

Chapter: 3100

This proposal is supported by others.

It's cool to think about!

An enemy who clearly hates you to the bone, but kneels on the ground and kowtows to you, swearing that he will not take revenge.

How cool would that be!

“This.....”

As soon as the proposal of the Nine Heads came out, the expressions of everyone in the revenge organization changed drastically.

**Nude humiliate them!

This is trampling and trampling their dignity underfoot.

The key point is that these people in front of Hydra are their enemies.

Everyone has a blood feud with them.

The key is to kneel and kowtow to your mortal enemy.

This is unbearable.

Rao is a little embarrassed for the seven decision makers.

Their family parents died tragically at the hands of Hydra, and now they are a little moved.

It's hard to kneel and kowtow.

They were not so decisive.

You Qi, the five people who had invited Ye Junlin twice, also hesitated now.

Fortunately, they called Ye Junlin a coward before, and dared not seek revenge from Hydra, not a man and a father at all.

As a result, Hydra came to them, not to mention revenge.

Now I have to kneel and kowtow.

Just so sad.

It was time to kneel, and they began to hesitate.

For some reason, the figure of Ye Junlin appeared in their minds.

The words they said to Ye Junlin sounded – they didn't dare to seek revenge from Hydra.

Aren't they the same now?

With the Hydra in front of her eyes, she didn't even dare to let out a fart, and even knelt down.

...

Others who are bent on revenge are even less likely!

It is impossible not to let them take revenge, let alone kneel and kowtow to the enemy.

The second head of Hydra glanced at everyone: “Everyone kept saying that they would not take revenge, but what happened? It seems that you still want to take revenge!”

“Let's do it anyway!”

At this point, the seven decision-makers shouted: “We are willing to prove!”

The direct descendants of the seven decision makers, including the five who invited Ye Junlin, also began to echo: “Yes, we are willing!”

This made everyone led by No. 8 angry.

Are these bastards really going to kneel?

“How dare you? How can you kneel down for the Hydra?”

“You can kneel to anyone, but you can't kneel to Hydra!”

“Your parents and relatives know, will they forgive you?”

“You treat your enemies as running dogs, do you have a good conscience?”

...

On the 8th, they were all in a hurry and roared.

It's just that these people didn't care at all, and the seven decision makers fell to their knees directly.

“you!!!”

“Shame!!!”

Eighth roared into the sky.

As long as this kneeling, any dignity is gone.

The Hydra people looked at the scene in front of them and couldn't help but laugh.

An unprecedented sense of achievement.

Forced by the powerful strength, the enemies kneel and kowtow to themselves.

“Hurry up and kneel down!”

The seven decision-makers also called for others to kneel.

The five people who had invited Ye Junlin finally clenched their teeth and all fell to their knees.

“You all kneel down too! What are you still doing?”

They also start urging others.

“Pfff!”

“Pfff!”

...

Then more and more people fell to their knees.

Fewer and fewer people were standing.

Kneel down to the enemy one by one.

Throw away all dignity.

Those who are bent on revenge on No. 8 are numb.

He closed his eyes, a look of pain on his face.

shame!

What a shame!

...

In the end, almost all the tens of thousands of people on the island knelt down.

In the end, only 7,000 people followed No. 8, standing there.

“Cowards! A bunch of cowards!!!”

The hysterical roar of the eighth.

They were really going to blow up.

This is a great shame.

It's just that everyone else knelt down, and many of them looked calm, without the slightest sense of shame or conscience.

“Hahaha.....”

The crowd of Hydra laughed wildly.

The laughter was harsh, insulting and mocking.

“What a bunch of scumbags!”
