1005

Omi's heart was greatly relieved.

Finally being able to leave the memory stone, it seemed that this memory stone would be trapped for the rest of his life if a person who couldn't reach the qualifications entered it, presumably that island master's older brother, was like that.

All Omi needed to do now was to say goodbye to some people he knew in this world, and then leave.

In the evening, Lu Yuanqi returned from school.

"Zhang San, I'm off from school."

"Yuan Qi, tonight, let me take you down the mountain to play."

"Uh, why are you suddenly taking me down the mountain to play?"

"There's a nice tavern at the bottom of the mountain, I'll take you there."

"Good." Lu Yuanqi was very happy, she had been living in happiness every day for the past six months, enjoying sweet love, although Omi wasn't very passionate about her kind.

Omi brought Lu Yuanqi to the bottom of the mountain, a tavern, the two of them happily ate a meal until late at night before returning to the Laoshan Academy, this one night, Omi begged all night, this is a farewell.

“What’s wrong with you today? I have class tomorrow.” One second to remember to read the book

“Oh, yeah, well, it’s bedtime then.”

“I’m almost dawn already.” Lu Yuanqi said with a blush.

“Then get up and practice martial arts, I’ll practice with you.”

“Okay.”

Omi practiced with Lu Yuanqi for two hours, and when dawn came, Lu Yuanqi went to class.

Omi asked Shi Ling, “Senior Shi Ling, after I left, did I go missing in this memory stone?”

“No, it’s dead.”

“Ah, dead.” Omi was a bit depressed, wouldn’t that make some people sad, Omi had known that, he shouldn’t have had any entanglement with the people of this world before.

“The people here are all long dead, in the end it’s just a record of their lives, you don’t need to be sentimental.” Shi Ling said.

“Also, okay, then I’ll go see Zi Yue again now, then go back to Dan City and explain to the island’s senior brother.”

Omi immediately came to the second class of Ding grade.

“Ziyue, someone is looking for you.”

“Brother Zhang San, you’re here.” Zi Yue looked at Omi excitedly, in these half a year, she could only watch Zhang San and Lu Yuanqi live a happy life together, she only had silent envy. Unexpectedly, Zhang San took the initiative to come to her today.

“Ziyue, it’s nothing, just came to see you.”

“Brother Zhang San, what’s wrong with you?”

“Haha.” Omi walked up and kissed Ziyue on the forehead.

“Ugh.” Zi Yue blushed all over.

Omi looked at her shy and adorable appearance, hesitated, leaned down again, and kissed her on the mouth.

“Brother Zhang San, you.”

“I’m sorry, brother looked at you cute, I didn’t control it at the moment.”

Zi Yue blushed, but summoned the courage to say, “Brother Zhang San, Zi Yue likes you so much.”

“This, ugh.”

“Brother Zhang San, how about letting Ziyue be your little girlfriend.” Zi Yue bowed her head and said shyly.

Omi said, "Ziyue, you come with me."

"Where to."

Omi carried Zi Yue and flew away, finally landing at a place.

Zi Yue was confused.

Dao: "Isn't this my dorm?"

The place where Omi landed was Zi Yue's dormitory.

Omi stopped Ziyue in his arms and flew into her dormitory.

Omi didn't know what was going on, he always felt as if he really wanted to possess this lovely lady before he left, originally Omi was able to control himself inside, however, Omi suddenly didn't want to control himself and let it go for once. Of course, it was also possible that he was about to leave, and his heart was reluctant to leave.

"Ah, brother Zhang San, what are you doing." Zi Yue saw that Omi had carried her into the room and yelled in panic.

"Ziyue, don't say anything."

"Brother Zhang San, you."

A few after that.

By noon, Omi accompanied Zi Yue for a meal, then returned to the dormitory and lingered some more, and in the afternoon, Zi Yue went to the martial field for class.

Omi inwardly said, "Goodbye, Zi Yue."

Then, Omi left the Laoshan Academy and headed straight to Dan City.

When he arrived at Dan City late at night, Omi didn't bother the island master's senior brother in the middle of the night, but went to find a place to sleep the next morning.

"Senior brother, I'm back."

"Hey, Zhang San, when did you return from the Laoshan Academy."

"I arrived late last night."

"Zhang San, what are you doing back in the middle of the night? I also know about your time at Laoshan Academy, you've become famous, and in the future, you'll have a great time, far more than me, hahaha. I've also heard that you're with Laoshan's first genius beauty, Lu Yuanqi, now, taste the taste of love, how about it, still want this to go back to the real world?" The Island Lord's senior brother laughed out loud, he expected that Omi wouldn't want to go back because Omi was having such a comfortable time.

Omi smiled and said, "Senior, I have suddenly returned to bid you farewell."

"You, what did you say? A farewell? What do you mean? Do you mean to leave this world, or do you mean that you are going far away?"

“Senior, I mean, leave this Memory Stone World.”

“How could you leave.”The island master brother was busy saying.

“Senior, I received a message from a self-proclaimed stone spirit the day before yesterday, and it told me that I had improved my prescribed strength within the allotted time, so I was qualified to leave.This memory stone is obviously a place for training, and if the less qualified ones can’t achieve the required amount of improvement within the allotted time, they won’t have the chance to leave.Senior has never received any information from the stone spirit, so I guess senior’s has never been able to meet the conditions.”

“Ah, so that’s how it is, my qualification has always been at the bottom of the division, right, did the stone spirit say how much of an improvement to reach in the specified amount of time to have a chance?”

“This, I don’t know, anyway, around half a year, I improved from the first level of the Unity Realm Great Perfection to the third level, and then I reached the opportunity to leave.”

Island Master Senior Brother laughed bitterly, “No wonder, in half a year, to break through two layers at the Great Perfection, this is simply not something ordinary people can do, I spent twenty years at the first to the third layer of the Great Perfection, just imagine, it took me this long to raise the same amount as you, how can I leave, hahaha, hahaha.”The island master senior brother laughed bitterly.

“Senior, don’t mock yourself either, you’ve already spent your entire life here, perhaps, this is home for you.”

The Island Master said, “Zhang San, let’s have a few drinks, it’s not too late to leave after that.”

“Good.”

The Island Lord's senior brother prepared a banquet to feast on Omi as a farewell.

"Zhang San, please sit down." In a restaurant, the island master senior brother said politely.

1006

Omi said, "Call me Omi, that's my real name."

"Brother Tang, sit down."

Omi sat down, and at that moment, Omi saw a poem engraved on the wall of the restaurant, the same poem he had seen in the Dungeon of Martial Island before he had even entered this memory stone.

"Senior, what is this poem about, I saw it when I was in the Dungeon." Omi thought it was written by Future Violet Moon, but it wasn't.

"It was written by my mother, when she was young, her husband left, my mother missed it so much that she wrote this poem, and later, she left as well. If you've seen this poem in the Dungeon, it means that my mother wrote it when she was in real history. The mother I refer to, of course, is the mother of this body of mine. Brother Tang, I toast to you and wish you well when you go out, and also give my regards to my younger brother for me."

"Okay, don't worry." Omi nodded his head.

Omi and the Island Master's senior brother drank all morning.

Before leaving, Omi said, "I'll confess one thing to you."

“Say that no matter what it is, you will never be blamed.”

“It’s like this, I slept with your granddaughter when I left the Laoshan Academy.”

“Ah.” The old man was stunned, then said, “You brat, you’re leaving, and you’re still spoiling my granddaughter.” First URL [m.kanshu8.net](http://m.kanshu8.net)

“Well, it was your granddaughter who really looked cute at the time, and I suddenly somehow gave up my self-control and allowed myself to run amok.”

“Alright, I forgive you, come back in and play again sometime in the future.”

Omi was stunned, you can come in again?

Don hadn’t thought about that before.

“What? You don’t want to come in anymore? You can’t even come in to visit once in a while when you’re done playing with my granddaughter.”

“That, I haven’t thought that far ahead ah, besides, even if I come in again, I’ll be crossing over to another person, and your granddaughter won’t know me.”

“It’s also true, although with your talent, you can come back in and meet the conditions to go out, but the person has already changed.”

In the back of Omi's mind, he was asking Shi Ling, "Senior Shi Ling, will I be able to come in again in the future? If you want to come back in, how do you want to come back in? Because I was in the Dungeon, I didn't see the entrance at all, they were all sucked in somehow."

Shi Ling said, "This memory stone is so old that it doesn't have enough energy to hold a large number of people anymore, and it's only the occasionally unlucky ones that get sucked in."

"Oh, so, is it possible that this memory stone, will collapse soon?"

"Collapse is not so bad, it's a high-grade memory stone, but it will be still."

"Static? It's that the whole world has stood still?"

"Right."

"Ah, and how long will it be stationary?" Don was busy asking.

"About three months."

"What." Omi was shocked that it was stilling so soon.

"Right, if you're going to leave, it better be within three months, or you'll be still here as well."

"Oh my god, three months."

"Yes."

Omi's chest was stuffy.

"Brother Tang, brother Tang, brother Tang." The island master brother called out to him several times in a row without responding.

"Ah, I'm here." Omi only then reacted.

"What are you staring at, come on, here's to you, drink this cup and then you can go. I, on the other hand, have a few decades to live, and I'm ready to retire here."

"Ugh." Omi looked at the island master brother, a little pitiful, he had no idea that in three more months, this memory stone would be stilled. Static, that is, the whole world wouldn't move a muscle.

"Dry." Omi drank it down, his heart unable to calm down for a long time.

Omi's heart was not only sympathetic to the island master senior brother, but also to both Lu Yuanqi and Zi Yue.

In his mind, Omi asked Shi Ling, "Can I stay here with them for three months before leaving?"

"Suit yourself."

"Thanks." Omi decided to postpone his departure for three months.

Shi Ling said, "But what you're doing doesn't make any sense, to be frank, you and those two women are nothing more than consciousness exchange, just like when you dream and fall in love with the beautiful woman in your dream, when you wake up, there's nothing left."

“I understand, but the dream was so real, wasn’t it.”

“Suit yourself.”

“Don?Tang?Are you Zhang San or Brother Tang?”Seeing that Omi was dazed again, the island master senior brother was busy shouting out loud, he thought, Omi had left the memory stone with his consciousness and was despondent inside.

At this time, Omi suddenly said, “Senior Brother, I haven’t left yet.”

“Ah, scared me to death, I thought you had left, and sitting here is the original groom, Zhang San.”

“Senior, I’ve decided to stay for another three months before leaving.”

“Ah?Another three months?Why?”

“Because, I want to spend time with Lu Yuanqi again, as well as your granddaughter Zi Yue.”

“Oh, I can’t tell that you’re still a passionate seed.”

Omi smiled slightly and didn’t tell the truth, Omi was afraid that after telling the truth, the other party would be sad, if he only had three months to live, then let him live those three months happily.

Next, Omi left Dan City and returned to the Laoshan Academy once again.

Omi stood at the foot of the Laoshan Academy, his heart was truly incomparably saddened, he thought he would never come back again.

Back at Lu Yuanqi's dormitory, she didn't go to class and sat alone in a haggard look.

"Yuan Qi, what are you doing?"

"Ah, Zhang San, you're back, you didn't leave." Lu Yuanqi cried and threw herself into Omi's embrace.

"Oh, how could I leave." Omi said guiltily, and Omi couldn't help but think about how sad she would be next if he did leave.

"Ooh, you left without saying a word, I thought you didn't want me anymore, oooh."

"Silly, how could I, I just had a temporary thing to go back to Dan City, won't I come back now."

"Zhang San, I heard someone say that you, you and Ziyue, it seems like you're very ambiguous."

"Uh, this."

"Isn't it."

"If so, what are you going to do?"

"I, I don't know."

"Zi Yue is my lady, and I like her too, so you both be my women." Omi said, they only had three months left to live anyway, Omi didn't bother to toss them.

“Oh.”

“If you don’t want to, then let’s break up.”

“I, I didn’t say I didn’t want to.”

“Well then, then, from now on, let’s not stay in Laoshan Academy to practice martial arts, the three of us, let’s go on a happy tour.”

“Ah.”

“Ah what ah, I’m the deputy governor, I’m giving you guys a holiday. Let’s go, go find Zi Yue, then we’ll go on a tour.”

“Oh.”

After that, Omi took Zi Yue and Lu Yuanqi and left the Laoshan School House, touring around, with two beautiful women accompanying him at night, this day, envious of the others.
