

Chapter 4556

"Right now, I only have a measly two thousand left on hand, so if I want to use this amount of money to live through the majority of the rest of the month,"

"Then I can only scrimp and save, buy vegetables and cook at home every day, or eat cheap take-outs at home"

"In addition to that, I'm afraid I can't afford to fill up that gas,"

"Even if I just drive my Rolls Royce out for a leisurely drive every day"

"In contrast, if I go to the United States at this time, I can go to join my daughter and son-in-law ah!"

"Just follow Charlie eat tasty food drink spicy, but also play a good game,"

"Is that not better than to drink bland soup or to eat the chaff?"

"Moreover, when I arrive in the United States, I can completely excuse that I don't have any money on me and not spend a single penny,"

"So that I won't reveal the fact that I've spent all my money!"

Thinking of this, her expression instantly turned cloudy and rainy.

She hurriedly asked, "This plane flies to America, is it possible to fly anywhere?"

"Yes!" The store manager seriously said, "As long as it is any civilian airport in the United States, you can specify it, so that you can fly there directly."

"In fact, this is much more convenient than taking a civil airliner, through the civil aviation to the United States,"

"There are very few direct flights, most of them have to transfer in South Korea, Hong Kong, or other stopover,"

"And there are only a few major cities in the United States you can travel to,"

"If you go to other smaller cities, you have to go to the place to transfer again, so it will take two or three tosses,"

"If you are on a private jet, you can just eat, sleep and play, and when you have had enough, you can go directly to your destination."

When Elaine heard this, she said, "Good, good! Great! Then arrange for me to go to that what Pro what Pro what is it"

"The name of a city in the United States, in a hurry I forgot it."

The store manager asked tentatively, "Is it Providence?"

Elaine brightened up: "Yes, yes! That's the place! Is there an airport there?"

The store manager thought about it and said, "I think there is."

"The civil aviation industry in the United States is more developed, and there seems to be an airport in every city."

Elaine slapped the table and said, "Good! Let's go here! When can we leave?"

"Anytime." The store manager said with a smile, "If you have a U.S. visa, you can leave today,"

"If you don't, we have a fast track to help you apply, the soonest you can apply tomorrow, and you can leave tomorrow night."

Without thinking, she said, "Good! Tomorrow then!"

After that, she said with a happy face: "My daughter and son-in-law are there, when the previous talk, they said they are staying in the local best hotel in a presidential suite"

"That guy really is too grand! I heard that the light bedroom is several sq ft long, I just go over to find them and have a few days of a good time!"

Horiyah on the side was envious and couldn't help but ask:

"Sister, the plane is chartered anyway, you are going to sit alone, two people can also sit, why not take me along,"

"Let me be a companion with you, besides Claire and Charlie did not charter a presidential suite?"

"There are so many rooms, they are just empty, give me a room, you going away alone is quite meaningless,"

"I can also help you look after a bit, and also accompany you to relieve boredom!"

Elaine thought about it, it seems to be the same thing.

If she went to the United States to join Charlie and Claire, then her family status will definitely be the last,"

"And then there will be no one around to kiss her a5s all day long.

If she takes Horiyah, it is different, she is always respectful in front of her like a nanny,

Take her, and she can also yell at her as a servant to make use of her any time.

Thinking of this, she immediately said to the store manager:

"Can you help my sister to get a visa too so that we can go to the United States together?"

Without thinking, the manager said, "Sorry, ma'am, this is not possible, we only provide single-person flight and visa services."

Elaine said discontentedly, "What's wrong with you guys?"

"I just take a taxi, on the way to pick up a friend driver does not dare to refuse ah."

The store manager laughed: "The driver charges you money, of course, he has to listen to your command,"

"We are talking about a prize here, all interpretation rights belong to our company,"

"So if you want to cash this prize, you must follow the rules of our company,"

"Otherwise it can only be regarded as you automatically give up."

Hearing this, Elaine immediately threw Horiyah into the trash can and spoke without hesitation,

"OK! Then I will go by myself!"
