"Come with me."The daughter of the Lord of the Valley of Ten Thousand Flowers gave a squeal.

Omi depressedly said, "Don't force me."

Omi tried to see if he could use the Past Life Mirror, but Omi suddenly cancelled the idea, in case it didn't work, and instead took the Past Life Mirror away from him.Moreover, Omi had no immortal energy in his body.

At this moment, a sound came from Omi's mind, "You've finally come."

"What man?"Don looked around and didn't see anyone, which meant that the voice was in his head.

"Take it easy, it's me."The voice in Omi's head said.

"Who are you?"

"I have been waiting for you for a long time, King of the Nine Ways."The voice in my head said.

"Ah."Omi was stunned, the Nine Daoist Demon King?

"You really lived up to my expectations, stepping into the Immortal Realm in such a short period of time."The voice of the Nine Dao Demon King said.

"But, Senior, aren't you dead?It also turned into immortal energy in my body."Omi was confused. One second to remember to read the book

"No, what died was only one of my remaining souls, when I was imprisoned, one of my remaining souls was able to escape, because my remaining soul was too weak to survive for long in the Immortal Realm, nor in the Spirit Realm, so it could only come to the Mortal Realm.The purpose of my remaining strand of soul was to find a hopeful person in the mortal realm, to help him become an immortal, and finally, to help me.I never expected that I would finally look forward to your arrival."

"Oh."

The Nine Daoist Demon King in Omi's mind seemed very excited.

Omi asked, "Senior, that strand of your remaining soul didn't make it clear before, but now you can tell me where you're trapped?"

"I'm trapped in the Celestial Realm, I've been framed and imprisoned in the Celestial Jail."

"The Celestial Court?"

"There's no need to go into detail about that for now, because you're not yet capable of helping me.For now, let me help you first with how to become a powerful Immortal.My goal for you is to reach

the Heavenly Immortal level as quickly as possible, because only when you reach the Heavenly Immortal level will you have a chance to enter the Celestial Court.”

“Good.” Omi was delighted inside, he didn’t expect that someone would come to help him when he had just arrived at the Immortal Realm.

“Right, Senior Demon King, how do you want to help me?”

The Nine Dao Demon King said, “I’m just talking to you with my immortal thoughts, my people are still in the Heavenly Prison, so my help is limited, but don’t worry, I’ll definitely do everything I can to help you grow.”

“Thank you, by the way, I’m now captured by the daughter of a valley owner of some sort of Manifold Valley, I almost raped her in my previous life, I’ve just arrived in the Immortal Realm, I haven’t even reached Immortal yet, what should I do?” Omi asked.

The Nine Dao Demon King’s Immortal Thoughts smiled, “This is a very small matter, I’ll help you now, with your comprehension, I think you should be able to break through to Pre-Human Immortal before that fairy returns to the valley, then, I’ll teach you the way to defeat her, after defeating her, just strengthen this bitch, after all, the regret of your past life.”

“Uh.” Omi said in his heart, the Nine Daoist Demon King was really that what.

The Nine Dao Demon King immediately recited a string of speech in Omi’s mind, then asked, “Do you understand?”

“This, how to understand it?”

“I’ll recite it again, until you understand it, and this voice of mine is a very old spell that can make an immortal quickly become an immortal, the key is, how comprehended the other person is. If you comprehend it, you will become an immortal in a single thought.”

“Good.”

p;The Nine Daoist Demon King continued to recite a second time.

In fact, the Nine Dao Demon King himself did not have confidence, after all, those who could become immortal in a single thought, this kind of comprehension was too hard to find, this mantra, back then, was passed down to him by the Nine Dao Demon King’s master, back then, the Nine Dao Demon King himself, he could not comprehend it.

The Nine Dao Demon King was prepared to recite it a hundred times to see if Omi could comprehend it.

However, on the third time, Omi suddenly said, “Senior, there’s no need to recite it, I’ve already comprehended it.”

After saying that, Omi instantly changed from a quasi-immortal to a true immortal, standing on the ground and becoming an immortal.

After becoming an immortal, Omi was the pre-human immortal, the starting stage.

The daughter of the owner of the Valley of Ten Thousand Flowers was pre-human immortal, halfway stage.

They were all on the same line, but one was at the starting line and the other at the halfway stage.

“Omi, you didn’t disappoint me, your comprehension, it’s too high.”The Nine Dao Demon King’s heart was overjoyed.

At this moment, in the Heavenly Immortal Realm, in a certain prison cell, an old man was full of excitement.

This old man who was trapped in the prison cell was the Nine Daoist Demon King, and he was currently talking to Omi of the Earth Immortal Realm through the air, which was fortunate that the Nine Daoist Demon King had a unique supernatural ability in the communication of immortal thoughts, otherwise ordinary people wouldn’t be able to do it.

The Earth Immortal Realm’s Omi’s ears immediately heard the Nine Daoist Demon King’s voice again, “Now, how much time is left before the Valley of Ten Thousand Flowers?If you can, try to stall for a bit.”

“It should be almost to the Valley of Ten Thousand Flowers, so I’ll stall for a bit.”

After saying that, Omi immediately said to that fairy, “I need to take a pee.”

That fairy snorted, “Don’t you dare me throw tricks, come with me immediately and meet my father in the Valley of Ten Thousand Flowers.”

Omi said, “I need to take a pee, didn’t you hear?Since you won’t avoid it, I’ll pull it in front of you.”After saying that, Tenzin pulled down his pants.

“Rascal.”The daughter of the Ten Thousand Flowers Valley Lord immediately turned her head.

Omi managed to stall for time, in his mind, the Nine Daoist Demon King said, “I am now teaching you a very powerful set of spells, this set of spells, if you learn it, I think this woman is no match for you at all, even if she is halfway to the pre-human immortal stage, it won’t work, this set of spells of mine is called ‘Silence Art’.”

“The Silencing Technique?”As soon as Omi heard it, this spell was definitely much stronger than what Omi had known in his previous family.

The Nine Dao Demon King immediately taught the first level of the Silence Art to Omi.

“The first level of the Silence Art, it’s called All Things Without Spring, listen carefully, this is an advanced spell, don’t use it recklessly in the future, or else you might be killed if you are seen.”

“Good.”

The Nine Dao Demon King taught the first level of the Silence Art to Omi, only, the first level wasn’t that easy to practice either.

Three minutes later.

“Senior, it’s so hard to practice, I’m at most a third of the way through the first layer now.”Omi said depressedly.

However, the Nine Dao Demon King laughed, "You've already surprised me too much by practicing a third of the first layer in such a short time, alright, you've practiced a third of the first layer of the Silence Technique, it's enough to deal with this woman. Next, you're on your own."

Just then, the valley master's daughter in front of him shouted, "Are you finished or not? If you give me any more tricks, I'll have to kill you, I don't care if you're the reincarnation of Zhou Mi."

Omi immediately gave a cold snort, "Good tug, I'd like to see if you have the ability to do that."
