“Tenka-san.”

“What is it.”

“That person who came to our place a few days ago, it seems like something happened.”

Tian Xiang’s eyebrows furrowed, “Which person?”

“It’s just that, the man Miss Starlot brought here, and you mentored him, saying he was smart.”

“What happened to him, Chow Mi Reincarnation? Killed?” Tian Xiang was busy asking, feeling a bit sorry for a person who was quite a genius, if he continued to refine pills, he was bound to have some success in the future.

“No.” That maid, one-by-one, said what she heard to Tianxiang.

Tianxiang was a bit surprised, “Gu 吟巴 isn’t an alchemist, how could he challenge Zhou Mi?”

“I don’t know about that.”

“Zhou Mi shouldn’t really be that stupid to go get beaten up.” Master Tian Xiang thought inwardly and decided to check it out tomorrow.

The next day would be here in a flash. Remember the URL .kanshu8.net

Early in the morning, many people came to the Thunder Dueling Stage, and by around 11 am, the Thunder Dueling Stage was already crowded with people.

Gu 吟 ba had arrived at the Thunder Dueling Stage very early in the morning and was waiting there for Omi.

Omi opened his eyes at around 10:00 am and ended his Immortal Machine Spitting.

Omi looked at the time and said, “It’s almost time to depart, I’m not familiar with the Upper Yama Continent, I’d better leave early.”

“Do you have confidence?” asked Julie Ma.

“I don’t get it, fight it and then say it, I won’t be ashamed anyway, whether I win or lose.”

“No, if you lose, Kuvumba will beat you up.”

“Then beat her, all right, want to go? If you want to go, go together.”

Omi and Belinda Ma immediately headed to the Thunder Dueling Stage, searching for an hour and a half before Omi found this place.

“Zhou Mi is here.”

When Omi arrived, someone recognized him, presumably some fellow at the inn.

Omi flew straight towards the Thunder Dueling Stage, and Omi saw that Gu Ronba was already standing on the dueling stage.

Omi landed directly on the dueling stage in full view of everyone.

When Omi landed on the dueling stage, countless gazes came up.

At this moment in the crowd of spectators, Yun Zi and her cousins were standing together.

Yun Zi looked at Omi on the ring, tsetse and handsome, without any timidity, feeling a bit too attractive.

Yun Zi inner silently said, cheer up.

However, those cousins of Yun Zi's, shamefacedly said, “Today, I'll see how he'll be beaten half to death by Gu Zunba.”

“A country bumpkin from the Immortal Kingdom, and he's still trying to make waves here.”

“Yun Zi, this time you, the person you like, is not as good as you think you are in your heart, you, ah, a blindfold, to put it bluntly, a frog at the bottom of a well, thinking that the sky is only as small as the mouth of the well.”

Yun Zi smiled slightly, she was also quite worried inside, but Yun Zi was very sure inside, even if Omi was really beaten up today, she would not think that Omi was bad.

Yun Zi was trembling inside, could it be, she really had feelings for Omi, right? Why else would the idea be born?

Right now in the crowd of spectators, there was another acquaintance, that was Master Tian Xiang, but Master Tian Xiang had dressed up in front, so no one recognized her, she didn't want to cause a stir. Master Tianxiang said in her heart, “This silly kid, really coming to get beaten up? Where's Staros? And Starro doesn't stop him?” Master Tianxiang was filled with doubts, she thought that Omi was just an alchemist.

The scene was quiet.

On the dueling stage, Gu Ruangba's gaze twisted and said, “Number One Pervert, you've finally come, I've been waiting for you for a long time.”

&

nbsp; Omi said, “Every time a duel is fought, my opponent always starts with this sentence, I'm so tired of it, Kuwunba, let's make it quick, Tang can come today, it's a hard squeeze of time.”

“You.” Gu 吟 ba saw that Omi was so wild, a duel 吟 with her still required hard squeeze of time.

"Omi, later I'll see how wild you still are, I want you to lie down under your aunt's pomegranate skirt." Kuvunpa said.

Omi said, "Seriously, I don't mind if lying down under your skirt lets me do your thing."

"You." Guvunba was furious.

The audience, however, was wowed, worthy of being reincarnated as Zhou Mi, so wavy.

Gu 唛 ba didn't want to talk nonsense anymore, her hands raised, and her hands suddenly turned into two colors, one red and one black.

"Swoosh." Gu 唛 ba's entire body rushed towards Omi, if one looked carefully, one could see that in fact Gu 唛 ba wasn't moving, rushing towards Omi was just an illusion, as well as a very powerful spell, a spell that no matter how Omi responded, he was bound to receive a heavy blow. This spell of Gu 唛 ba's was called the Vault of the Heavens, and it was heard that when practiced to its most powerful, it could cover the heavens. Gu 唛 ba was very confident in herself, this spell of hers could be ranked in the entire Upper Fellows Yan Continent, and it was taught to her by a mysterious strong man in return for an unintentional favor.

Omi's heart was in awe, this spell, it really was strong, it was probably not inferior to Omi's Silence Art, except that Gu Ronba obviously didn't practice it deeply, otherwise, Omi wouldn't have been able to win.

Omi also instantly cast the Silence Art.

"Ten Thousand Bones Blossom."

"Wow." Omi's move went out like dozens of withered bones, each withered bone blossomed like a flower, and finally, the flower was like a mouth that ate people, biting into Gu Ruumba at once.

"Ah." Gu Fangba turned pale, sensing Omi's strength.

At that moment, Gu Wunba felt that another equally powerful spell was attacking behind her.

Before and after, both came.

Gu 唛 ba suddenly felt so helpless, she didn't know whether to deal with the front or the back.

"Pah." Just for a second, the front and back attacks, like two slaps, slapped, and Gu 唛 ba, caught in the middle, was flattened in the slap like a mosquito.

Gu Enba fell to the ground in a mess in full view of the crowd, his eyes wide open.

The crowd was screaming, this duel, it was over so quickly, they didn't even get a good look, Gu 唛巴 was like a mosquito, he was flattened in the slap.

Everyone looked at Omi incredulously.

Ku 唛 ba got up quickly and looked at Omi unwillingly.

Omi said, "Gu 叮 ba, you are no match for me, you are high and proud, but unfortunately, you can't even beat an Immortal Pill Master, what pride do you have in front of me."

Gu Fanba was busy, "Immortal Pill Master?What do you mean."

Omi took out his First Grade Immortal Master identity crystal and said, "I, Tang, am a First Grade Immortal Master."

"Ah, this, how is this possible."Everyone was dumbfounded, if Omi added another First Grade Immortal Master identity, then Omi's status would be extraordinary, and Gu Fangba really didn't have the qualifications to stand tall in front of Omi.

Gu Fangba's Immortal Sense swept through, and sure enough, Omi was a first-grade Immortal Pillar Master.

"Heavens, you, you're still a First Grade Immortal Pill Master."Gu Fangba was dumbfounded, the person she despised had not only beaten her, but was also a Grade 1 Immortal Pill Master.

Everyone on the scene was also incredulous at the moment.

Yun Zi now, seeing everyone's incredulous gazes, suddenly felt proud inside.

"He's a Grade 1 Immortal Dan Master?"Yun Zi's cousins were also in a dumbfounded state at the moment.

Of course, in the crowd, that Heavenly Fragrance Master was also shocked, "He's actually so genius in terms of strength, even better than in terms of immortal pills, gosh."
