

Chapter 4465

"One billion dollars?!"

With these words of Stella instantly made the whole world in an uproar.

In third-world countries, the civil compensation for human life is only a few thousand dollars.

In developing countries, it is only tens of thousands of dollars or at most hundreds of thousands of dollars.

In developed countries, it is true that there are often some very high compensation cases,

But tens of millions of dollars are already at the top.

Moreover, the kind of compensation up to tens of millions of dollars,

Generally is the top team of lawyers racking their brains to get.

So, the victim can really get only a small part of it,

And a large part of it almost all into the pockets of lawyers.

The first time Stella opened her mouth, it was a billion dollars per person,

What concept is this? Almost equal to paying out to each victim's family a listed group!

Video footage shows that the girls who died at the hands of Randal, at least are more than twenty.

This means that the Fei family will have to come up with at least twenty billion dollars to settle this matter.

This This can no longer be described as wealthy being generous.

Therefore, in this instant, Stella's image, in everyone's eyes, became abnormally tall.

What kind of boldness could make this woman, at the first word, is to compensate one billion dollars each?

Moreover, one billion dollars is already enough for any family,

In any place in this world to live a top luxury life, and several lifetimes to spend.

This kind of compensation is unheard of! And impeccable!

Don't know who applauded first, so the whole conference hall became thunderous with applause that lasted forever!

Randal's actions really made everyone gnash their teeth,

But Stella's attitude and the solution she proposed just now really convinced everyone.

Not to shirk any responsibility, not to avoid any sensitive factors,

But bearing costs to make up for the fault, with this solution, so that no one can pick any fault.

Therefore, at this moment, everyone's negative feelings toward the Fei family, instantly dissipated.

However, Stella was not finished at this time.

She waited for a few minutes, but there was no chance of this applause stopping,

So she could only hold out her hand to signal everyone to stop applauding.

After waiting for about another minute, the applause finally stopped gradually.

Stella continued: "Specifically for the payment of this money, we will first fully communicate with the police,"

"After determining the identity of the victim, take the initiative to contact the victim's immediate family,"

"The compensation will be paid to the victim's immediate family;"

"If the victim does not have immediate family,"

"We will donate the money to the victim's birthplace women and children's rights protection organizations,"

"Then the donation details We will disclose it to the whole society and accept the supervision of the whole society."

When Stella said this, the stage once again thundered with applause.

So far, the crowd had never seen any magnate noble family that could handle their own scandals so beyond expectations.

In the past, those gentries, after making a mistake, the first thing to do is to set aside the relationship,

If they really can not set aside the relationship,

Then find a lot of reasons to defend themselves,

Or even simply pretend to be deaf and dumb, no longer responding.

However, Stella's handling of the matter was perfect in everyone's eyes,

And a textbook crisis PR for all the top families.

However, the cost of this public relations is also really big,

The first time you ask for compensation of 20 to 30 billion dollars,

Even the top tycoons may not be able to have such boldness.

Seeing that the crowd was appreciative of her solution, Stella was finally relieved.

She knew that this crisis PR had been successful.
