

King of kings

1818

"By the way, the little white dragon is a female?"

Xia Xiaoxin corrected, "It's a female, not a female, animals are only described as females, and I just said I wouldn't look at her as an animal, so I'm still unsure, I don't want to take her away for you, besides, the little white dragon was originally mine." Xia Xiaoxin actually got bold with Omi for the Little White Dragon.

Omi smiled, "Xia Xiaoxin, I don't just want to take Little White away, I even want to take you with me, understand?"

"Ah." Xia Xiaoxin was startled and asked, puzzled, "Why are you taking me away." Xia Xiaoxin's face subconsciously reddened.

Omi said, "Don't misunderstand, if you don't want to come with me, I won't force you, but before you go, I'll give you a chance."

"What chance?"

Omi said, "Do you want to break through?"

"Ah, another breakthrough, I was only just broken through to the Exaltation Stage by you before, I'm only seventeen years old and I'm already at the Exaltation Stage, that's already against the heavens."

"What? You don't want to go against the world anymore ah, I can tell you that this breakthrough, I can make you soar to the Mahayana stage."

"What? Great, Great." Xia Xiaoxin's head tilted and she fainted.

"I'll go." Omi was speechless, Xia Xiaoxin's mental capacity was so bad, she fainted in shock when she heard that she had soared to the Mahayana stage. One second to remember to read the book

Omi scrambled up and helped Xia Xiaoxin up from the ground, an aura infused into her body, Xia Xiaoxin then woke up.

One of Omi's hands was stroking her waist, feeling a delicate softness.

"Are you alright."

"I'm sorry, I, I fainted in shock as soon as I heard Mahayana, I never thought in my life that I would be able to cultivate to such a strong level, let alone soar all of a sudden." Xia.

"Oh, so you can't stay here anymore, you should come with me to meet the world, you'll faint in fear, that's a sign that you haven't seen the world. Alright, I'll help you refine the spirit stones, it'll take about three or four days."

"That long, isn't that making it hard for you." Xia.

Omi said, "Yes, it's a lot of work, how do you plan to repay me?"

"Ah, me." Xia Xiaoxin was startled as she looked at Omi.

Omi deliberately said jokingly, "You won't think of repaying me, let's say, I don't want you much, sleeping with me once is considered as repayment."

"Ah, me."

"What, embarrassed? If someone else slept with you for the rest of your life, you wouldn't have that chance."

"I, I thought you were being kind."

"Haha, there's no such thing as kindness, go ahead, be willing, just for one night."

"I, I have a fiancé."

Omi said, "When you reach the Mahayana stage, the first one I'll kill will be your fiancé."

"Ah, there's no need to be so cruel, just withdraw your marriage."

"Haha, alright, no more joking with you." Omi put away a joking smile.

"What, you, you're not serious?"

"Of course not, I'm just kidding with you, I don't need any payback. Hurry up and get started."

"Oh." Xia Xiaoxin saw that Omi didn't want her reward again, and suddenly, she felt that something was missing, people were really strange, she just felt that she couldn't do something like sleeping with her, but suddenly she didn't want it, and felt a little lost in her heart.

For the next four days, Omi was helping Xia Xiaoxin refine her spirit stones.

Xia Xiaoxin went all the way from the out-of-body stage, to the combined body, to the divide, and to the first stage of Mahayana.

After breaking through to the first stage of Mahayana, Xia Xiaoxin's entire demeanor was completely different, if he was still a sheep's demeanor standing in the crowd before, he was now a Tyrannosaurus Rex's demeanor.

Omi said, "Congratulations, Xia Xiaoxin, you've become a first stage Mahayana Immortal, how much more you can progress in the future is up to your own chance. There will be no more spirit stones to refine in the future, even I will have to cultivate on my own."

"Thank you, Senior Tang." Xia Xiaoxin paid a deep obeisance to Omi.

"Alright, don't be polite to me. Let's go, now that you've broken through to the first stage of the Mahayana stage, the first thing you'll do is to kill your fiancé."

"Don't bother, just withdraw your marriage."

"Suit yourself."

"Then I'm going to withdraw from the marriage."

Xia Xiaoxin immediately went to withdraw from the marriage, afraid that Omi would actually go kill someone.

Xia Xiaoxin came to a certain family in the Four Seas, she had previously gotten engaged to a super genius of this family.

Xia: "So-and-so, I'm here to withdraw from you today, I'm sorry, I can't marry you, you're a good person, you'll find a better one than me."

That so-and-so family, shocked, feeling incomparably humiliated, on the spot to Xia: "Do not deceive the poor youth, Xia Xiaoxin you wait for me, one day I will make you regret."

Xia Xiaoxin walked away with an apologetic heart, as to whether or not it really will make her regret one day, who knows.

The young man who was withdrawn from the marriage, gritting his teeth as if there was an endless fighting spirit within him, looked at Xia Xiaoxin's departing figure, regret and heartache at the same time, more hatred at the same time.

"Xia Xiaoxin, wait for me, today you dislike me for not being worthy of you, and the next day, I'll make you unreachable." The young man who was withdrawn from the marriage clenched both fists.

Just at this moment, a voice sounded from behind him, "Save it, slut, you think you're the protagonist ah, and you can't afford to reach high, you're not even considered a drag queen, you've been retired from marriage, and you can only silently watch the unreachable goddess jerking behind you."

"Who are you." The young man who had been discharged turned around, unaware that there was a man standing behind him.

"Don Omi."

"Tang, Omi? It's the one, Senior Tang who returns the sixth grade spirit stone five times for each family?"

"Right, well, you're on your own."

Omi swooshed and disappeared.

The teenager who had been withdrawn from the marriage sat down on the ground, the fighting spirit he had just had vanished without a trace.

Omi returned to the Xia family, arriving before Xia Xiaoxin.

"I've withdrawn." Xia.

"Oh, then come with me to see the world from now on."

"Mm." Xia Xiaoxin nodded her head.

Omi called Mu Qianji over, then left the Four Seas and headed straight for the First Sea.

Omi said, "This time out, make sure to find Tang Jingtian, alive or dead."

Mu Qianji said, "As long as you offer enough bounties, the entire One Heavy Sea will search for you, and I'm sure it won't take long to find Tang Jingtian."

Omi arrived at one of the mercenary unions in the One Heavy Sea.

"Pay your respects to the three seniors." Several people from the mercenary union panicked and knelt down, the momentum of Omi, Mu Qianji, and Xia Xiaoxin was like the sky falling down, and the entire mercenary union was in cold sweat.
