

King of kings

1556

Lu Yu Xi said inwardly, "I told you that I have a good eye for people, brother Wu Xiang is awesome, just now I was worried that Omi's popularity would overshadow brother Wu Xiang, now it seems that Omi's little brat isn't even close, hee hee." Lu Yuxi laughed inwardly, looking at Zhen Wu Xiang in a different light.

The entire square, countless girls, were now fantasizing about Zhen Wu Xiang being the prince of their hearts.

The strong man in the sky said, "Everyone applaud and cheer for Zhen Wu Xiang."

"Clap."

After the applause, the strong man in the sky said, "Zhen Wuxiang, you can go down first."

"Yes, Senior." Zhen Wuxiang walked back to the team, looking over at Omi as he walked back to the team.

Zhen Wuxiang was torn inside.

Others didn't know, but Zhen Wuxiang knew that he had agreed to be Omi's little brother four or five months ago.

Now, Zhen Wuxiang was resisting being Omi's little brother inside.

He was the most genius disciple of the Flying Cloud Sect, but he was a junior brother, if everyone knew about this, how could he lose face.

Therefore, Zhen Wuxiang was torn inside. Remember the URL [.kanshu8.net](http://kanshu8.net)

In the end, Zhen Wuxiang bit her teeth: "Damn it, I'm not going to be Omi's little brother, the worst-case scenario is that I'll give him back the spirit stone he gave me last time. I am Zhen Wuxiang, a recent talent outbreak, and my future achievements are definitely not small, how can I be a little brother. It's only because I was blinded by Omi a few months ago and saw that Omi had trained to the tenth level of the Thunder Fist and defeated my cousin, so I impulsively worshiped him as my big brother. Now that I've reached the first stage of Enlightenment, I can practice the Thunder Fist to the tenth level, which is nothing more than the lowest martial art. Alas, I really hate that I was too short-sighted at that time, and blinded my eyes just like that and worshipped Big Brother indiscriminately."

Inside Zhen Wuxiang's heart, she had decided to never admit that she was Omi's little brother.

Soon, the testing of the second quarter was completed and everyone disbanded.

After the dissolution, countless young girls immediately flocked to Zhen Wuxiang's front and affectionately called out to brother Wuxiang.

Omi looked over at Zhen Wuxiang and smiled in his heart, "Looks like I'm very discerning, taking in a little brother and breaking through in strength so quickly."

Omi headed to Zhen Wuxiang, there had been no news of Zhen Wuxiang for several months, and Zhen Wuxiang did not take the initiative to come to Omi, Omi sent people to find him, all saying that Zhen Wuxiang had entered the True Beast Forest.

Unfortunately, Zhen Wu Xiang was surrounded by a group of girls, Omi couldn't talk to her, so Omi had to give up and send someone to invite her to the Light Cloud Alliance another day.

At that moment, Omi saw that not far away, Lu Yuxi was gazing at Zhen Wuxiang's side.

Omi's heart thudded and secretly said, "What's the situation? Lu Yu Xi was staring at Zhen Wu Xiang and there was a hint of a smile on her lips. Could it be that Lu Yuxi was also convinced by Zhen Wu Xiang's genius? Lu Yu Xi likes Zhen Wu Xiang?"

Omi became clear, he had heard Yang Rong say that Lu Yuxi had a favorite person, but it turned out that it was Zhen Wuxiang.

Omi didn't know why, his heart was a little upset, before Omi wanted to take care of her and was rejected by her, but he didn't expect that this Lv Yuxi liked another man.

Omi felt that his pride was hurt.

Omi immediately walked up to Lv Yuxi, Lv Yuxi was still looking at Zhen Wuxiang obsessively, not realizing that Omi had walked up to her.

"Ahem." Omi coughed.

, Lv Yuxi panicked back to her senses.

When Lv Yuxi saw that it was Omi, she said in a bad mood, "Omi, what are you doing."

Omi said, "Lv Yuxi, why were you looking at Zhen Wuxiang with obsessive eyes just now?"

Lu Yuxi snorted, "What's it to you, little kid."

"Lu Yuxi, don't tell me that you've taken a fancy to Zhen Wuxiang."

"So what if I am."

"Lu Yuxi, what's so good about Zhen Wuxiang, I really don't understand you, I'm the boss of the Light Cloud Alliance, such good conditions to keep you, you even rejected me, and now you still like Zhen Wuxiang, what kind of aesthetic do you have." Omi said sourly.

Lu Yuxi burst out laughingly, "Omi, you think you're great just stepping into the sixth stage of body refining? You're only average when compared to Zhen Wuxiang. Little butt, go where it's cool and stay, don't disturb my sister's mood."

"Oh, Lu Yuxi, you just see Zhen Wu Xiang is quite handsome, well, here I'll quietly reveal a little information to you: actually, when I grow up, I'll be twice as handsome as Zhen Wu Xiang at this moment."

"I pooh."

"You don't believe me? Then in a few years when I'm older, you'll know. Right, there's one thing you don't know, right, about Zhen Wuxiang."

Lu Yuxi had no interest in knowing, but when she heard about Zhen Wuxiang, she immediately became interested and was busy saying, "What is it?"

"Actually, Zhen Wu Xiang is also my little brother, Lu Yu Xi, I'm not my woman but I go to be my little brother's woman, I'm so sad for you, hahaha." Omi walked away with a big laugh.

Where did Lv Yuxi believe it, humming, "Idiot dreaming, you give Zhen Wu Xiang as a little brother, he even thinks you are weak."

The group of young girls surrounding Zhen Wu Xiang finally left, and only then did Lv Yu Xi walk up.

"Hello, Brother Wuxiang." Lv Yu Xi took the initiative to greet them.

Zhen Wu Xiang's eyes lit up when he saw Lu Yu Xi, previously, Zhen Wu Xiang liked Tang Huan, but unfortunately, Tang Huan couldn't chase after him. After that, he heard that there was a beautiful woman in one of the disciples.

Zhen Wuxiang was busy saying, "You're Lu Yuxi?"

"Hey, does Brother Incenseless know me?"

Zhen Wu Xiang smiled, "Of course, I heard that this year's outer one year disciples have a beauty no less than Tang Huan, called Lv Yu Xi, just now I saw how beautiful you are, so I knew you were Lv Yu Xi."

"Thank you for your praise, brother Wu Xiang." Lv Yuxi smiled sweetly inside.

At 14 years old, it was the age of the beginning of love, and Lu Yuxi was no exception, looking at Zhen Wu Xiang tall and handsome, his key talent was strong, and before he even reached the Inner Circle disciple assessment, he had already reached the first stage of opening light, how could he not be tempted.

At this moment, Zhen Wuxiang looked at the charming Lv Yuxi and was secretly delighted, "Could it be that Lv Yuxi is also my admirer? Wow."

Zhen Wuxiang was happy inside as she laughed inwardly, "Tang Huan didn't succeed in his quest before, but now there's a Lu Yuxi, hehe, it's considered that God has eyes to compensate me."

Zhen Wu Xiang was busy saying, "Yu Xi, why don't we take a walk together."

"Sure, I'm just having some questions I want to ask you."

"Okay, I know all about it." Zhen Wu Xiang smiled heedlessly.

At this moment, Lu Yuxi thought that Omi had just said that Zhen Wu Xiang was also his little brother, and asked, "Right, before I ask you for advice, I want to ask you a personal question."
