

# Chapter: 3082

“what is the problem?”

“Have you ever gone to Zhanxiong Nation? They have many gods and thieves and rich resources! I wonder if they listen to you? Are they willing to submit to you?”

Ye Junlin asked.

This question instantly made everyone in the Olympic Empire twitch fiercely!

Embarrassing to the extreme!

Who would have thought that a simple question from Ye Junlin was so sharp that it was like a knife stabbing in their hearts.

Although they consider themselves the kingdom of God!

It is the center of divine power!

But the gods are not obedient, especially the gods of Zhanxiong Nation.

Even kill them!

But they are helpless!

Isn't it even for this matter that you came to Ye Junlin today?

“What's the matter? Did you really look for War Bear Country?”

Ye Junlin continued to ask.

“puff!”

“puff!”

...

Everyone's faces twitched again, and they were about to vomit blood.

“And they still don't listen to you? They still want to fight you? Can't you fight?”

...

“puff!”

“puff!”

...

These people twitched every time they heard Ye Junlin ask a question.

They're going to break the defense!

Ye Junlin's question is too sharp.

But they couldn't refute it.

Looking at their strange expressions, Ye Junlin has realized something.

You can guess how they were bullied by the War Bear Country.

“Hmph, that's Zhanxiong Nation's betrayal of the power center of the gods!”

“They don't listen to us, they don't hand in resources, and they don't want to hand over gods to us!”

“They will soon be punished by God!”

One of them couldn't help but snorted.

Right to refuse!

Do you think the people in Zhanxiong Kingdom look like fools?

These people are obviously not the opponents of the Zhanxiong Nation, so what are they talking about.

“That's not right, since the gods of War Bear Country have betrayed, aren't you the so-called center of the power of gods? You are so powerful, you immediately wiped them out! Punish them! What did you come to me for?”

Ye Junlin asked immediately.

“puff!!!”

Now everyone in the Olympic Empire will break the defense.

Ye Junlin's problem is a thousand arrows piercing his heart!

Can't beat it!

It's because they can't beat the War Bear Kingdom!

Otherwise they will wait until now?

The War Bear Country has been wiped out!

...

All of them showed complicated expressions.

going to cry.

Ye Junlin said faintly: “I seem to remember that you are the second on the power list, and the Zhanxiong Kingdom is the first! It's normal that you can't beat the first one!”

Everyone in the Olympic Empire: “...”.

Ye Junlin continued: “And it is rumored that the gap between the first and the second is at least ten times! I think it may be more than ten times or hundreds of times! No wonder you don't go to Zhanxiong Nation to trouble you! It turns out that you can't beat it at all!”

“Okay, stop talking!!!”

“Shut up for me!”

...

Everyone was enraged by Ye Junlin.

Then again, everyone is going crazy.

Can't stand it anymore.

The pride of the power center of the gods before is all gone.

“The War Bear Country is powerful, but their gods have betrayed us and will be punished sooner or later. Therefore, we now need a lot of resources to increase our strength! Then defeat the War Bear Country and punish the War Bear Country!”

“The resources you've been using are ours! You don't need to give up all your resources! Just tell us how you got your resources! After we get enough resources and strong power, we can defeat the War Bear Country!”

“We won't hide it from you! The reason why our Olympic Empire is so low-key and doesn't participate in anything! That's because we are working together for one goal – to defeat the War Bear Kingdom! Punish these traitors!”

...

to now.

They were afraid to go further, and Ye Junlin pierced their hearts more and more.

Therefore, I had to speak my true thoughts.
