

Chapter 752

The next morning, it was snowing lightly, so Qin Ming set off for his appointment.

In front of the station in Wangfujing, Qin Ming met Liang Shaoyong and Zhao Menghua, whom he had not seen for a long time.

"Young Yong, Miss Zhao, it's been a long time." Qin Ming said politely, not having seen his former dorm mates for a long time, Qin Ming was in an extraordinarily good mood.

Liang Shaoyong hammered Qin Ming and said, "Xiao Ming, tsk, aren't you an executive in a foreign company now? Why are you dressed so casually?"

Qin Ming naturally didn't want his good buddy to be involved in the Huan Yu dispute, and smiled, "Now that I've been fired, it's not easy to stay in a foreign company. I've got nothing to do."

Zhao Menghua was surprised, "Huh? No? Qin Ming, before also quite Ah Yong said you a foreign enterprise vice president, and now no longer? But you are capable, not so bad for a job, right?"

Qin Ming said, "Hey, what are you talking about me for? How are you two doing in the capital?"

They smiled at each other, and Liang Shaoyong scratched his head again and said, "Not much, haha, just all right, I guess. It's not easy to drift in the north. I still want to hang out with you in the future, there is a lot of money. Hahaha."

The three of them didn't have to wait long before Zhao Liniu and Sun Zhipeng also arrived.

The four brothers hadn't been together for a while, so they exchanged pleasantries and wondered why Qin Ming had been acting strange lately, and talked about Li Meng's disappearance.

Qin Ming kept his mouth shut, not wanting to involve them in too many things.

After the four of them chatted for a while, Qin Ming asked, "Hey, it's cold standing by the roadside. Where are we going this early in the morning? To the amusement park and we three will be the light bulb for you two?"

Zhao Li Niu joked, "Hey, Xiao Ming, where do you think they like to go to amusement parks, they like to go to hotels."

Liang Shaoyong flew up and cursed, "That's why you can't find a girlfriend, Brother Niu, you know? I'm still waiting for someone, I guess there's a traffic jam. Ah, here it comes."

As soon as the words left his mouth, a woman with a long thick red dress came not far away, her skin was fair and her figure was shapely, comparable to those of movie stars.

Qin Ming took a look and was surprised, wasn't that Chen Mulin?

Qin Ming remembered that when he saw his classmates at the Polytechnic University in Beijing, he said that Zhao Zhengyin had gotten back together with Li Meng when he was pretending to be him, and Chen Mulin had been very sad for a while.

But in fact, Qin Ming's influence on Chen Mulin only stopped before he left Guangzhou, and helped Chen Mulin to adopt the Cao family's old lady as his adopted daughter, because at that time, the old Qin family's Qin Shou, his cousin, was too much and had to force the Chen family to give away their daughter.

Having not seen her for several months, Chen Mulin is even more clear and watery.

"Qin Ming

Ming?" Chen Mulin's first glance fell on Qin Ming.

Qin Ming greeted, "Chen Mulin, long time no see."

But Chen Mulin tilted her head, took a closer look and muttered, "It feels like you're different again."

Zhao Meng Hua pulled her aside and said, "What difference can there be? Isn't it all the same? Isn't Qin Ming a bit more handsome than before? The little eyes are a bit vicissitudes yo, slowly turning out to be the type you like?"

Chen Mulin's pretty face flushed and she said, "Sister Meng Hua, don't bury me."

Chen Mulin asked, "I heard that Li Meng has disappeared, you have not been back in the capital city, looking for her again ah?"

Qin Ming scratched his head, this is really embarrassing, it's not easy to tell a lie, huh?

Qin Ming said, "Well actually I have nothing to do with her. I didn't stay in Beijing just to look for her, I just had some things to do, and I have to go back to Guangcheng later. This capital city is too cold to get used to."

Zhao Liniu, who was on the side, stomped his foot and said, "Hiss I say, do we need to stand on the roadside in the freezing weather to catch up? Where are we going today?"

Liang Shaoyong hastily pulled out a stack of tickets and said, "Oh oh, there's a martial arts event just across the street, let's go there and get together first, let's go, let's go."

After saying that, Liang Shaoyong pulled the two brothers to go ahead, leaving Chen Mulin and Qin Ming behind.

As the four of them walked ahead, Zhao Liniu said, "Tsk, we've set up Chen Mulin with Xiao Ming many times, but it didn't work out. Young Yong, you're still here?"

Zhao Menghua explained, "It doesn't matter about Yong, it was Mu Ling who asked me. She heard earlier that Qin Ming had gotten back together with Li Meng and was very sad. But it didn't kill her, she felt that Qin Ming had been cheated by Li Meng and wanted to save Qin Ming from Li Meng, that's why she asked me and then asked Yong to ask the person out."

Sun Zhipeng lamented, "I didn't expect that Miss Chen, who still disliked Xiao Ming at first, was now the righteous daughter of the old lady of the Cao family, a big tycoon in Guang City, and liked Xiao Ming instead. The big school girl chasing backwards, Xiao Ming is also powerful enough."

Zhao Liniu said, "That's right, I've long felt that Xiao Ming is different from us. He usually scrimps and scrimps and is honest, but once he gets the chance, it's a fish leaping to the dragon's door."

Liang Shaoyong thought deeply and said, "It's just that it's always good for him to talk about a girlfriend."

Falling behind, Chen Mulin exhaled and said, "It's the first time I've seen snow."

Qin Ming laughed, "Me too, it's rare."

Chen Mulin bit her lip and hesitated for a moment, saying, "Qin Ming, what did you mean by what you just said? You and Li Meng

Meng Meng have broken up again?"

Qin Ming scratched his head and said, "Well, actually I'm not back together with Li Meng, it's some special things, and people, that make you guys look like this."

Chen Mulin asked cautiously, "So you're alone now?"

Qin Ming nudged her mouth and said, "Technically he is, but"

The words were spoken in a small voice, even a little shy and trembling.

A girl flew halfway across China to find him, and Qin Ming knew very well that this was interest in him ah.

Qin Ming sucked in a breath of cold air and said, "That, Chen Mulin your good intentions I heart"

Qin Ming's heart moved, some heartache she a southerners, for him in the middle of winter running over.

He saw that he was about to arrive at the clubhouse, and hurriedly took off his jacket and put it on Chen Mulin, saying, "Don't get cold."

Chen Mulin's heart trembled as she watched in awe as Qin Ming draped the warm jacket over her, looking at Qin Ming from a close distance, his knife-sharp face with sharp angles, his eyes revealing tenderness, and those lips full of temptation to her.

Thinking back on all the things the two of them had done in the past, she felt that women in the new era, have to take the initiative, otherwise all the good men will be snatched up ah.

Chen Mulin's heart was like a deer in the headlights, and she suddenly stood on tiptoe and kissed Qin Ming towards his lips while he was helping him to tidy his jacket.

Chen Mulin's kiss made her blood boil, she thought she had once again taken such an initiative and made it this far, Qin Ming couldn't possibly still not understand her feelings, right?

"This time the confession must be successful." Chen Mulin said to herself.

Half a dozen times, lips parted, Chen Mulin blushed and walked quickly into the clubhouse, saying, "They're going in, let's go in too."

But Qin Ming was dumbfounded, he was still in a state of confusion, this again?

Off at this time, at the entrance of the clubhouse, a black car stopped and a pavilioned woman stood out, looking at them with a lifeless look.
