

Chapter 1352

Wylan shrugged and said with a smile, "Uncle Crawford, don't say I didn't warn you. Even if all of you here join forces, you still won't be a match for me. I'm no longer the weakling from back then who can be bullied by the Jensen family members."

Hearing this, Crawford frowned and shouted, "Very well, let me give it a try then! Let's see how much you've grown!"

After saying that, Crawford directly swung a punch at Wylan's chest!

The corners of Wylan's eyes were cold and his body suddenly erupted with the killing intent of a rabid wolf!

Bang!

The two fists collided!

Crawford's body was shaken due to the clash and he took a few steps back before he stabilized himself.

On the other hand, Wylan stood there indifferently and motionlessly!

"You... How can you have this kind of strength?" Crawford's face was full of shock!

Behind him, the members of the Jensen family were also filled with doubt and astonishment.

The patriarch actually lost!

Although it was just a simple punch, Crawford had indeed lost!

Wylan smiled coldly and flexed his fist while looking at Crawford and the others proudly. He said, "Back then, the old master didn't allow me to enter the door for training. But now, I can challenge all of you all by myself!"

Wylan sneered inwardly and glanced at the old master's memorial plaque. He said coldly, "Old Master, if you're watching this scene right now, do you regret it?"

As he said that, Wylan's eyes froze while he shouted to the men behind him, "Smash the memorial plaque for me!"

Boom!

These words directly exploded in the ears of the Jensen family!

What?

Wylan Jensen wanted to destroy the old master's memorial plaque?

Rebellious child!

He was inhuman!

“How dare you?!” Crawford roared, his scarlet eyes glaring at Wylan.

Wylan laughed and said coldly, “Why not? Do you think you can stop me?”

After that, Wylan took a few steps forward, his every step filled with a shocking momentum!

This guy was too strong!

At this moment, Crawford and a few others stepped out and blocked Wylan. They yelled in cold and angry voices, “Wylan, this is not a place for you to be reckless!”

Hehe.

Wylan sneered with a glint of chill in his eyes, saying, “Even if I’m being reckless today, what can the Jensen family do to me?”

Then, Wylan moved decisively and instantly started fighting Crawford and the others!

Biff, bang, thud!

Within a few minutes, several figures flew out and fell heavily to the ground!

In the center, Wylan stood there with an indifferent expression. He glanced at the Jensen family members on the ground and mocked, "A bunch of trash. I'm going to prove to all of you today that I, Wylan Jensen, am the most outstanding person in the Jensen family! I'm the one who will lead the Jensen family to glory!"

Having said that, Wylan walked toward the old master's memorial plaque with eyes full of anger!

The scene of the old master expelling him from the Jensen family back then was still vivid in his mind!

He stretched his hand out, grabbed the old master's memorial plaque, and roared, "This memorial plaque shouldn't be placed here!"

He grabbed the memorial plaque and was about to smash it on the ground!
