

# King of kings

1615

That Lie Yue Ming was busy asking, "What's going on over there with the Gunu family? Why did their master say he was dead early in the morning?"

One of them was busy saying, "Gu Nu Indang, he, he was killed by Omi."

"Ah." Both Lie Yue Tyranny and Lie Yue Ming looked incredulously at Omi, but Elder She Jun, however, was not surprised in the slightest.

Leyue Ming looked skeptical and asked, "How could you possibly kill the Ancient Slave Indominus?"

Omi snorted, "I can't even kill the Ancient Slave Seal Hall, and I still dare to be the boss of the She Monarch?"

Shejun could only remain silent on the side.

Omi snorted again to Lie Yue Tyranny, "Lie Yue Tyranny, I have just slapped you just now for the sake of She Jun's face, otherwise, you would be going with the Ancient Slave Seal Hall as a companion right now, if you dare to be arrogant in front of me again in the future, don't blame me for being rude." After saying that, Omi immediately said to She Jun, "She Jun, come over here, you will represent my Tang family to sacrifice to the heavens."

"Yes." She Jun looked helplessly at Lie Yue Tyranny and Lie Yue Ming, who were originally the noble guests invited by the Lie Yue family, but now ran over to the Tang family's side to offer the heavens.

"This." Both Leyue Tyranny and Leyue Ming were dumbfounded, as if they hadn't understood where the Omi who had emerged was such a grifter.

At this time, the two supreme elders of the Gu Nu family had already figured out what was going on.

The two of them, Gu Nu Yan and Gu Nu Xiaoye, shot their gazes towards Omi. The first website [m.kanshu8.net](http://m.kanshu8.net)

These two supreme elders of the Ancient Nun Clan, among them the woman called Ancient Nun Little Leaf, she was also a junior elder of the Flying Cloud Sect. In the entire Heavenly Jewel City, only She Jun and Gu Nu Xiaoye could assess to become a Feiyun Sect Elder, so the two of them had the highest status and were the pride of almost everyone in the entire Heavenly Jewel City. This was why the Lie Yue Family felt so honored to have invited She Jun.

At this moment, Ancient Nun Xiao Ye and Ancient Nun Yan walked towards Omi with anger in their eyes, as well as a hint of confusion.

Omi was sitting on the seat of the Tang Family's head, his eyes without any tension as he watched Gu Nu Xiaoye and Gu Nuyan walk over to the two.

"You are Omi?" That Gu Nuyan was furious.

Omi said with a smile on his face, "Yes."

Gu Nuyan saw that Omi had killed their family master, but he was actually fearless and smiling, a huge fire broke out in his heart, their Spiritual Harmony Stage powerhouse was worshipped by everyone in Tianbao City, but right now he was being so disregarded by a thirteen year old boy.

"The master of my Ancient Nun Family, did you kill him?" Gu Nuyan asked furiously.

Omi nodded, "Of course, isn't that obvious? All right, enough of this nonsense. You want to do it or what? In short, I only have one thing to say, I, Tang Someone, don't mind sending the two of you to accompany the Ancient Slave Seal Hall. By the way, I've just told your family that from now on, your Ancient Slave Family is a vassal of my Tang Family, and I'm the Tang Family's master, which means that I'm your indirect master. I'll also say in passing to the two supreme elders of the Lie Yue Family that your Lie Yue Family, is also a vassal of my Tang Family, and I'm also your indirect master, alright, you can pay your respects to me."

"You." The two supreme elders of the Ancient Nun Family were trembling with anger, they had never encountered such a crazy person in their lives.

Beside Omi, She Jun was busy giving eyes to Leyue Tyranny and Leyue Ming, as if urging them to hurry up

Worshipping.

Leyue Tyranny and Leyue Ming were torn between their hearts at the moment, but, Lord She wouldn't harm them, and Lord She was stronger than them and had a higher status, he had worshipped Omi as his boss, let alone them.

After hesitating for a few seconds, Leyue Tyranny and Leyue Ming clenched their teeth and said inwardly, "It's just that, no matter what the reason, since She Jun is under him, let's pay our respects quickly."

Thus, Lie Yue Tyranny and Lie Yue Ming each paid homage to Omi, "See Boss."

The two of them, Gu Nu Yan and Gu Nu Xiaoye, whose righteous faces were trembling beside them, were silly when they saw that the supreme elder of the Leyue Family had actually paid homage.

Omi said to Leyue Tyranny and Leyue Ming, "Wrong, I am not your boss, you are not qualified to be my little brother, I am only your indirect master, you should see your master, not your boss, only Shejun is qualified to call me boss, do you hear me?"

"Me." Leyue Tyranny and Leyue Ming were annoyed in their hearts, but, having reached this point, they couldn't be rashly angry, so they could only pay homage again, "See, master."

"Well, that's right."

Omi looked at Gu Nu again, "What about you two? Why don't you come to worship? How much longer do you want to wait?"

"You." Gu Nuyan couldn't help but look at Gu Nuyan Xiaoye, who had just been angry enough to kill Omi, but, seeing Omi so arrogant, with no fear on his face, and even Shejun was his subordinate by default. Therefore, Gu Nuyan, who was originally angry, now suppressed his anger and did not dare to act rashly.

Ancient Nun Xiao Ye also had a light frown on his brow, and Ancient Nun said, "She Jun, he just said that you are his little brother? Why don't you argue?"

Shejun smiled bitterly, "I am indeed the youngest brother of the minister."

"Shejun, do you know what you're talking about?" Ancient Slave Little Leaf spoke up.

She Jun said, "Elder Little Leaf, you and I have been friends for many years, having served as junior elders in the Flying Cloud Sect for many years, you should know me well. Because of this, let me also give you a piece of advice, don't make an enemy of Young Minister, quickly apologize to him and obtain his forgiveness, it might be better for you."

Ancient Nun Xiao Ye sneered, "He killed the head of my family, I haven't gotten even with him yet, but instead I want to apologize to him? She-kun, are you still the She-kun I know?"

The She Monarch sighed, "Elder Little Ye, I've already told you my advice, whether you listen to it or not is your business. However, if you dare to harm my young minister, I, She Monarch, will be the first to forbid it."

"Lord She, why are you so obedient to a teenager? What have you gotten yourself into, or is he really that big of a deal?" Gu Nu Xiaoye asked aloud.

She Jun said, "Sorry, no comment, all I can tell you is one sentence, never mess with Minister Less."

Ancient Slave Little Leaf's body trembled with anger, if it was said that She Jun was playing a mysterious game, it didn't make sense, She Jun was at least an Elder of the Flying Cloud Sect, there was no need for it. Could it be that this one called Omi, really had some extraordinary origin?

As expected, the unknown was the most frightening.

Ancient Nun Xiao Ye and Ancient Nun Yan, for a moment, did not dare to make a move against Omi.

Omi gave a heavy snort, "You two, are you going to worship, or not?"

"You." The two ancient slave family's supreme elders were furious.
