charlie frowned and asked coldly, "Where does this Qiao Feiyun usually work? Where are his gray supply chains mainly concentrated?"

lilu hurriedly said: "Mr. wade, the normal business of Qiao's family is generally concentrated in Seattle and the entire West Coast, but most of his gray supply chains are near New York on the East Coast, because New York has the most wealthy people, and his main Customers are concentrated there."

After speaking, lilu said again: "However, if you want to ask me, where is Qiao Feiyun, I really don't know... Because I am under Qiao Feiyun, and I am mainly responsible for picking up people on the west coast and going north to Vancouver, Canada. , South to San Francisco, Los Angeles and Ensenada in Mexico, I am basically not qualified to intervene in other businesses."

Having said this, lilu remembered something, and hurriedly said: "By the way, Mr. Wade, Qiao Feiyun bought an island in the Atlantic Ocean last year, and then he brought in a lot of investment, and he is building a big project. A 'playground' that is subject to any restrictions and is absolutely safe, this 'playground' is his favorite project at the moment, and it is estimated that he will visit the supervisor often!"

charlie asked, "Where exactly is this island?"
