

The Charismatic Charlie Wade Chapter 3990

charlie couldn't help but take a look at Zhang Ermao, and smiled: "Zhang Ermao, you have to think carefully, this is not two hundred yuan, it is two million!"

Zhang Ermao said confidently: "Yes, Master Wade, I have considered it well. You donated even two billion. What is my two million?"

Seeing his firm attitude, charlie nodded and said, "Well, I didn't expect you Zhang Ermao to have this consciousness. Don't worry, I personally will put out another two million and donate it in your name."

Zhang Ermao said excitedly, "Thank you so much, Master Wade!"

charlie remembered what Zhang Ermao had said just now, and indeed he still had some level of skill, so he asked him: "Zhang Ermao, you were kidnapped in the antique street, how much money can you make all year round?"

Zhang Ermao said embarrassingly: "I really don't want to hide from Master Wade. My income is very unstable. Sometimes I can't open a single order for a month, but sometimes I sell a large order and I don't have to work for a few months. ."

After speaking, Zhang Ermao said again: "The Chinese painting version of the Mona Lisa I just saw was painted by a student from the Academy of Fine Arts for 500 yuan a piece. Normally, I make a price on Antique Street. They are all over 80,000. If I sell such a pair, I usually won't go out in the stall for two months, mainly because I am afraid that

charlie asked him: "If someone comes to your door, what do you usually do?"

Zhang Ermao chuckled and explained: "If I find it, it must be refunded. I usually see people order dishes. If I can't afford it, I will carry it through with him. Anyway, I'm in Antique Street. The basic principle of doing business is to never refund money."

charlie asked again: "Then what if you encounter something you can't afford to do?"

Zhang Ermao scratched his head and smiled: "If I encounter something that I can't afford, my first choice is usually to run. If I can run, then everything will be fine. If I can't run, I will lose money honestly. "

charlie nodded and said with a smile: "In this way, you are not going to be safe with every single order. How much money can you make in a year when combined?"

Zhang Ermao had the final say in his heart, and said with a smile: "If all the circumstances are counted, I can usually get four to five million yuan in a year."

charlie nodded and said, "Let's do this, Zhang Ermao, I will give you a basic salary of 800,000 yuan a year. From now on, you will not go to the antique shop to cheat people, and you will follow Don Albert after you change your heart. Everything is subject to his instructions."

Zhang Ermao was stunned when he heard this.

He had never dreamed that charlie would let himself stay by Don Albert's side to do things.

He was so shocked that he couldn't help but ask: "Master Wade...I...I'm just a nameless man, why would you think of asking me to follow don?"

charlie smiled and said: "Don Albert is more than brave, but still not smart. If there is a person like you by his side, it will definitely be a good thing for him to be his kowloon."

charlie really appreciates some of Zhang Ermao's advantages. Although this guy has a humble background, he can definitely be regarded as knowledgeable, and the most important thing is that he reacts quickly and has better on-the-spot adaptability than ordinary people.

If such a person is placed in the antique street, it is indeed a bit of a waste to swindle and defraud him to earn hundreds of thousands a year.

So he looked at Zhang Ermao and asked, "Do you want to consider it? Give me a clear answer after consideration."

"Don't think about it!" Zhang Ermao said hastily: "Master Wade, I am willing to follow you and Don Albertye to do the same thing!"

For Zhang Ermao, it's not easy to eat at the antique street.

He not only has to deliberately devise all kinds of tricks to deceive people, but also always be wary of others coming to the door. In addition, his popularity in Antique Street is not very good either. It is also common for people to tear down the platform.

So he has always been looking forward to having the opportunity to visit a reliable dock, at least to make his life easier in the future.

charlie nodded in satisfaction and said: "In this way, I'll call Don Albert, and you will go to Heaven Springs to find him later."

But he never dreamed that charlie would let him go directly to don.

If he had followed Don Albertye, he was in Aurous Hill and would not dare to walk sideways, and no one would dare to provoke him!

Thinking of this, Zhang Ermao nodded and bowed with excitement, and kept repeating: “Good Master Wade! Thank you Master Wade!”.
