**Immediately behind him, eight figures also appeared in everyone’s line of sight and on the cameras!**

**Each figure stood upright like a mountain and with a piercing radiance like a cold blade!**

**The sight immediately attracted most people’s attention!**

**This was the participating delegation of national martial arts!**

**What an intimidating presence!**

**Philip Clarke and the eight Dragon Warriors entered the venue amid the excited and enthusiastic attention of the entire audience before walking up to the martial arts stage.**

**Javi squeezed his fists bitterly with a sharp glint in his eyes. He said in a low tone to the people behind him, “Remember his face. Defeat all the people he brought with him today and challenge him! Make sure to let him know what will happen if he offends our Lopez family!”**

**“Yes!”**

**More than a dozen men stared at the figures on the tournament stage with fierce eyes.**

**Immediately after, under the eyes of the whole audience, Philip stood in front of the cameras and took the microphone from the host's hand. His gaze swept over the whole audience profoundly before landing on the delegation area where the Lopez family was seated.**

**Everyone gasped. They did not expect that things would be so heated up right from the start!**

**Rafael and the others stood abruptly with angry looks on their faces!**

**It was not over yet. As Philip pointed his middle finger, he said, "I accidentally heard a few dogs barking backstage saying that our magnificent national martial arts are child's play. I'm sorry, but today, I'll let scum like you see with your own eyes how formidable our child's play is. I hope you don't cry when that happens."**

**Wow!**

**The crowd was boiling!**

**Philip's words were quite provocative!**

**Moreover, in such a big tournament, it was very domineering to respond to the Lopez family in this way!**

**Although the words were a little unpleasant, everyone felt gratified hearing them!**

**No doubt about it, the Lopez family was nothing but scum!**
