1877

In the distant sky, Gao Yang sent Jun, Li Chen lonely, Sang Hong Ye, Zhu Zhou, Bird Peng Jun, You Chang Hu, and eight others, with an old man with an angry face.

You Changhu pointed at Omi and said, "Senior Yicai Cai, this is the Tang Ji Gate."

"Yes, Senior Yi Yi Cai, Omi is definitely back, if he hasn't returned yet, he can destroy his Tang Ji Gate first."

Just then, Omi flew up and grunted, "You bastards, I let you pretend you saw nothing, but you're good, you even brought the Yi Clan to my door."

Bird Peng Jun immediately pointed at Omi and shouted, "Senior Yi Shi Cai, he is Omi, the one who killed Yi Cousin Fang, it's him, we can all testify to that."

"Yes, Senior Yi Shizai, Omi killed Yi Tablefang in front of us." You Changhu was also busy mending his sword.

That old man from the Yi Clan, with a frosty face, looked at Omi with a cold gaze.

Omi trailed off, "Give your name."

It was only when Yi Yi saw that Omi still had such an arrogant tone that he asked him to report his name, and he was very angry.

"You are the Omi who killed several of my clansmen?"

"Knowingly, who are you again?" Remember the URL .kanshu8.net

Gao Yang sent Jun busy, "Omi, he's the protector of the Yi Clan, Senior Yi Cai, you're finished."

Omi said disdainfully, "I thought that if I killed two Yi Clan trash, the Yi Clan would send a strong man down, but I didn't expect that it would come down to a sixth stage of robbery, it really came down to die."

Omi's eyes showed killing intent.

Gao Yang Sending Jun was busy saying, "Omi, although Senior Yicai is a tribulation sixth stage, he is far stronger than us, do you think you can even defeat him?"

"That's right, Omi, you're just relying on a set of swords to be arrogant in front of us, and now that the I Clan's Transmigration Sixth Order has come down, I'll see how you can still bounce around."

Without saying a word, Omi instantly offered up twelve flying swords.

"Ah." Those eight long kings, seeing Omi's sword formation, scattered in fear.

Omi didn't have the energy to care about those eight Long Emperors at the moment, and focused his gaze on Yi Shicai.

Yi Shi Cai's face was extremely ugly, and he gritted his teeth, "Omi, do you really think that just because you have a set of sword formations, you can compete with our Yi Clan? Even if your sword formation exerts the same strength as a pseudo-immortal artifact, but right now, you are just a mere Third Stage of Tribulation."

Omi trailed off, "Even if I'm only at the third stage of tribulation right now, relying on my sword formation, it's easy to kill you."

Yi Shi Cai said angrily, "Omi, I'm the protector of the Yi Clan, and I have an honorable status in the Yi Clan, so you better not shout at me to kill me. If I were you, immediately surrender to the Y Clan, and as a sign of your apology, you serve up your sword and personally go to the Y Clan to ask for forgiveness, that's the only way out for you now."

Omi gave a sneer, "So it's my sword formation that you fancy."

"Omi, I see that you are a talent, you shouldn't die like this, although you have killed two members of our Yi Clan, but as long as you sincerely repent, we will definitely forgive you, you don't have to be afraid, uncle will vouch for you. You will go back with my uncle now, and uncle will plead for you in front of the family patriarch." Yi Shi said.

Omi's veins bulged.

Omi pointed at Yi Si Cai and said, "Say another word about uncle, and I'll twist your head off and kick it as a ball if you don't believe me."

"Omi, uncle is really doing this for your own good, you just need to offer it sincerely."

"Puff." Omi plunged his sword into Yi Yi's throat, and Yi's flesh was decapitated by Omi before he could finish a sentence.

"Ah." Yi Xizai's infant panicked and detached from his body.

"Omi, you." Yi Shizai looked at Omi in horror. Originally, Yi Shizai didn't believe that Omi, a tribulation third stage, could deal with him, a tribulation sixth stage, but, at this moment, he was foolish.

Omi twisted down Yi Cai's head in front of Yi Cai's infant.

"Bang." Omi kicked Yi Yi's head.

"See, your head was kicked by me as a ball, I 始才, are you stupid now, I told you that it would be easy for me to kill you using the sword formation, but I see that inside your heart, you don't seem to think so at all." Omi gave a cold laugh.

In the distance, Bird Peng Jun's body trembled, "Omi is getting further and further down the road to death."

"It's true that Yicai is also really, we all told him that Omi has a sword formation, he may not be a match, so be careful, but he is good, he thinks we are scaring him."

"Yi Shizai is already dying, let's run."

The eight long kings of the Immortal Dynasty in the distance, seeing that the situation was not good, ran away.

In Omi's sword formation, Omi cupped Yi Shizai's infant with one hand and sneered, "You definitely never thought to death that the Sixfold Sea would have someone as strong as me, or else you wouldn't have come down here alone to die."

Yi's infant trembled and said, "Don't be impulsive, Omi, if you kill me, there's really no way to redeem yourself."

"Redeem?Hahaha, why should I redeem it."

"Omi, although your sword formation can be compared to a pseudo-immortal artifact, but after all, your realm is only at the third stage of Tribulation ah, you're still too far from our family's ancestor ah, truth be told, our family's ancestor, the pseudo-immortal artifact he holds is the Black Water Pearl, that Black Water Pearl is incredibly powerful, you're no match for it until you reach the seventh stage of Tribulation. Moreover, there are four Half Immortals in my family who have reached the Seventh Stage of Tribulation, you have to think carefully whether you want to be an enemy of our Yi Clan."

Omi snorted, "After all that, you just want to beg for mercy from me, but unfortunately, I'm partial to not.Go to hell."

"No."Only then did Yi Yi hissed, and Omi instantly strangled him to death.

Omi looked away, those eight Long Emperors, had already run away, Omi was in no mood to chase them now.

Mu Qianji flew up.

"That person just now, is he someone very important to the Yi Clan?"

"Yes, the patriarch of the Yi Clan."

"Alas, this time, it's definitely going to alert the high-ups of the Yi Clan, and the next person to come will probably be the patriarch of the Yi Clan, or at least a strong man of the seventh stage of the Tribulation."Mu Qianji said.

Omi said, "As long as it's not that Yi Clan ancestor who holds the Black Water Pearl, it's not a big problem.Thousand Extremities, go immediately and make arrangements, just in case, let the Tang Chi Gate disband first, the people I brought up from the Mortal Realm, arrange to go outside the eighty circles, while you guys, go to the Five Heavy Seas first."
