"Brother, as long as you work hard, you can also become an Exaltation, there's no need to go to Liu Qingfeng's family and let them laugh at you." Tang Huan was busy advising.

Omi said, "What do you know, just follow me well." After saying that, Omi said to Liu Qingfeng, "Lead the way, I'll follow you to the Triple Sea."

"Good." Liu Qingfeng was overjoyed, although Liu Qingfeng also quite despised people like Omi inside, as long as he could have a chance with Yan Xinyi, who cares about him.

Liu Baiqiang's gaze was filled with contempt as he looked at Omi, then puffed out his chest with his head held high and proud.

Yan Xinyi wanted to say something else, but she didn't say anything else, perhaps, Omi really needed the guidance of an Exaltation stage strong man at the moment, if that was the case, she was willing to fulfill Omi.

"Follow me." Liu Qingfeng led the way to the Teleportation Hall of the First Sea, then stuffed in spirit stones to start the teleportation device, only, Liu Qingfeng spent so many fourth class spirit stones, his heart incomparably ached.

Soon, they arrived at the Triple Sea.

"This is our Triple Sea, but you don't have the identity of the Triple Sea, so I need to get you a temporary license, so wait for me here." Liu Qingfeng immediately went out to get a temporary card first.

Soon, everyone walked out of the triple sea's teleportation hall.

Omi looked at the huge city of the Triple Sea, it was similar to the Four Seas, but the aura wasn't as thick as the Four Seas.

"My family is not far away, let's go." Liu Qingfeng's eyes looked at Yan Xinyi and said excitedly. A second to remember to read the book

Omi said, "When you arrive at your family, first call your grandfather out to meet him."

Although Liu Qingfeng was disgusted, he nodded his head for the sake of Yan Xinyi, "Of course, Senior Omi, please follow me."

Soon, it arrived at Liu Qingfeng's family.

Liu Qingfeng said full of pride, "This is my family, feel free ah, you guys wait here for a while, I'll go ask my grandfather to come out."

Saying that, Liu Qingfeng immediately went to look for his grandfather.

The four Omi were waiting in a hall.

Tang Huan, Yan Xin Yi, and Lu Yu Xi were all restless and very eager to leave.

“Tang Shao, I actually don’t understand you a bit, you used to be such a lawless and berserk person in my impression, why are you now willing to do anything to get acquainted with an out-of-body stage.”

Omi interrupted Lu Yuxi and said, “Just don’t bother, just think of it as a trip, after all, you’ve never been to the Triple Sea.”

“Ugh.” Lu Yuxi sighed, Tang Shao had changed, he no longer had the same berserk demeanor that he used to have, bending over for the five dou mee.

Liu Qingfeng came to a large courtyard.

“Grandpa, I’m back.”

“Qingfeng, you’re back, what have you gained from this trip out for over a year.”

“Grandpa, of course there is something to gain, but grandpa, I have something to beg you now.”

“Uh, begging me as soon as you’re back, tell me, what is it.”

“Grandpa, I met a girl when I was training outside, I liked her a lot, but she didn’t like me and her master said I wasn’t good enough for her. Then, Liu Baiqiang told me about having an out-of-body grandfather, Yu’s, and that girl’s master suddenly changed his attitude towards me, and I invited them to come to our family, and he even agreed without even thinking about it!

And as soon as you arrived at the Triple Sea, you asked to pay you a visit.”

“Hmph, I really despise such people.” Liu Qingfeng’s grandfather snorted.

“Yes, grandpa, I also despise such people, but, I like his disciple, so I have no choice but to bring him along. Grandpa, can you do me this favor, go out and see those friends of mine.”

“It’s really insulting to my status to have me meet such people.”

“Grandpa, just do it for me, I liked that girl’s master before and he actually said I wasn’t good enough for her, I’m very upset.”

“You actually said you were not worthy of his disciple, and now you’re licking your face, let’s go, go take a look.”

Liu Qingfeng happily took his grandfather with him and headed to that hall just now.

The four of them, Omi, were sitting quietly in the hall, no one spoke, because Lu Yuxi, Tang Huan and the others all thought that Omi had become mercenary and had no personality of his own, so the atmosphere was a bit awkward for a while.

Not long after, Liu Qingfeng and an old man walked in from the doorway.

Liu Qingfeng said with an excited face, “Everyone, sorry for the poor hospitality, I’ve made you wait for a long time, my grandfather is already here.”

Omi and the girls immediately looked towards the old man who walked in.

Omi smiled slightly, I thought how much of a bull, but it turned out to be just a second stage of Exaltation. The second stage of Exaltation was as weak as an ant in the eyes of Omi, a person of the ninth stage of Exaltation, Omi reckoned that one finger could press him to death.

Liu Qingfeng busily introduced, "Grandpa, this is Yan Xinyi, this is Lu Yuxi, and this is Tang Huan, the three of them have been practicing with us for over a year, and we are all good friends. This, by the way, is Yan Xinyi's master, called, called Tang, Senior Tang." Liu Qingfeng had wanted to introduce Omi, but, suddenly, he couldn't remember Omi's name, he only knew that his surname was Tang.

Liu Qingfeng's grandfather, who was now unblinkingly looking at Omi, was confused inside, "This person looks familiar, I feel like I've seen him somewhere."

"Grandfather, grandfather, grandfather?" Liu Qingfeng shouted several times, but his grandfather hadn't reacted yet.

It wasn't that Liu Qingfeng's grandfather was going to be dazed, but he felt that Omi looked familiar, and he had an intuition within him that it was someone he couldn't afford to offend and had seen before.

Just a few seconds later, Liu Qingfeng's grandfather remembered.

"Ah." Liu Qingfeng's grandfather's face changed, he remembered, it was a very hot character during this period of time, his name was Omi, he was the person who had exterminated two big families in the Four Seas, the Four Seas naturally spread to the Three Seas, Liu Qingfeng had seen Omi's portrait before, it was the portrait released when the Ning family of the Four Seas was hunting Omi, many inns in the Three Seas had it.

Liu Qingfeng's grandfather was a bit incredulous that the legendary figure would appear in his home.

At that moment, Liu Baiqiang walked in from the doorway and said to Omi, "Hey, Senior Tang, what, are you scared silly? This is Qingfeng's grandfather, an out-of-body stage powerhouse, don't you want to pay him a visit? Don't worship yet."

Omi smiled slightly, a hint of disdain in his eyes.

Liu Baiqiang saw that Omi hadn't hurriedly kneeled down to pay his respects and said toe-to-toe, "Senior Tang, are you really scared silly? When you see my family ancestor, kneel down quickly."

Omi said indifferently, "I'll give you three seconds to kneel before me and beg for mercy, or else, perish."

Liu Baiqiang said loudly, "Surnamed Tang, you don't."
