

King of kings

Chapter 2266

"No, it's you who is so good to me." Miss Mingyue looked at Omi with emotion.

"Cough." Omi awkwardly coughed and said, "Put this fetal pellet away."

Omi placed the Fetal Pill in Mingyue's hand.

"No, I won't take it."

"Don't be silly, if you don't take it, I won't dare to use it myself, or else what kind of person will I become, Tang someone."

"Then, I'll take it."

"That's right."

As soon as Ming Yue accepted it, she said, "What's that thing in your mouth?"

"Huh?" Omi was startled and didn't understand, but at that moment, Ming Yue suddenly shoved the birth pills into Omi's mouth, but it turned out that there wasn't anything in Omi's mouth, but Ming Yue deliberately tricked him into opening his lips and then took the opportunity to shove the birth pills into Omi's mouth.

"You." Omi was about to protrude the fetal pellet.

But at that moment, Ming Yue suddenly pounced on Omi and kissed him. One second to remember to read the book

Omi was shocked, his eyes wide open, incredulous, and was forcefully kissed again.

A kiss to Omi's Ming Yue, to Omi's mouth a breath of air, originally in Tang's mouth of the fetal pills, a moment into the abdomen, once into the abdomen turned into a clear stream, at this point want to spit it out again, is no longer possible.

Only then did Ming Yue let go of Omi, blushing and lowering her head.

Omi sighed, "Why are you suffering, this is good, I can't even give it to you if I want to. Besides, I've taken advantage of you."

Ming Yue said softly, "This is my first kiss."

"Ew." Omi was startled, this girl was too casual.

"Why are you so stupid."

"I do, Omi, actually, I like you."

"I know you like me." Omi said unsurprisingly.

"Ah, how do you know."

"Because there's hardly any beautiful woman who has ever met me who doesn't like me."

"Oh." Akatsuki rolled his eyes.

"Omi, so what now?" Akatsuki asked.

"What about what?"

"I've already given you my first kiss, what to do."

"I don't know about that, I wouldn't mind marrying one more, just in case your family doesn't like it, hahaha. Well, let me put some medicine on you."

"Ah, this."

"What? You don't even mind giving me your first kiss, do you mind if I see that ass of yours, and it's a busted ass, if you don't want to, I'm not interested in seeing it."

"How so."

Omi pulled down Miss Mingyue's clothing to reveal the bloody place.

"Your father is so cruel."

"I don't blame my father, after all, that Fetal Pill is really rare, even my family doesn't have many chances to obtain it in a hundred million years."

"It's so rare."

Omi chatted with Mingyue as he applied the medicine, but of course, even though Mingyue's ass was bloodied from the spanking, it still couldn't hide her s*xxy curves.

After the drugging, Omi left shortly afterwards.

He didn't know anything about his relationship with Ming Yue, so let's just take it one step at a time, even if Omi did go out with Ming Yue, her family wouldn't agree. Now the entire Immortal World knew that Omi had married Ding Cang Dome's daughter and granddaughter, of course, no one said it was abnormal for a man in the Immortal World to marry a hundred wives.

That evening, Omi arrived at the Northern Immortal Gate and waited for about ten minutes before the fairy who had come to invite Omi in the morning appeared.

"Mr. Tang, here."

"Fairy sister."

&n

bsp; "Mr. Tang, please come with me, my master is waiting for you."

Omi smiled, "It must be the emperor who wants to invite me to dinner."

Omi had waited for so long and finally the fairy emperor was looking for him.

That fairy said, "You've misunderstood, my master is not an immortal emperor, you'll know when you arrive."

Under the leadership of that fairy maiden, he soon arrived at the Yao Pond.

At this moment, in a pavilion in the yao pond, a colorfully clothed woman was waiting there, that colorfully clothed woman's demeanor looked very charming and noble, only, the appearance wasn't ugly, but it wasn't very beautiful either, the figure was fine.

Entering the pavilion, the fairy was busy saying, "Mr. Tang, not yet paying a visit to my master, the Fourth Princess."

"Ah, the Fourth Princess?"

"Yes, the Fourth Princess is the fourth daughter of the Immortal Emperor."

"Fuck." Omi cursed inside, this Fourth Princess, looking at her demeanor, she definitely wasn't much of a serious woman.

That fourth princess looked at Omi and smiled slightly, then waved her hand, "Yongqing, you stand down."

"Yes, Fourth Princess."

In the quiet yaoi, only Omi and that Fourth Princess remained.

"Micro Immortal Omi, pay your respects to the Fourth Princess." Omi bowed.

The Fourth Princess said, "Omi, no need to be polite, get up."

"Fourth Princess, I didn't know you were looking for me?"

"I've asked you to come here, naturally I have something to do, I wonder if little brother Tang, would you like to accompany this princess to drink a glass of wine."

"Of course, it's just that, how can I, a Heavenly Soldier, be worthy of drinking with the princess."

"Little Brother Tang is courteous, come on, first drink a glass of wine with this princess, then you can go to the Heavenly Pond to wash and send it to my Secret Pavilion."

"Ah, I didn't understand?"

The Fourth Princess said, "Omi, why are you so silly, do you want me to say it a little more bluntly? Alright, no more wine, you can go straight to the Sky Pond."

"This."

The Fourth Princess shouted, "Yongqing."

“Subordinate is here.”

“Take Omi to the Heavenly Pond for a bath, then send him to my secret pavilion.”

“Yes, Princess.”

Before Omi could react, that Fourth Princess disappeared.

That fairy said, “Mr. Tang, come with me to the Heavenly Pond.”

“Wait, what the hell is this trying to do?”

“You’re silly.”

“I really don’t know, Sister Fairy, I thought you invited me over for dinner?”

“Khan, dinner that’s just a superficial cover up, do I have to say that the fourth princess wants to visit you so bluntly.”

“What, what did you say? Prosper me?”

“Yes, Omi, you are so lucky to be favored by the Fourth Princess, normally, a genius as lowly as you, the Fourth Princess would not spoil her body, you can definitely make the Fourth Princess happy later, it’s not in vain that the Fourth Princess is gracious to you.”

Omi laughed, what is this.

Omi said, “Sister Fairy, may I refuse?”

“Refused? Omi, you’re crazy, now at this time you’re telling me no, do you know how lucky you are to be chosen by the Fourth Princess?”

“I don’t want this luck.”

“Omi, if you dare to disgrace the Fourth Princess’s reputation again, you’re not welcome, you’ve already accepted the eleventh grade tire pills given to you by the Fourth Princess, and now you’re telling me no, don’t you want to hang around?”

“This.”

“Omi, if you’re not afraid that the entire Ding family will perish, then be good and go with me to the Heavenly Pond to take a bath, then go to the Fourth Princess’s secret chamber.”
