"Uh." Omi was startled, could it be that they already knew what had happened in Upper Fellows Island?

"Father-sama, do you know something."

"Yes, it's not just me, the entire Yunluo Immortal Kingdom knows about it."

"Strange, how did you know."

"The emperor has some informants in the Upper Fertilization Yan Continent, and they were the ones who sent the news back that you defeated the 20th ranked genius in the Upper Fertilization Yan Continent, and also assessed to be a First Grade Immortal Pill Master."

Omi said tastelessly, "The news spread quite fast, I wanted to come back and pretend to be a few, but the results are already known, it's meaningless."

"Oh, you." Zhou Tie smiled happily.

Omi's stepmother also rushed out, and all the servants of the Zhou residence ran out and looked at Omi with adoring eyes.

Zhou Tie was busy saying, "Mi'er, don't delay, go, go into the palace to face the saint."

"Why do you want to go into the palace?"

"The emperor said to take him to him when you return." Remember the website .kanshu8.net

Omi said, "If he says he'll see him, then I'm not going to lose face."

"Mi'er." Zhou Tie Yi angrily.

"Okay, okay, listen to you, I'll see him."

Omi had no choice but to follow Zhou Tie to the palace.

At this moment, in the main hall of the palace, the emperor was in the main hall with Master Chen, discussing the matter of the Immortal Pill.

"Master Chen, this Immortal Pill, how many days do you think it will take to finish?" The emperor asked respectfully.

Just at this moment, a servant reported, "Your Majesty, Princess Yun Zi has returned."

"Ah, Yun Zi is back."

"Yes, I heard that Zhou Mi has also returned."

"Good, good, it's good to be back, I was afraid that something unexpected would happen on the way." Emperor said with a smile.

That Master Chen, at the moment, was very uncomfortable inside.

Naturally, Master Chen also knew that Omi's assessment to First Grade Immortal Master, and Omi was so strong in terms of strength, which made Master Chen extremely uncomfortable inside.

Previously, Omi had taken the initiative to worship him and was rejected by Master Chen and insulted him, but he did not expect that Omi would assess to a First Grade Immortal Master so quickly.

And now, when the emperor heard that Omi had returned and acted so happy on his face, Master Chen was even more upset.

Soon after, Yun Zi came.

"Pay your respects to Father."

"Zi'er, why did you leave without saying a word."

"Father Emperor, I." Yun Zi didn't know how to say it, she was supposed to kill Omi.

The emperor chuckled, "You don't need to say anything, I already know, I didn't expect that you would fall in love with that Zhou Mi guy, and secretly followed him to Upper Fei Yan Continent."

"Ah, Father, how did you know."

"Just kidding, my father is at least the king of an immortal kingdom, don't I have a bit of information in Upper Fei Yan Continent? I've heard all about you and Zhou Mi. You like Zhou Mi only to the extent that no one else can see her. Previously, my father asked your uncle to help find a match for the Upanishads, and you directly refused for the sake of Zhou Mi. Hahaha, I didn't expect that you are such a person who dares to love and hate so much."

Yun Zi was puzzled, "Father, you heard about this and aren't angry at all?"

"Hahaha, Zhou Mi is such a genius, why should Father be angry."

Yun Zi said, "Father, don't think that I don't know, your original expectation for me was to find someone with power in the Upper Feyama Continent, but Zhou Mi doesn't have power, and, discontent father, uncle seems to be dissatisfied with me and Zhou Mi."

"Hahaha, that's right, the original expectation for you was indeed so, but you and Zhou Mi are so deeply attached, how can my father not fulfill you. Besides, you're not the only daughter for my father, he could have found a daughter, for example, Yun Meng, she could have

Go find a powerful match in Upper Yama, ah."

"Oh." Yun Zi was a little happy inside, but, a little lost, because she and Omi, it wasn't like that at all, and now that Omi had released her soul, there was no intersection between them.

Yun Zi quickly left first.

Not long after Yun Zi left, Omi and Zhou Tie came.

Omi walked into the main hall and saw the emperor and Master Chen talking about the emperor letting Master Chen refine his pills.

Omi and Zhou Tie bowed, "See the emperor."

Omi disliked the emperor inside, so the worship was fake.

That Master Chen was already unhappy inside, when he saw Omi, he immediately said, "Zhou Tie, the emperor and I still have important matters, you guys go out first."

Master Chen directly called out to Zhou Tie, Omi didn't even say his name to show that he didn't care about Omi at all.

The emperor, seeing this, could only follow Master Chen's wishes and receive Zhou Tie later.

Of course Zhou Tie had no opinion, but Omi did.

Omi had been unhappy with this Master Chen for a long time.

Omi immediately said, "Why should I go out, you are also an Immortal Pill Master, I am also an Immortal Pill Master, the Emperor summoned me, do you just go out when you say so?"

When Master Chen saw that Omi was still so arrogant, he got angry and said, "Zhou Mi, don't think that just because you have appraised a Level 1 Immortal Master, you think you are great, and you dare to be cocky in front of me."

Omi said, "Yeah, you're right, I'm being wild in front of you, what are you, a Level 2 Immortal Pill Master, how dare you be such a grifter here, unfortunately, I, Zhou, am partial to you."

"Zhou Mi, I'll say it one last time, get out of here immediately."

"What if you don't?"

"Let's see, then, if the emperor chooses you or me." Master Chen roared, then looked at the emperor.

The emperor was depressed, not expecting Zhou Mi and Master Chen to be so incompatible with fire and water.

"Alright, alright, both of you stop arguing."

Master Chen said, "Sovereign, with him or without me, you choose."

"This." The emperor was momentarily speechless.

Omi said, "Sovereign, don't blame me for being scandalous, my recommended mentor for this assessment of a First Grade Immortal Pill Master, but a Second Grade Immortal Pill Master."

Master Chen laughed in disgrace, as if this was a big joke, a second-grade recommended mentor, but he actually had the nerve to bring it out.

Omi snorted, "What are you laughing at, it's not that I'm looking down on you, as far as you're concerned, you're a hundred thousand miles behind the mentor I recommended me."

"Really? Then I'd like to see which Second Grade Immortal Pill Master has such a great face."

Omi directly took out a letter of recommendation and said, "Master Tianxiang, have you heard of it?"

"Ah, Master Tianxiang."

"Master Tianxiang?"

The emperor was startled, that Master Chen also trembled physically, even Zhou Tie was also startled.

The emperor immediately smiled and said, "Zhou Tie, don't stand, quick, quick, give Zhou Tie a seat."

Immediately, the servant brought a seat to Omi.

Master Chen looked very bad at this point, because he had been here discussing Immortal Pills with the emperor for so long, and he hadn't even sat down yet, while Zhou Mi, a first-class Immortal Pill Master, was given a seat.

Omi sat down on his butt and said, "Thank you, Your Majesty."

"O Zhou Mi, you've really kept us in the dark."The emperor said lovingly.

Omi said, "I'm sorry, Sovereign, could you let Chen Zichu out for a moment and then we can have a nice chat."

"Uh, this."The emperor was in a bit of a quandary, after all, Master Chen was still a Second Grade Immortal Pill Master, and was counting on him to help refine the pills ah.
