It is also possible to absorb spiritual energy without fear of spiritual roots and bones.

Of course, if there is a spiritual root and a spiritual bone, it is easier to absorb it with the technique of refining Qi.

The spirit root and spirit bone determine the upper limit.

The technique of refining Qi determines the lower limit.

However, Junjun does not have spiritual roots and bones.

Her talent is amazing.

Linggen Linggu is naturally also excellent.

The Tenshen Division now has more dealings with the Zhenmo Division and the like, and it can also be seen that some spiritual roots are good or bad.

There is still a general judgment.

“Junjun’s strength can not only suppress Qinglong and the others, but in terms of root bones, it is estimated that they are similar to Qinglong and the others. They are all excellent spiritual roots and bones!”

“If you let them know, you will immediately let Junjun join the Tenshin Division.”

Everyone analyzed.

This is a complete surprise for Li Ziran.

Not to mention her daughter’s detoxification, her daughter is still so strong.

But Li Ziran and the others wanted to know how the poison was solved.

“It’s Dad!”

Jun Jun saw their doubts and couldn’t help pointing to Ye Junlin.

Everyone looked at Ye Junlin in shock.

I really didn’t think that Ye Junlin would have this ability.

It actually solved Junjun’s poison.

This is simply incredible.

“Don’t spread the news of Junjun’s detoxification! Otherwise, it will cause too much trouble!”

Ye Junlin instructed.

Everyone nodded.

Junjun has just detoxified, but they dare not.

If anything happens to Junjun, it will be troublesome.

Li Ziran suddenly thought of something, and couldn’t help asking: “No, Junjun has solved it, shouldn’t you really want to trouble the Hydra?”

Ye Junlin nodded: “Of course! This matter can’t be ignored!”

“Give my daughter the strongest poison, do you think I’ll let them go?”

Li Ziran flashed a touch of anger: “Yes, of course you can’t let it go! But now the War Bear Kingdom is too strong!”

“We have no way to take revenge at all, not to mention Hydra has been staying in War Bear Country, even if they come out, we have nothing to do!”

“There is an enemy so powerful that you can’t take revenge at all! Even if the organization of revenge Hydra is on your side! It’s useless! We can only endure it and wait until we have the ability to take revenge!”

“Don’t be impulsive now, or you will die in vain!”

“Don’t be impulsive now, or you will die in vain!”

“Don’t be impulsive now, or you will die in vain!”

...

Others followed Li Ziran to persuade Ye Junlin not to be impulsive.

Even if they know that Ye Junlin is very powerful, the enemy is even stronger.

Desperately powerful.

To seek revenge is to die.

Ye Junlin said lightly: “It’s nothing, you don’t need to worry about it! You will know the result in a few days!”

“I, Ye Junlin, are very calm and won’t do things that I don’t know about! I won’t do stupid things!”

Ye Junlin’s meaning is very simple.

He didn’t even care about the enemy at all.

He is invincible, War Bear Country and Hydra are free.

But when Li Ziran and the others heard this, they thought that Ye Junlin was willing to listen to them and would not do stupid things.

Next, Li Ziran and the others reunited with Jun, and Ye Junlin also arranged a place for them.

After all, Junjun’s detoxification information cannot be exposed for the time being.

This is all in Ye Junlin’s plan!

At this moment, the message came – it turned out that the organization of revenge Hydra came to Ye Junlin.

This time, not only the five people who had invited Ye Junlin before came here.

There are also two decision makers, Numbers 5 and 7.

After introducing each other.

No. 5 said excitedly, “Mr. Ye is better known than meeting you! I finally see you!”

No. 7 also smiled and said, “Mr. Ye, you are a real man! The first one to target Hydra in such a positive way! You set a precedent for us and set an example for us! Now all the brothers admire you!”

No. 5 even sighed and apologized: “Hey, we were narrow-minded before! I thought you wouldn’t dare to seek revenge against Hydra! It turns out that you are the one who really dares to take revenge!”
