocked and said, “Wait for me. I’ll send it to you right away!”

Hearing this, Liam said, “No, I’m joking. It’s late. Don’t run around. What if you’re in danger?”

Hearing this, Abigail smiled. “Don’t you eat something?”

Liam took a deep breath on the phone, “I’ll eat something after finishing these two video conferences!” Just as Abigail was about to say something, she heard someone talk to Liam.

“Mr. Jones, it’s time for the meeting. Mr. Mays is online!” Dan said at the door.

Then she heard Liam say, “I have to go to the meeting first. I’ll call you when I’m done!”

“Okay, you go ahead!” Abigail said.

“Okay!” Liam answered before hanging up the phone, and then he went straight to the meeting.

Abigail hung up the phone, thought about it again and again with the phone in her hands, and resolutely put it aside to look for clothes.

The Novel will be updated daily. Come back and continue reading tomorrow, everyone!

Chapter 516

After changing her clothes and picking up her phone, Abigail went out.

At this moment, as soon as Jacob walked upstairs, he saw Abigail.

“It’s too late. Where are you going?” Jacob proceeded up, with his tall figure, dressed in a casual knitted suit—light gray pants, a blue shirt, looking handsome.

Seeing Jacob, she grinned, “I have something to do outside”

Jacob narrowed his eyes, “But it’s late now!”

Abigail thought for a while, “It’s okay. I’ll be back soon after I finished it!”

Seeing that Abigail insisted on going out, Jacob figured it out, “Are you going for Liam?” Although she was surprised that Jacob’s guess was accurate, she nodded, “Yes!” Jacob had an indescribable feeling.

“I don’t have enough time to keep on talking with you, Jacob. I have to go now!” As she spoke, Abigail bypassed him and was about to scoot down.

“Wait!” Jacob said.

Abigail was astonished, stopped and stood there still.

“It’s too late to get a taxi outside. Drive a car!” Jacob took out the key and handed it to her.

Abigail was astounded and then smiled, “Thank you, Jacob!” She took the key and went straight down.

Jacob stood there and felt his own impulse to stop her.

But he couldn’t do that!

Staring at Abigail’s back, he could only suppress the impulse forcefully.

He clenched his fists.

Driving, Abigail pulled over to buy food for Liam and then headed to the company.

After parking the car, Abigail went straight up.

When she arrived, Dan was standing at the door.

When seeing Abigail, Dan was shocked, “Miss Swift...”

Abigail smiled.

“Mr. Jones is in a meeting...”

“It’s okay. I’ll go to the office to wait for him!” Abigail said.

Dan nodded, “Ten more minutes. It’s almost over!” “OK!” Abigail nodded.

As she was about to go to the office, she remembered something, “By the way, this is for you!” Abigail took out a bag and gave it to Dan.

Dan was amazed, “Mine?!” Gazing at the food, he felt a little surprised.

“It’s late. You should eat something to refresh yourself!” Abigail said.

Dan smiled and nodded, “Thank you, Miss Swift!”

Abigail edged towards the office, “By the way, don’t tell him I’m here!”

Hearing this, Dan nodded with understanding and made an ok gesture. “It’s a surprise, I understand!”

Abigail smiled and turned to the office.

Dan stood there to see Abigail walk in and exclaimed, “How fortunate Mr. Jones is!”

Not to mention such a beautiful wife, there was a surprise...

The blessing that the boss had built in his life!

As he thought so, he turned around and left with the food in his arms.

Liam came out after the meeting. As soon as he got there, he saw Dan lying there and gobbling delicious food.

He frowned and walked over unhappily.

“Does it taste good?” Liam raised his eyebrows and asked.

Dan focused on eating and didn't notice Liam come out. When he heard Liam's voice, he immediately looked up to see Liam's face in front of him and jumped up in an instant.

“Oh, Mr. Jones...” Dan almost choked and hastily stood up and wiped his mouth.

Chapter 517

Liam glanced at the food he was eating and asked, “Where did you get it?”

“Well... Someone gave it to me,” Dan thought of Abigail's request and lied.

He didn't mean to lie.

It was all for Abigail's surprise.

Liam raised an eyebrow. “Your girlfriend?”

Dan almost choked. “No, no...”

He wondered if Liam would do away with him if he said Abigail had given the food to him.

However, Liam didn’t take his denial seriously and said, “Keep eating.” Then he turned around and walked to his office.

Dan could tell that Liam was miffed.

He stared after Liam and imagined how happy he would be after entering his office.

Once after Liam walked through the door, a strange smell greeted him.

He frowned and somebody pounced upon him. “Don’t move! Play nice and give me all your money.” He stood there with his back to her and smilingly said, “I don’t have money. Can I give you my heart?” As he spoke, he whipped around and pressed the woman behind him against the wall.

“Do you want my heart?” He whispered in a magnetic voice in her ear.

Abigail leaned against the wall and grinned, “How do you know it’s me?”

“Dan was eating outside, which was quite abnormal, and I saw the bag on the table after I walked in,” Liam said, touching the tip of his nose to hers. With an

alluring smile hovering upon his lips, he gazed at her rosy lips and felt an urge to kiss her.

“Dan spoiled the surprise!” Abigail grumbled.

Liam gave a wicked smile and asked, “What are you doing here?”

“You want me to cook for you but it’s too late, so I brought you the food I bought,” Abigail answered.

Liam kept his flawless face inches from hers and said, “I just want to hear you say you miss me.”

Looking squarely into Liam’s eyes, Abigail wrapped her arms around his neck and said quietly, “I miss you.” The next second, Liam kissed her.

Abigail was caught unawares by his sudden kiss.

But instead of drawing away from him, she kissed him back.

It was an affectionate kiss and Abigail didn’t push the man away until she felt winded. “Go eat the food.”

“It’ll get cold soon.”

Liam pulled apart from her but didn’t release her. “I just want to eat you now.”

Abigail giggled, "Cut it out. You have to eat something before the meeting or you will have a stomachache."

Lime still wouldn't let her go. He couldn't tell her how glad he was to see her there. "Then give me a kiss," he said.

Seeing him acting as a child, Abigail smiled dotingly and pecked a kiss on his lips.

"Eat now."

Only then did Liam release her.

They walked to the sofa together and Abigail took the food out of the bag.

"Eat before it gets cool."

Liam sat beside her and started eating with a smile.

It'd been a busy day and he was indeed hungry.

Chapter 518

Liam enjoyed the ordinary food much.

Maybe the reason was that the food was sent here by Abigail.

Liam had to admit that he was so moved when he saw Abigail suddenly appear.

She just came here because of his joking words.

Most importantly, he could feel that he was becoming more and more important in Abigail's mind which made him very satisfied.

Abigail smiled while watching Liam eat.

"By the way, I went to see grandma today. The doctor said that her condition was good and she had a good chance of waking up!" Abigail said.

Hearing this, Liam nodded. "Grandma has a passion for life and I believe she won't lie on the bed all the time!" Abigail nodded in agreement.

She also believed it!

She believed that God would bless someone like grandma!

Seeing that Abigail didn't speak again, Liam thought for a moment and said, "I heard you've been looking into Frank recently!" Hearing this, Abigail paused for a moment and did not deny it. She nodded. "Yes!"

She had no intention of hiding it from Liam.

It was that they were just too busy these days so she didn't tell him.

Hearing this, Liam stopped eating and wiped his mouth with a tissue. Then he turned to look at her. "You should know that this is not as simple as you think!"

"That's why I want to find out the truth!" Abigail said firmly.

Looking at Abigail's determined look, Liam knew he couldn't stop her.

"Why not let me help you?" Liam asked.

"If the person behind was really Olive, wouldn't you feel guilty to send her into the prison?" Abigail said.

This was what she had been thinking about.

Hearing this, Liam obviously paused for a moment.

It was obvious that Abigail had been caring about him.

Looking at Abigail, he leaned closer and sat beside her. His deep eyes gazed at her and he said. "You didn't want me to help you because you were afraid that I would be in a difficult position?"

Seeing him approach, Abigail did not dodge but looked at him. "What if it is?"

The corners of Liam's mouth turned up and he kissed her. "Then I'll tell you that I wouldn't!"

“Now I only have you in my mind. I will make anyone who hurts you suffer!” Liam looked at her and said word by word as if he was making some promises.

Abigail looked at him with the corners of her mouth turned up slightly. She blinked her eyes. “I trust you, but I still want to investigate this myself!”

Seeing that Abigail was so determined, Liam nodded. “Okay. But you have to promise me that your safety comes first. You must tell me if you meet any problems. I don’t want to see you get hurt again!” Liam said.

Abigail nodded hearing his words. “I will!”

Liam smiled and leaned over to kiss Abigail, but she pushed him away. “Well, hurry up eating. We have a meeting later!” “No, I want to kiss you now!” As he spoke, he threw himself at Abigail and kissed her.

“Well, but you just ate the food...” Abigail protested and stepped back.

Liam frowned at her words. “Do you feel disgusted?”

Abigail tried to hold back her laughter and nodded repeatedly.

“Fine by me. Suck it!” Then Liam kissed her on her lips as he spoke.

Chapter 519

Just as everything in the room was advanced in full swing, the door was pushed open. “Boss, it’s time. Mr. Mett and the others

are...

He looked at the boss’ chair, but no one was there. Then, he noticed the scene on the sofa, and he was taken aback at the sight that he forgot what to say.

There was only one thought in his mind.

He was screwed! He interrupted what the boss was doing!

The couple on the sofa looked at Dan as he suddenly barged in. The next second, Liam pulled over one side of his coat to cover Abigail.

“Don’t you knock on the door when you come in?” Liam stared fiercely at Dan at the door.

Dan was dumbfounded.

He didn’t expect the boss to take advantage of such a short time to have sex!

“I’m sorry, boss. I didn’t see anything!” As he spoke, he immediately turned around to go out, but he suddenly remembered something, “I’m just here to inform you that Mr. Mett and the others are already online. The report is over!” With that, he hurriedly walked out and closed the door thoughtfully.

As soon as the door was closed, Dan stood at the door, breathing heavily.

He was screwed.

He wondered what to do.

He walked back and forth at the door.

(It is not easy for Liam to get Miss Swift to fall in love with him, but I showed up when they were about to make out!}'

Ah!

(What should I do?)

(I don't know if I can make up for my mistake.)

Anxiety overtook Dan!

(Why did I come in at that time?) (God, help me!)

In the room, Abigail was lying there. When seeing Dan, Liam quickly took the clothes and covered her body. Even so, she still blushed.

She had never had such an experience before! But she also found it a little funny.

Looking at Liam, she said, "Aren't you going to the meeting yet?"

Liam had a sullen look. He almost get Abigail, and now it was ruined.

Looking at Abigail, he said, "If I don't go to the meeting, will you continue what we were doing?" Hearing this, Abigail smiled. "That's enough, stop messing around and go to the meeting!"

It was out of his expectations, and Liam sighed, "Well, I'll go to the meeting. There's a lounge inside. If you're tired, go inside and rest!"

"No, I have to drive the car back to my brother!" Abigail said.

"Don't you wait for me to come back and continue?" Liam asked, getting even angrier at Dan.

If it weren't for Dan, he would have gotten her!

Abigail smiled, "Get rid of the dirty thoughts in your mind and go to the meeting!"

Looking at Abigail, Liam curled his lips into a doting smile. "Then I'll get someone to give you a ride!" "No, I have a car!"

"Well, be careful on the way. Call me when you get home!" He said.

Abigail nodded.

Chapter 520

“Then I’ll go to the meeting!” Abigail nodded again.

Liam didn’t leave and looked at her, “Shouldn’t you do something?”

Speaking of this, Abigail suddenly thought of something and leaned over, intending to give Liam a kiss. However, just as she leaned over, Liam suddenly held the back of her head and gave her a deep and long kiss...

Abigail was bewildered. Only then did Liam let go of her and a wicked smile appeared on his lips, “I’ll go to the meeting!” Abigail nodded and Liam walked out.

When he went out, Dan was pacing back and forth outside. When he saw Liam coming out, he quickly stood at the door and straightened up, “Mr. Jones...” His tone sounded a little guilty.

Liam glanced at him fiercely and turned to walk towards the conference room.

Dan just stood there, and when he saw Liam leave, he quickly followed up...

Not long after, there appeared a scene.

After the meeting, Liam came out of the office followed by Dan.

“Mr. Jones, I have something to tell you...”

Liam walked in front, expressionless, and Dan followed him.

“Mr. Jones, I need to explain to you that I didn’t mean to...”

“I just wanted to inform you of the meeting...”

“I was wrong. I’ll knock on the door next time...”

“Mr. Jones, Mr. Jones...”

With a bang, the door was shut.

Dan stood in the doorway and looked at the door, feeling helpless.

He really didn’t mean to do it!

Abigail drove back and hummed a tune from time to time. It was obviously that she was in a good mood.

As soon as she entered the house, she heard a voice.

“You’re back?” At this moment, a voice came from the living room.

Abigail was taken aback and turned around. When she saw the person sitting in the living room, she breathed a sigh of relief.

“Jacob, you’re still up!” Abigail said.

“Yes!” Jacob stood up as he spoke. How could he fall asleep before Abigail came back?

At this moment, Abigail walked to the refrigerator and opened it. She poured herself a glass of ice water and drank it.

“What’s up? Is there something wrong?” Abigail asked as she drank water.

“Everything’s fine. I just had a problem at work, but it’s solved now!” Jacob replied.

Abigail nodded, “Well, it’s late. I’m going upstairs to bed. If you have nothing to do, just go to sleep!” Abigail said.

Hearing this, Jacob nodded.

Abigail smiled and went upstairs.

Jacob stood there and watched her back...

At this moment, Abigail suddenly remembered something and turned around, “By the way, I’ll have something to tell you when my work’s done!” Abigail said with a smile.

“What’s that?” Jacob asked downstairs.

Abigail smiled and replied, “It’s a secret now. I will tell you then!” Jacob’s lips curved in a smile. He looked at her and said, “Okay!” Abigail smiled and went upstairs.

Jacob stood downstairs and watched her walk into the room. His eyes lit up slightly. Abigail did not know that her brother could become very happy as long as he heard about anything that was about her, and that was a kind of happiness that came from the bottom of his heart...

That was enough for him!
