Chapter 2026

Omi looked at Master Lu and saw that he was holding a black, nail-sized stone in his hand.

"This is a memory crystal?"

"Yes, some people also call it the Three Life Stones, in short, each has its own name."

Omi was a bit shocked, because Omi had seen, in the mortal world, the technological world, Omi had seen even bigger ones, immediately recording many scenes from ancient times, there was a month, there were years, and the longest one was even five hundred years old.

Unexpectedly, after Omi came to the Immortal World, he finally saw this kind of thing appear.

Omi didn't think about it any further and immediately began to refine the Immortal Pill.

Master Lu said to the memory crystal, "I, Lu Yihua, assess for Omi, recording this process as proof." After saying that, the memory crystal began to record it for Omi.

Omi refined very carefully, and about fifteen minutes later, Omi finished refining, and an Immortal Pill with a medicinal fragrance was made.

Lu Yihua took it to his nose and sniffed it, saying, "Not bad, you were able to refine a third layer of quality Immortal Pill in your first assessment. Congratulations, Omi, you have passed the assessment."

Omi said, "Senior, you can also call me Zhou Mi, add the two names to it."

"Zhou Mi?" First web site [m . kanshu8.net](http://m.kanshu8.net)

"Yes, that was my name in my previous life."

"Okay, this conversation has been recorded to the memory crystal."

Then, ending the recording, Master Lu said, "This memory crystal is your first level Immortal Master officially, please keep it safe. Of course, you can also hang it on your chest, so that everyone can scan it with their Immortal Thoughts and discern its authenticity in a moment.

"Haha, that's not necessary." Omi didn't pretend to be so comparable, a first-grade Immortal Pill Master was nothing.

Omi's idea was wrong, a first-grade Immortal Pill Master was also in high demand, Human Immortals, Mortal Immortals, and even Earth Immortals, there were people who would need a first-grade Immortal Pill Master to help them refine Immortal Pills.

Master Lu instructed, "It's good to be less flamboyant, although the Immortal Pill Master's status is esteemed, but it's also high risk, there will always be some perverts that will grab the Immortal Pill Master and force him or her to refine Immortal Pills for them, and kill them if they don't."

"Ah, there are still such people."

"Right, so you'd better find a few strong long-term partners in the future, they provide protection for you, we Immortal Pill masters, specializing in Immortal Pills, the strength aspect is definitely not as good, even if there is a realm, most of them are in the empty realm, encountering the same level is mostly not a match."

"Hehe," Omi said in his heart, he was the exception, most of his peers were no match for him.

Just like that, Omi walked out of the Great Hall of Immortals.

Yun Zi, Belinda Ma, Wild Dew, and the three of them were waiting outside the Great Hall of Immortal Pillars.

Seeing Omi walk out, they immediately went up.

"How is it? Is the assessment up yet?" Belinda Ma was busy asking.

Omi pulled out his assessment crystal at once.

With a sweep of a few Immortal Thoughts, they immediately saw a rough view of Omi's assessment process.

"Congratulations Young Master Zhou." Belinda Ma panicked and flattered, as if Omi's entire demeanor had changed after he got the proof of being a first grade Immortal Master, Belinda Ma suddenly felt inside, so much love for Omi.

Yun Zi looked at Omi, and also the eyes all changed.

In the past, it could be said that Omi was not good enough for her, but now that Omi had obtained the title of First Grade Immortal Pill Master, it was different, at least worthy of her identity as the Princess of Yun Luo Immortal Kingdom, and Omi was stronger than her again.

Yun Zi asked, "Now you

Already the assessment is here, shouldn't we return to the Yunluo Immortal Kingdom next?"

Omi said, "What's the hurry, stay for a few more days."

Omi also wanted to meet with Star Luo, and also wanted to ask some more questions from Master Tianxiang.

"Oh." Yun Zi nodded, the look in Omi's eyes was no longer the same, forced feeling as before, but a willing one.

It could be said that Omi's status had quietly taken a leap when he got the status of a First Grade Immortal Pill Master.

Omi returned to the inn and prepared to go meet with Star Luo tomorrow.

However, before Omi even entered the inn, he heard someone in the inn saying, "I really don't know where Cousin Yun Zi has gone?"

"I'm sorry, I really don't know, they're just staying at our inn, we don't go over where they go."The owner of the inn said.

Yun Zi heard the voice and was startled, "It's Cousin Yang Fan."

Saying that, a few people entered the inn, and sure enough, that cousin of Yun Zi's, and an unknown youth, were asking the shopkeeper about it.

"Cousin."

"Hey, Cousin Yun Zi, you're back, I was just asking where you went."Yang Fan and another youth came up.

Yun Zi looked at the youth and smiled, "Brother Gusi Ba, you've come too."

"Hehe, Miss Yun Zi, it's been a few days, you've grown pretty again."Ancient Temple Ba said sweetly on his lips.

However, Yun Zi didn't like him and only accosted him with a smile.

Omi stood at the back and didn't say a word.

That Ancient Temple Ba looked towards Omi and said, "You are Yun Zi girl's friend, Zhou Mi, right."The corners of Guji Ba's mouth raised slightly, as if mentioning Zhou Mi was a bit disdainful, if it wasn't for Yun Zi, he would never have spoken to such a person to death.

Omi didn't bother talking to him and walked straight up the stairs, while saying under his breath, "Yun Zi, come to my room."

"Oh."Yun Zi said to Yang Fan and Gu Si Ba, "Sorry ah, I'm not free today, you guys please go back."

"This."Yang Fan was depressed, he purposely brought Ancient Temple Ba to deepen his relationship with Yun Zi.

Ancient Temple Ba was busy saying, "Miss Yun Zi, didn't you say that you and former Zhou Mi were just ordinary friends?Why is he allowed to command you?"

"Because he's my friend."

"A friend doesn't have to be obedient like a maid, Cloud Violet Girl."Guji Ba said with anger.

Omi stood on the stairs, stopped and said, "You're Guseba, right."

"Yes, how drop."Guji Ba looked at Omi as if he was his rival.

Omi said, "You want to know why Yun Zi obeyed me?Okay, I'll tell you."

"Don't say it."Yun Zi was busy shouting.

Omi said, "Because, Yun Zi likes me, worships me, and is willing to do everything for me.Gusheba, you can go now, you've got no chance, don't waste your time and energy."

"This is impossible, how can my cousin like someone like you, even if you are a genius, but where so what."Yang Fanton yelled.

Omi snorted, "Isn't it, just ask Yun Zi." After saying that, Omi walked upstairs, Omi didn't have a very violent conflict with them, after all, this was their territory.

Fan Yang was busy looking at Yun Zi and asked, "Cousin, tell cousin that this is not real, this toad is just dreaming."
