

Chapter: 3115

Not long after, Ye Junlin and his party came to a base outside the Tianshen Division.

“Why? Let Qinglong and the others use the resources of the Tenshin Division first?”

“They only give us the waste they use up! Give us such good resources, and we can do it too!”

“That group of trash, failed to rob Ye Junlin’s resources at the beginning, otherwise we have one-tenth of Ye Junlin’s resources, and what about Qinglong?”

“These rubbish, at the beginning, I paid everyone in the Tianshen Division! They all failed!”

“But it shouldn’t be. Those people around Ye Junlin can’t stop so many people from the Heitian League! What’s going on?”

...

The two were having a grumbling discussion.

Suddenly Ye Junlin’s voice sounded——

“That’s what you said!”

“what?”

Long San and Long Wu immediately panicked.

Looking around, I saw Ye Junlin and his party came over.

Ye Junlin laughed and said, “Look, you didn’t even have to work hard to find out! No, people said it themselves!”

Not wrong.

It was Long Sanlongwu who was in contact with the Black Sky Alliance at the beginning.

It was they who betrayed Ye Junlin and the location of the resources, and they used the authority of the Heavenly God Division to lead all the Heavenly God Guards away.

After all, there were not many people in the gods at the time, so it was easy to find them.

It’s been a long time since this happened.

That is, they complain when resources are needed.

Actually almost forgotten.

In any case, I never thought that Ye Junlin would come to the door.

“You...what are you talking about?”

Long San and Long Wu hurriedly said.

“Don’t pretend, we have already found out, and you all said it yourself just now!”

Ye Junlin smiled.

“So what? We are not wrong! You alone occupy so many resources, can’t we share a little?”

After seeing the exposure, Long San and Long Wu immediately roared at Ye Junlin.

“For the sake of others, I will give you a chance to apologize and admit your mistakes, and I will let you go!”

Ye Junlin said coldly.

If it were anyone else, he would have killed him long ago.

After all, what these people think about is how to get rid of themselves, to kill themselves.

Ye Junlin killed them as well.

It’s just that they are the guardians of the gods, and they don’t do anything else.

Ye Junlin gave them a chance for now.

But the two didn’t appreciate it at all, and sneered at Ye Junlin: “We apologize to you? How is that possible?”

“It looks like you’re here to take revenge? This is premeditated!”

Looking at the people behind Ye Junlin, they sneered.

“But we belong to the Tenjin Division, what else can you do to us? Don’t dare to give you the guts!”

The two were extremely arrogant.

Ye Junlin said lightly, “Apologize or not?”

“Impossible to apologize!”

“we.....”

“Boom!!!”

“Crack!”

“Crack!”

It’s just that they were just halfway through when a violent and unparalleled airflow swept through like a blade.

The arms of Long San and Long Wu were broken instantly, and the blood was pouring out.

Ugh!!

The two let out a piercing scream!

Never thought that Ye Junlin would do it.

“Apologize or not?”

Ye Junlin asked.

“I.....”

“Crack!”

Long Sanyi hesitated, and Ye Junlin cut off his arm again.

Blood was pouring out, and the miserable sound sounded again.

“Served, we served, we apologize! We were wrong!”

“We really made a mistake, please forgive us, the king side by side!”

...

This time, both Long San and Long Wu both accepted.

If they force a few more words, it is estimated that there will be no heads.

Ye Junlin was more terrifying than they had imagined.

They also understood that Ye Junlin killed them in the palm of their hands.

It’s just for the sake of their Daxia people that they didn’t kill them.

“Go, next enemy!”
