2059

Omi saw that they were so polite, it was fine, after all, there was no big festival, besides, they did not look at the monk's face to see the Buddha's face, after all, they were Yun Zi's relatives.

Yun Meng and Yun Zi also came soon after and joined the banquet.

Yun Meng only knew that Omi was connected to the Xing Clan and had worshipped a third level Immortal Pill Master.

When she learned of this, Yun Meng felt a little bit tasteless inside, and didn't know that the person she was going to meet on a blind date with in a few days, and his status, would be able to spike Omi a few streets.

The first thing you need to do is to take a look at this.

Yang Qilu said to Omi, "Nephew Zhou, I haven't properly introduced you before, but today I will properly introduce you. This is my son, Yang Fan, this is my daughter, Yang Yun, and this is my daughter, Yang Cai."

Yang Qilu introduced the several sons and daughters present one by one.

Since he wanted to mend relations with Omi, he naturally had to introduce his son and daughter to Omi, so that he might be able to be a friend in the future.

Omi greeted them one by one.

Previously, except for the one called Yang Fan, he wasn't familiar with any of them and hadn't looked at them properly.

Omi discovered that among Yang Qilu's many children, except for a woman named Yang Cai, all of them were average looking. The first website [m.kanshu8.net](http://m.kanshu8.net)

That Yang Cai, who looked three times similar to Yun Zi, with a good face and figure, Omi took a few glances at her.

Yang Qilu smiled, "Nephew Zhou, my daughter, Yang Cai, is currently the one that makes me the proudest."

"Oh, is Miss Yang Cai, exceptionally gifted?"

"Hahaha, Yang Cai's talent isn't bad, but that's not the main thing, the main thing is that Yang Cai is engaged to a very talented person. To tell the truth, the one who is currently in the middle Human Immortal stage and ranked ninth is Yang Cai's fiancé." Yang Qilu said with a smug face, having the suspicion of deliberately telling Omi and pretending to be a match in front of Omi.

"Oh, the ninth ranked mid Human Immortal ah, that's indeed." Omi cooperated with the oh, but Omi's heart was quite disdainful, Omi could now say that there was no longer any opponent in the middle

Human Immortal stage, not to mention those ranked ninth, even if the rankings one to nine were added together, they would not necessarily be Omi's opponent.

This wasn't Omi's blow, Omi had practiced the first divine ability of the second level of the Silence Technique, the Great Escapement, the same level was simply crushing, even if it was one level higher, late Human Immortal, Omi had the power to fight.

Yang Qilu seemed to be very satisfied and smiled, "Nephew Zhou, you defeated Wang Zhi-bin, you're ranked in the top one hundred at the mid Human Immortal stage. You're already considered good."

"Thank you."

"Oh, in the future, if you have anything you don't understand, you can also go and talk to Yang Cai's fiancé, I think it won't be difficult for Wu Yong to guide you for a few sentences, seeing as Yang Cai and Yun Zi's relationship."

"Haha, that's good."

"Father, don't say it." That Yang Cai said with a shy face.

Just as they were eating, the housekeeper of the Yang House suddenly came.

"Master, it's bad, something big has happened." The housekeeper said loudly.

"What big thing has happened?"

"The Wu family sent someone, to withdraw the marriage."

"What." Yang Qilu stood up as soon as he heard.

Omi was also startled, the Wu family? Divorce? It can't be the fiancé of Yang Cai who just looked so proud of Yang Qilu, can it?

"Ooooooh." In the next second, Yang Cai suddenly cried out.

Omi looked at that Yang Cai, and sure enough, it really was that fiancé of hers who had come to back out of the marriage.

"How did this happen." The Yang family was busy.

Yang Qilu said, "Where is the Wu family?"

"The Wu family is in the main hall right now." The housekeeper said.

Yang Qilu looked at his crying daughter and said, "Yang Cai, don't worry yet, I'll go see what's going on, maybe there's some misunderstanding, just make it clear."

"Father, Wu Yong doesn't want me anymore, my daughter can't live, sooooo." The woman called Yang Cai cried, first of all, not only the reputation of her daughter's family, but also her love for Wu Yong, she was so fond of him, it was too hard to be abandoned.

"Nonsense, don't think about it so much for now, it'll be fine once the misunderstanding is made clear." Yang Qilu panicked and left the banquet, heading straight to the main hall.

Yun Zi's cousins were also anxious, "What does the Wu family mean, why did you withdraw from the marriage properly, Yang Cai, think for yourself, did you do something wrong to someone ah."

"I didn't, I love him too late, how could I do something wrong to him." Yang Cai said in tears.

Yun Zi was busy comforting, "Sister Yang Cai, don't cry yet, you will figure out the reason."

At this moment, Omi had an embarrassed expression on the side, just now, Yang Qilu's family was proud of Yang Cai's fiancé, who was ranked ninth, and showed off to Omi. However, in the next moment, people came to withdraw their marriage, is this, as the legend goes, pretending to be struck by lightning?

Fan Yang said, "Let's go, go to the hall and take a look." After saying that, Yang Fan looked towards Omi and said, "Brother Zhou, you take your time to eat."

"Oh, it's fine, you go busy." Omi said.

Those cousins of Yun Zi's also left, and even Yang Cai left in tears.

In the restaurant, only Omi, Yun Zi, and Yun Meng were left.

The three of them looked at each other.

Omi said, "Yun Zi, do you know what's going on? That Yang Cai just now?"

"I don't know why, but my cousin really likes her fiancé, and, as you can see, my uncle's family all like Wu Yong very much, and think that Yang Cai married the best and is proud of it. However, I didn't expect to come to withdraw from the marriage."

Omi said, "How about we also go to the main hall to see what's going on?"

Yun Meng immediately said, "Don't go, this is their family matter, and they definitely don't want outsiders to know about this kind of thing. Just now when Yang Fan left, he already indirectly told you, to eat slowly here, the implication is that we shouldn't follow."

"Damn, just now Yang Fan told me to eat slowly, is that what he meant?"

"Nonsense."

Omi thought that Yang Fan was so polite and was concerned about Omi after such a big incident at home.

Yun Zi Dao said, "In that case, let's not go, let's finish eating and go back to where we live."

Omi smiled heavily and said, "Fine, we'll go back after eating and continue." Omi's eyes were ambiguous as he said to Yun Zi, of course, Omi was deliberately angry at Yun Meng.

Yun Mengton threatened, "Zhou Mi, if you dare to humiliate me again, don't blame me for being rude."

Omi trailed off, "That's also called humiliating you, I really doubt you're afraid you won't be able to hold yourself back."

"You."

Yun Zi was busy saying, "Alright, alright, Sister Yun Meng, don't worry, it won't happen."

Yun Meng snorted and walked away.
