

The Charismatic Charlie Wade Chapter 3967

When they do business, they pay attention to being at home.

As the saying goes, the customer is God.

When you open the door to do business, you must do everything possible to serve customers comfortably.

Only in this way can business be prosperous.

But charlie didn't like to play this set.

His business of Rejuvenation Pill is the only one in the world, so no matter how good his attitude is, these rich people are still eager for it.

That being the case, charlie naturally didn't want to give them a good face.

These top-notch tycoons are usually spoiled by those bottomless kneelings around them. No matter how hard they are to serve them, these service staff will never make them feel amazing.

Instead of doing this, it is better to do the opposite, not only not kneeling and licking them, but also stepping on them.

Let this group of top-notch wealthy people who are usually aloof, experience the feeling of being dominated by others and being called five and six by others, but it will make them impressed.

Therefore, under the training of Isaac Cameron, these staff members are very guilty of the wealthy people who travelled to Aurous Hill with more than one billion yuan in their hearts, but their faces are not half-faced.

If it's rude, it's rude, and if it's reprimanded, it's reprimanding.

Jian did not expect that he would not travel far to participate in the auction of this rejuvenating pill. The rejuvenating pill had not been seen yet, and he first received an internal code name of 035.

However, he didn't dare to be dissatisfied at all, he could only smile and said: "Little brother, you haven't told me the specific itinerary for participating in the auction. How do you arrange it next?"

The staff member said impatiently, "Didn't I tell you just now? You just need to report to our staff and obey our staff's arrangements. You don't need to ask about other things!"

After Jian was 40 years old, no one dared to talk to him like this. At this time, he was so annoyed in his heart.

But he also knew that if he wanted to be on someone else's territory, he had to learn to bow his head, so he could only nod his head and said, "Okay, OK, then I'll go report."

At this time, jay, Jian's personal bodyguard, accompanied Orion Exeor to step off the plane.

Seeing the staff's attitude towards Jian a little bit, jay said in a cold voice: "Little brother, Mr. Jian is over 90 years old. Even if you don't consider his social status, you should give him enough as a junior. respect!"

The staff frowned and said, "I'm here to tell all those who come to Aurous Hill to participate in the auction to explain the specific process of participating in the auction. Mr. isaac, our president, has also specifically explained to me. No matter how big the background is, we will treat them equally. And you don't need to look at anyone's face. Why do you teach me to do things here if you don't pay me?"

jay didn't expect that a young man would dare to talk to himself like this. Just about to get angry, Orion Exeor on the side patted him on the shoulder and smiled: "jay, this little brother is also following orders. You don't have to be angry. "

Seeing that Orion Exeor had come out to speak, jay had no choice but to respectfully said: "I'm sorry, Mr.Orion, it's because he is not determined enough to let you see a joke."

Orion Exeor waved his hand gently, smiled and said nothing.

The staff member looked at Orion Exeor and asked him, "Are you also here to participate in the auction?"

Orion Exeor nodded and smiled, and said, "That's right."
