

## Chapter 521

“Ah, no way.”Liona was shocked.

“Oh, it’s just an Inner Gate Great Success, nothing to be surprised about.”

“Is that Viewpoint really that powerful?”

“Yes, that’s just my copy, if it’s a real diagram, I’m afraid it wouldn’t even take a few days to be able to break through.Xiang’er, in seven days, you’ll enter the World Village for the second time, and if you can still enter the Forgotten City, you must go look for the observation diagram.”

“Good.”

“My goal is to impact the Houtian realm after coming out of the World Village for the second time.”

“Wow, Houtian.”Liona said with eyes full of envy, in this world, Houtian is definitely not weak anymore, in the Yanhuang Empire, any family, Houtian realm is now the status of an elder.Even in the Martial Academy, students who reached the Houtian realm were able to be rated as supreme students and granted a villa, just like that Tang Zhenghao, who was a third year student.If Omi reached Houtian in the first year, it would be absolutely sensational.

The first thing you need to do is to take a look at the newest addition to your own website.

Xu Mei Qian was shocked and delighted to learn that Omi had stepped into the inner circle.

The next day, Omi came to the Saber Technique Department, and the teacher found out about him stepping into the Inner Door Perfection.

The teacher was simply stunned and suspected Omi of being a pervert. Remember the website .kanshu8. net

Soon, this news was reported out by the Genius Restaurant Special Report, completely shocking everyone.

Omi, who had only been enrolled in school for less than three months, had broken through to the Inner Gate Great Perfection, an appalling event that even the Island Protection Family had rarely seen in decades.

There were even more students who worshipped Omi at Martial Forest Academy, and he seemed to have become the dream lover of girls throughout Martial Forest Academy, including many third year ones.

At this moment, somewhere in the Martial Forest Academy, two girls were walking together, one of them was still very pretty, and it was the third year's courtyard flower, Murong Guoguo.

“Guoguo, just now many people are spreading the rumor that Omi has broken through to the Inner Gate Great Perfection.”

“Ah, that's impossible.”Murong Guoguo was shocked, when Omi broke through to Inner Gate Perfection twenty days ago, she couldn't help but praise Omi, because of this, Tang Zhenghao even got angry with her. But it had only been twenty days, and to hear the news that Omi had broken through to Inner Gate Perfection, it was too shocking.

“What's the point of lying to you, there's no way the academy would spread this around. Guo Guo, Omi, this younger brother, is really so genius, I really want to get to know him, if I know a younger brother who is such a genius, it will only be good for us and for the family, there is no harm.”

“Oh my god.”Murong Guoguo trembled in shock.

“Guoguo, we’re both third year students ah, we feel so ashamed in front of this Omi, we’re in our third year, and we’re only at the Inner Gate Grand Perfection, while Omi, in his first year, is already at the Inner Gate Grand Perfection. At this rate, I’m sure he’ll enter the Houtian when he’s in the second year, and at that time, he’ll be rewarded with a villa to live in, just like your fiancé, who was awarded as a supreme student. Your fiancé, Tang Zhenghao, was only rated as a supreme student at the beginning of the third year, but he, he has the chance to reach it in the second year, it’s terrifying.”

Murong Guoguo nodded, there was no doubt that the Omi of today was no longer the Omi of that year, now, Murong Guoguo was all but worshipping in front of Omi, and no longer had the capital to despise or be proud of him.

“Guoguo, I really want to meet Tang Zi

Minister, can you introduce me to them.” The girl who was walking with Murong Guo Guo said.

“Nerve, you’re looking for the wrong person for me.” Murong Guoguo gave her a blank look.

“How could it be, Omi is from the Tang family, and your fiancé, Tang Zhenghao, is also from the Tang family, and then again, you’re a bit involved with Omi. For the sake of us being good sisters, just introduce us, really, Omi is such a genius, I’m afraid that nowadays the entire Martial Arts Academy, too many students want to suck up to him and get to know him, if you don’t have an acquaintance to introduce you, you probably don’t want to get to know him.”

Murong Guoguo was busy shaking her head, “I don’t count as an acquaintance of his, you’ve got the wrong person.”

“Guoguo, don’t be so stingy, just take me to get to know this future strong man. I’ve heard that Omi even peeked at you in the shower before, how can you not be an acquaintance.”

Murong Guoguo couldn't resist this best friend and finally agreed helplessly.

Omi was currently in the Saber Department classroom, slowly practicing his martial arts, his movements were very, very slow, and he looked as if he was playing Tai Chi slowly.

"Brother Omi, drink some water." A student handed over a bottle of water.

"Thanks." Omi said.

Soon after, another student said, "Brother Tang, drink some water."

Omi smiled and said, "Thank you."

Not long after, another student walked in with two bottles of water, drank one for himself, and handed the other to Omi, saying, "Senior Omi, have a sip of water."

"Thanks."

Omi looked at the corner and put a pile of water, they could all open a drink shop.

However, the classmate was kind, Omi could not say no, so he took it, not expecting that the more he received, the more he received.

At this time, Chu Yiyun also came over, pretending that he had no intention of doing so, and was drinking a bottle of water in his own hand.

“Omi, I just happened to buy an extra bottle of water for you.” Chu Yiyun said, her mouth saying that she just happened to have accidentally bought an extra bottle, but in fact, it wasn’t just right at all, but she had purposely bought an extra bottle.

“Thanks.” Omi smiled and took the water.

“What are you laughing at.”

Omi pointed to the corner beside him.

Chu Yiyun looked there and blushed in embarrassment, but it turned out that Omi had already received more than twenty bottles of water, meaning that there were no less than twenty students who, like her, had ‘accidentally’ bought an extra bottle of water.

“Hahaha.” Omi burst out laughing when he saw how embarrassed Chu Yiyun was after discovering the truth.

Chu Yiyun glared at Omi, but she suddenly realized that this glare she had just made seemed a bit ambiguous, and Chu Yiyun immediately sobered up.

At this time, Teacher Guo Chi from the Blade Department’s class came up and said, “Omi, it’s been hard practicing martial arts, come, I brought an extra bottle of water for you to drink.”

“Hahaha.” Chu Yiyun couldn’t help but laugh out loud.

Guo Chi reprimanded Chu Yiyun, “Chu Yiyun, what are you laughing at, do you think I’m sucking up to Omi? I’m accidentally bringing out an extra bottle of water, and I’m giving it to Omi by the way.”

Guo Chi, as a teacher of the Houtian realm, would definitely not be able to save face if he were to blatantly sticking up for his students, so he quickly explained, although in his heart, he did hold the intention of sticking up for them.

## Chapter 531

“Omi, they are all family members, no need to be polite.” That Tang family elder smiled and looked amiable.

The Tang family’s seventh elder said, “Omi, the last time I came to see you, you said you had to think about it some more before agreeing to return to the family, it’s been so long now, how well have you thought about it? This time, the elders and second elders came here personally, you should know how sincere the family is, right?”

“Uh.” Omi looked at the two old men he didn’t know, and it became clear in his heart that they were the Tang family’s elders and second elder.

“Oh.” Omi smiled.

Only, if they returned to the family, then wouldn’t the marriage with Qi Xueyun be valid.

Omi said, “Then, my marriage with Qi Xueyun can be withdrawn? If it can be retracted, I’ll agree, if not, then we’ll think about it again.”

The elder said, “There’s no need to consider it, we’ve already sent someone to return your marriage with the Qi family for you.”

“Ah.” Omi was stunned, not expecting it to be so quick, Omi saw that it was really withdrawn, and for some reason, suddenly felt a bit sorry for it, a bit sorry for Qi Xueyun.

“Ugh.” Omi sighed and said, “Then it’s agreed, go back, I, Omi, belong to the Tang family that is. Alright, you can go back at ease, don’t bother me again if there’s nothing wrong.”

The elder smiled, “Omi, welcome back to the family, tonight, at the Genius Restaurant, you must come to the banquet.”

“Alright.” Omi nodded his head, thinking it was just a reunion dinner, he didn’t think much of it and agreed. One second to remember to read the book

“Then you go to class first.”

The three Tang family elders left happily and immediately went to find Tang Zhenghao.

Tang Zhenghao was currently recovering from his injuries, along with Tang Zilan.

“Knock knock knock.”

Tang Zhenghao heard the door to his villa being knocked on.

“Guo Guo, go open the door.” Tang Zhenghao said in a bad mood.

“Oh, good.” Murong Guoguo went out to open the door, for the past few days, Murong Guoguo had been taking care of Tang Zhenghao, although they fought that day, but no matter what, they were engaged to be married, Murong Guoguo saw that Tang Zhenghao was defeated by Omi and was in an extremely depressed mood, so she forgave Tang Zhenghao for slapping her that day.

Murong Guoguo opened the door and was taken aback when she saw that it was the Tang family elder, the elder of any family was considered a big figure in the family, but he actually appeared here, it seemed like this was a serious matter.

“Grand Elder.”

“Guoguo, huh, is Zhenghao here?”

“In.”

The three elders of the Tang family walked in and saw Tang Zhenghao recovering from his injuries, as well as Tang Zilan, they couldn't help but wrinkle their brows, Omi had really done it too, it seemed like he really had a lot of resentment towards the family.

“Elder, you have to make decisions for me, sooooo.”Tang Zilan burst into tears and knelt in front of the three elders.

“Tang Zilan, don't say anything, we all know the matter.”The eldest elder said.

Tang Zhenghao was in a slightly better mood when he saw the elders personally handling the matter, the fact that the elders were personally involved showed how much importance they attached to him.

“Zhenghao, how are you doing?”

“Grand Elder, I'm fine, by the way, this time you personally came, are you going to severely punish Omi.Omi seduced Guo Guo and tarnished the family's reputation, this kind of person, even if he has strong talent, is still a bane to the family after all, I hope that the elder will deal with it impartially.”Tang Zhenghao said.

The elder sighed, Tang Zhenghao thought that he was here to do him justice, but the truth was, a matter that was cruel to him, the elder didn't know what to say for a moment, let alone

How Dao said.

For a long time, the second elder said, "Zhenghao, Zilan, you should rest first, remember to come to the Genius Restaurant at night, Omi will also come."

"Good." Tang Zhenghao was delighted, and he would deal with Omi at the Genius Restaurant at night.

Tang Zilan was also happy inside.

The three Tang family elders didn't say anything more and soon left first.

Not long after the three Tang family elders left, someone came knocking on the door again.

"Guoguo, open the door."

Murong Guoguo walked out, opened the door and was taken aback, it was the Murong family's elders, she never expected that even the elders of her family would come, how serious is this ah, the elders ah, usually do not leave the family easily.

"Grand Elder, why are you here." Murong Guoguo asked.

"Guoguo, come out here, there's something I want to talk to you about."

"Good."

Guoguo followed to a short distance away.

“Grand Elder, did you come to Martial Island specifically because of Omi’s beating of Tang Zhenghao?” Murong Guoguo asked, she clearly remembered when Omi peeked at her bathing, then her family was also very angry and came several elders. Today, it might be the same as back then again, and much worse.

But the Murong family elder asked, “Guoguo, how are you and Tang Zhenghao?”

“Fine.”

“I mean, are you and Don Jung-Ho, living together?”

“Ah.” Mugo blushed and nodded.

“Ugh.” The Murong family elder stomped his foot and grumbled somewhat, “Why are you in such a hurry, even if it’s your fiancé, you could have been in no such hurry, alas.”

“Elder, I don’t understand what you mean. Although I do live in Tang Zhenghao’s villa, but I just want to be more clean, no other meaning, Tang Zhenghao and I, still innocent, I didn’t even let him hold my hand, I told him that everything can only wait until after the big wedding. Tang Zhenghao is uncomfortable, but he doesn’t dare to force himself on me.”

“Haha, that’s good.” The elder of the Murong family laughed as he heard this, it really scared him to death, he was afraid that they would be disliked by Omi for having cooked over cooked rice.

“Alright, Guo Guo, come to the Genius Restaurant tonight, now I won’t say that much.”

“Oh.” Murong Guoguo nodded, how come they are going to the Genius Restaurant again, just now the Tang family elder also asked Tang Zhenghao to go to the Genius Restaurant.

“Then you can go back first.”

The Murong family elder went to one of the second year classes again, looking for another woman named Murong Shengnan from the Murong family.

Soon after, a woman with a shaved boy's head came out, and with a glance, she almost looked like a man.

The elder of the Murong family sighed, not knowing if that Tang Zhenghao would dislike it, he said in his heart, Shengnan you are also really, well shaved what boy's head.

Murong Shengnan, since childhood is a boy character, appearance will not be mentioned, because appearance and the word 'beauty', is not at all compatible, even with the word 'woman', are a bit incompatible, because, too much like a man.

Murong Shengnan came up with a rough voice and asked, “Grand Elder, how is it you.”

Murong family elder frowned, this speaking voice, won't it be gentle, at least not so coarse, sounds like a bit of a woman, right.

“Shengnan, come to the Genius Restaurant at night.”

“Ah, what is it?”

“Don’t ask so many questions, just come tonight.”

“Good.”

532

That night, Omi had wanted to take Liona and Xu Mei Qian to the Genius Restaurant, but Omi didn’t have much affection for the Tang family, and for a reunion dinner, there was no need to bring his own women there as well, as well as make a good relationship. Therefore, Omi went to the Genius Restaurant by himself.

At this moment, on the sixth floor of the Genius Restaurant, in a private room, Tang Zhenghao and Tang Zilan had arrived, and Murong Guoguo had also arrived together.

Apart from them, in the private room, there was also the Tang family’s elder Tang Qi Zheng, the second elder Tang Minglang, as well as the Murong family’s elder Murong Bo, and the tenth elder Murong Ke Yuan.

“Knock knock.” At this moment, there was a knock at the door of the box.

“Come in.”

A person walked in, everyone thought it was Omi, but it turned out not to be, but Murong Shengnan.

Murong Guoguo was surprised to see Murong Shengnan, how did she come here.

Tang Zhenghao hadn’t seen Murong Shengnan before, seeing that it was a stranger, he said, “This gentleman, you’ve come to the wrong place.”

When the two elders of the Murong family heard Tang Zhenghao say 'this gentleman', their eyebrows furrowed, Tang Zhenghao actually saw her as a boy.

Murong Guoguo was busy reminding, "She's not a girl."

"Uh." Tang Zhenghao was embarrassed. First URL m. kanshu8.net

Murong Shengnan said, "Great Elder, Ten Elders, I'm here."

Murong Bo said, "Shengnan, sit down, there's one more person to wait for."

"Oh."

Murong Shengnan took his seat, then looked at Tang Zhenghao, Tang Zhenghao had just called her sir, she didn't seem to be angry.

Tang Zhenghao said inwardly, "Damn, the Murong family even has a man-woman." Tang Zhenghao didn't know that this man-wife, was about to turn into his fiancée, or else he wouldn't have the heart to sneer at people here.

Everyone was relatively silent, no one spoke, the two elders of the Tang family, as well as the two elders of the Murong family, all felt a little awkward with each other, after all, what was about to happen wasn't very nice.

Murong Shengnan couldn't endure the silence of the scene, so he asked, "Elder, what is it? Have to wait for someone who?"

Murong Ke Yuan said, "Omi."

"Ah, Omi? You mean the super genius, Tang Zixin? My idol." Muiyoung Shengnan was shocked.

"Yes, that's him."

"So, what does it have to do with me?" Murong Shengnan asked, although she admired Omi, it didn't mean that Omi was related to her.

Murong Bo asked, "Shengnan, do you have a boyfriend at the Martial Arts Academy?"

"Uh, why does the elder ask that? Me, where do I have any boyfriend." Murong Shengnan said, there was half a sentence she didn't say later, everyone treats me like a man, what kind of boyfriend am I still looking for.

"It's good that you don't have a boyfriend, Shengnan, today's matter does have something to do with you, it's about your life's work."

Hearing this, Tang Zhenghao and Murong Guoguo both trembled, as if they had thought of something.

And Tang Zilan was straightforward and shocked, "No way, Omi is getting engaged to Murong Shengnan?"

"Pfft." Tang Zhenghao tried his best to control himself from laughing out, but, he still couldn't hold back a puff of laughter.

Tang Zhenghao looked at Murong Shengnan, his heart was violently happy, Omi was engaged to a man-woman, oh my god, this was too cool. The first thing you need to do is to think about the fact that you're going to be able to get your own personalized product.

, and felt sick to vomit out the next night's meal.

And Murong Guoguo looked at Murong Shengnan, could not believe it, Murong Shengnan was engaged to Omi.

I don't know why, Murong Guoguo inside a bit unconvinced, why feel unconvinced, she can't say, just feeling, she is much better than Murong Shengnan, but can't get such a good man. So, when Murong Guoguo got this news, there wasn't any gloating inside, it seemed like she was still a little jealous.

"Hahaha, hahaha." Tang Zilan already hated Omi, but right now he didn't care so much and let out a loud laugh.

The Tang family elder said, "Zilan, stop laughing, what's so funny."

Only then did Tang Zilan hold back from laughing, but the pleasure in his heart, not to mention, it was as if Omi had finally gotten his comeuppance.

Murong Shengnan's entire body was dumbfounded at this point.

After reacting, Murong Shengnan busily said, "Elder, don't, don't betroth me to Omi, Omi is my idol, I'm not worthy of him at all, I don't want to defile him, please. Even if you really want to marry with the Tang family, then you've found other sons and daughters of the Tang family ah, it's really not possible, Tang Zilan can ah."

Tang Zilan was still secretly laughing, but when she heard Murong Shengnan's words, she became angry, "Grass you, who wants to marry with you, a man-woman."

The elder of the Tang family reprimanded, "Zilan, don't be so unqualified, like what."

Murong Bo also said, "Alright, all don't talk, wait for Omi to come, it's not convenient to reveal it yet."

Tang Zilan was very angry and looked at Murong Shengnan and warned, "You speak a little more carefully."

Murong Shengnan said, "I don't want to tarnish my idol, if I really want to marry with your Tang family, I suggest following you."

"Grass you fucker still say." Tang Zilan's lungs were about to burst.

Tang Zhenghao held down the agitated Tang Zilan and advised, "Zilan, don't get excited, they are just saying it, it's not like they are really following you."

Tang Zilan raged, "It's not okay to talk, damn it."

At this time, Omi had already arrived at the downstairs of the Genius Restaurant.

Omi asked the waiter, and the waiter said it was on the sixth floor, room XX.

Omi flew up to the sixth floor.

"Knock knock."

"Come in."

Omi walked in.

Omi was a little surprised at the sight of so many people.

Tang Qi was busy saying, "Omi, sit down, let me introduce you, this is the Murong Family's elder, Murong Bo, this is the Murong Family's tenth elder, Murong Ke Yuan, I'm sure the others don't need to be introduced."

At this time, Tang Zilan snorted, "There's also a fiancée."

Omi looked at the woman who looked like a man-woman, but right now, this Murong Shengnan was full of uncomfortable faces.

Omi suddenly understood the meaning of Tang Zilan's words, fiancée? No wonder the Tang patriarch went to break off his marriage to Qi Xue Yun so quickly, it was because he wanted him to get engaged to someone else, it seems that this man-woman-like woman is his new fiancée, making it so formal today, with the two families sitting together, it must be this.

"Hahaha, hahaha." Omi burst out laughing, his laughter was filled with disdain, Omi was free to marry whomever he wanted in the future, he returned to the Tang family and reluctantly agreed, he didn't expect to actually get a fiancée for him, it was ridiculous.

At this time, Tang Zhenghao said, "Omi, this is the family's arrangement, don't make nonsense."

533

"Hmph." Omi snorted coldly and sat down, he wanted to see if the elder of the Tang family really dared to bring it up, if he did, Omi swore that he would have nothing to do with the Tang family from now on.

Murong Bo said, "Alright, everyone's here, so we can get down to business. That, Tang Qi Zheng, it's better for you to say it."

"No, no, no, it's better for you guys to talk about this yourselves." Tang Qi Zheng refused, perhaps he didn't know how to face Tang Zhenghao, so he didn't want to bring it up on his own side.

Murong Ke Yuan said, "No one dares to say it, so I'll say it."

Everyone looked at Murong Ke Yuan.

Murong Keyuan took a deep breath and said, "Tang Zhenghao and Murong Guoguo, they have been engaged for years, but after the unanimous decision of all the elders of our Murong Family, we want to replace Murong Guoguo's marriage partner in the Tang Family with Omi. Of course, we also know that this is very sorry to Tang Zhenghao, so to make it up to Tang Zhenghao, we have decided to send another woman from the Murong Family to marry Tang Zhenghao, and she is Murong Shengnan."

"What." Tang Zhenghao yelled and stood up, his face livid.

Murong Guoguo was also startled there, not to mention Tang Zilan, her mouth wide open.

Tang Zhenghao's eyes looked at the Tang family elder, as if he was asking him if it was true.

Tang Qi Zheng nodded and said, "Zhenghao, what he said is true, I hope you understand, you lost to the Inner Sect's Omi last time, which made many of the Murong Family's elders uncomfortable, that's why they requested that the marriage partner with Murong Guoguo be replaced with Omi."

"No, that's impossible." Tang Zhenghao slapped the table and yelled. Remember the URL .kanshu8.net

Omi's expression was a bit strange at the moment, originally Omi was so angry that if he dared to say that he was married to Murong Shengnan, he would announce his withdrawal from the family on the spot. However, I didn't expect things to take a drastic turn, but it was actually a case of switching Tang Zhenghao's fiancée to him, and Tang Zhenghao marrying Murong Shengnan, this was too dramatic.

Murong Shengnan said, "I don't have a problem with it, as long as it's not with Omi, I'll go with the family arrangement, Omi is my idol anyway, I don't want to tarnish Omi, everyone else, whether it's Tang Zhenghao or Tang Zilan, I'll accept it."

Tang Zilan was furious, "Grass you don't mention my name."

Tang Zilan was also very angry, but to give such a beautiful sister-in-law, to Omi, why would anything good be given to Omi.

Omi said to the furious Tang Zhenghao, "Tang Zhenghao, this is the family's arrangement, don't make a fool of yourself."

"I'm messing around your mother." Tang Zhenghao saw Omi's expression of gloating at him and became even more furious.

Omi was extremely unimpressed with this Tang Zhenghao, and had wanted to refuse on the spot, but Omi suddenly didn't want to refuse so quickly, it was fine to be angry with Tang Zhenghao.

Omi smiled at the Tang family's elder and said, "Elder, then, from this moment on, Murong Guo Guo is my fiancée?"

"Yes yes yes." The two elders of the Murong Clan were busy nodding their heads before anyone else.

“Hahaha, good.” Omi walked up to Murong Guoguo and took her hand, pulling her to a seat beside him.

Murong Guoguo was completely blinded at the moment, but it was as if there wasn't the slightest hint of resistance in her heart, but instead there was a bit of titillation, just now she thought that Murong Shengnan was married to Omi and was a bit disgruntled in her heart, but right now she was a bit titillated.

Tang Zhenghao saw his fiancée, being pulled by Omi's hand to sit down beside him, with red eyes

Yelling.

Tang Qi Zheng sighed, “Zhenghao, don't be like this, it's your destiny not to get it, so why bother, alas, you can't blame the family, after all, it's not the family that can unilaterally decide. If we don't agree to a replacement, then the Murong family will also choose to withdraw from the marriage, and you also won't get it.”

“Ahhhh.” Tang Zhenghao roared more than a little, as if what belonged to him was suddenly gone.

Tang Minglang, the second elder of the Tang family persuaded, “Zhenghao, regarding Murong Shengnan, if you're willing, you can marry her, if not, you don't have to, you can decide for yourself, of course, as a family, it's best to marry.”

“No way, I only want Guoguo, she's my woman, she's mine, ah ah ah, Omi, you fucking give it back to me, otherwise, I'm not done with you, I'll kill Liona.” Tang Zhenghao yelled at Omi.

Omi wanted to just about get it over with and reject the marriage on the spot, but, seeing Tang Zhenghao still threatening to kill Liona, his anger sprang up.

Omi snorted, “Tang Zhenghao, don’t challenge my bottom line, as for Murong Guoguo, she is already my fiancée.” Omi didn’t finish his sentence, and in front of Tang Zhenghao, he kissed Murong Guoguo on the lips.

“Ah.” Murong Guoguo’s body trembled.

Tang Zhenghao was trembling all over, his fists clenched, no one knew better than him that this was Murong Guoguo’s first kiss, and he originally wanted to get Murong Guoguo’s first kiss when he got married, but now, without it, this feeling was worse than death.

Omi didn’t know that this was Murong Guoguo’s first kiss, thought they had long since unknown how many times they had fucked, a kiss after a bit of regret, really dirty their lips, why bother with Tang Zhenghao this foolishness anger.

Omi wiped his lips, turned around and flew out of the window, not bothering to stay here, as for Murong Guoguo, he would retire, but not now, if Tang Zhenghao’s attitude is a little more sincere, even kneeling down to beg him, then, Omi will definitely retire on the spot, give it back to him is, who cares about his fiancée. Unfortunately, Tang Zhenghao actually threatened him, instead of begging him.

After Omi flew out of the window, the Murong family elder was busy saying, “Guoguo, from today onwards, your fiancé is no longer Tang Zhenghao, it’s Omi, so don’t hurry up and go after him.”

Murong Guoguo was somewhat uncomfortably startled.

“Hurry up.” Murong Bo bellowed.

“Oh.” Murong Guoguo seemed to be dizzy and headed for the window.

Tang Zhenghao shouted, “Guoguo, don’t, don’t leave me, don’t.”

Murong Guoguo bit her lips and said, "I'm sorry, Tang Zhenghao, I, I'll listen to the family's arrangement, you'll find a better one."

After saying that, Murong Guoguo flew out of the window and went after Omi.

"No." Tang Zhenghao tore up the sky and yelled, watching Murong Guoguo fly away, Tang Zhenghao thought that Murong Guoguo would resist just like him, the two of them would resist together, maybe there was still a chance to redeem themselves. However, Murong Guoguo didn't even resist, not only did she not resist, but even after he pleaded with her, she refused, saying that she listened to the family's arrangement.

The two Tang family elders sighed deeply, what a sin, but what can be done.

Murong Guo Guo went to chase after Omi and quickly caught up, mainly because Omi wasn't flying fast, just flying slowly to his dormitory.

"Why are you following me?" Omi looked back at Murong Guo Guo, just impulsively kissed her, now all feel regret, Tang Zhenghao kissed something, dirty, should have known that he should not be angry with him.

534

"My family elders sent me to chase you." Murong Guo Guo blushed and said.

"Don't follow me."

"Omi, am I, am I your fiancée now." Murong Guoguo asked, feeling a little emotional and still having trouble believing it was true.

“No.”

“Ah, but, you didn’t refuse just now and you kissed me, you didn’t just accept it very well.”

Omi said, “I didn’t refuse just now, but I just wanted to make Tang Zhenghao suffer a blow and make him beg me, as for kissing you, I regret it myself, heck, I have to go back and brush my teeth.”

“Why?” Murong Guoguo was a bit sad to hear Omi say that.

“There is no why, you just need to remember, I will never want Tang Zhenghao to play with leftovers, you understand, so don’t say it so clearly, so as not to say that I am discriminating against you, don’t follow me anymore.”

Omi accelerated and flew away, Murong Guo Guo didn’t catch up, there was a loss in his eyes, originally there was a hint of titillation inside. Omi was handsome and super talented, there was no reason for her to dislike him. She and Tang Zhenghao, didn’t have any real feelings for each other, but were just accepting the family’s arrangement, so it wasn’t sad at all to cancel her marriage with him now. However, with Omi, it was as if there was a bit more than just accepting the family arrangement, and now that Omi hadn’t cancelled the coupling yet, just stating his attitude, it felt a bit psychologically difficult.

Omi returned to his own dormitory and sighed deeply, Omi didn’t take this seriously, it was just a farce, Omi was free to marry whoever he wanted, this Murong Guoguo, he didn’t have any psychological pressure at all, he could go and retire whenever he wanted. The psychological pressure on Murong Guoguo was far less than that on Changsun Wu Yan, at least Omi was still more or less a little bit smitten with Changsun Wu Yan, and her adoration for Omi also made Omi somewhat guilty. And Murong Guoguo, huh, could retire at any time without any burden, so she didn’t take it seriously.

Right now, at the Martial Arts Academy, the Poison Arts Department. A second to remember to read the book

Qi Xueyun was studying poison arts.

These days, Qi Xueyun was working very hard to study poison arts, she didn't know why she was working so hard to learn, perhaps, it had something to do with a certain person. When she learned of a certain person, who had stepped into the Inner Gate Great Perfection and had defeated the Houtian Supreme Student, she subconsciously redoubled her efforts, as if, she wanted to be more worthy of someone. In the future, it was going to be given to a man's wife, he was so powerful, if she didn't try to make herself closer to him, she would definitely make people dislike her, so she was already working hard, but, became even harder, even though, she hadn't seen him for a long time, but, she was all in her heart.

Just at that moment, a man walked in.

“Yukun.” That man had a melancholy look on his face.

“Elder.” Qi Xue Yun turned back and saw that it was one of the family elders.

“Ugh.” That elder of the family sighed.

“What's wrong?”

“Rue Snow, I'll tell you something.”

“What is it?”

“The Don's family, they've backed out of the marriage.”

“Oh.” Qi Xueyun nodded with a calm face.

“Seeing that you look calm and don’t really care, I’m a little relieved, it’s okay, Xue Yun, your talent isn’t bad, in the future when you become a powerful poison master, you’ll find a great man.”

“Mm.” Qi Xueyun nodded again.

“Then

Okay, I’m going to go ahead and check on the other children of the family.”

“Good.”

After the elders of Qi Xue Yun’s family left, Qi Xue Yun was still there studying the poison art, but, unknowingly, two lines of tears flowed down her face....

These days, Martial Island was open to the public again, so there were many people from various families again at Martial Academy.

At Liona’s dormitory.

“Liona, someone is looking for you, downstairs.”

“Oh.” When Liona arrived downstairs, she saw several one man standing outside.

Liona trembled all over.

“Dad.”Liona ran up, Liona didn’t expect her dad to come to Martial Island, she hadn’t seen her dad for so long for the first time since she was a child.

“Xiang’er.”

“Dad.”

Father and daughter hugged each other, and Liona cried out, too surprised and excited.

“Xiang’er, don’t cry, daddy hasn’t seen you for so long, let me take a good look at you.”

Liu Chenming smiled and looked at his daughter, after being apart for so long, he felt that his daughter had changed a lot, at first glance it seemed as if she was not as weak as before.

“Dad, why did you think of coming to Martial Island.”Liona asked.

At that moment, a few men came up behind, and Liona took a look.

It was the elder of the Chu family, and without thinking about it, he must have wanted her to return to the family, and then he brought her dad.

“Oh.”Liu Chen Ming smiled helplessly, if the Chu family elders hadn’t found him, he might not have known that outsiders could go to Martial Island.

One of the Chu Family’s elders came up and said, “Xiang Yun, your father is also ready to return to the Chu Family and remarry with your mother.”

“Ah.”Liona looked at Liu Chenming incredulously.

Liu Chen Ming sighed as if he wanted to say something, but couldn't say it straight.

“Why?She abandoned us in the past, but now she's actually asking my father to remarry her.”Liona said looking at one of the elders of the Chu family.

That elder of the Chu family laughed, “Xiangyun, the past is all in the past, it was your mother and your grandparents who wronged your father and daughter in the past, not the Chu family, and what they did to you does not mean that it was the Chu family that did it to you.To be honest, I didn't even know that we, the Chu family, had a child named Liona out there before.”

“But I don't want to have anything to do with the Chu family anymore, so please don't bother us.”Liona said firmly.

“Xiangyun, I'm the elder of the Chu family, I've dropped everything in the family and have come here personally, isn't that enough weight and sincerity?The family owes you for the past, don't worry, the family will make it up to you.”

“I don't need to, I'm living a good life now, please leave.”Liona remained resolute.

The elder of the Chu family said, “Xiang Yun, even though you hate the family, you cannot deny that the bloodline in you was given to you by the Chu family.Nowadays, our Chu Family's talent is withering, and it is in dire need of some fresh blood, your boyfriend, Omi, he is bound to be a strong man in the future, making friends with strong people and prospering, don't you want the family to prosper?No matter what, it's still your family.If you return to the family, then with your relationship with Omi, you can definitely marry him very smoothly, and Omi can be considered half of our Chu family's son.Xiangyun, what will it take for you to be willing to come back to the family, your father, I all personally went to Linjiang City to invite him here.”

Liona looked at his dad with complicated eyes, the elder had even gone to her dad personally, face and sincerity were indeed given.

“I can’t answer you right now.”Liona said.

“There’s no rush, you guys take your time to think about it, anyway, just think about it, even if you don’t think about it for yourself, you still have to think about it for your dad, you can’t let your dad live at the bottom all the time, back to the family, naturally there’s family protection, at least you won’t be bullied by those irregularities and other forces.”

“Alright, you guys go ahead, I’ll tell you guys when I’ve thought about it.”

“Good.”

The Chu family’s elders left immediately.

“Dad, why did you promise them to go back to the Chu family ah, and remarry her.”Liona was busy grumbling to Liu Chenming.

“Xiang’er, I didn’t say I’d remarry your own mother ah, I’ve no feelings for her already, what’s the point of remarriage, it was the elders who forced your mother to ask for a you and me remarriage.”

“Ah, what to do then.”

“Xiang’er, don’t worry about this, it’s not the main problem, the key is you, do you want to go back to the Chu family, now the reason why the Chu family wants you back so badly is just because of Omi.”

Liona suddenly had a bright idea and said, "Dad, in that case, if I break up with Omi, then the elders of the Chu family will not want me to return to the Chu family anymore." First URL [m.kanshu8.net](http://m.kanshu8.net)

"I guess so, if it wasn't for Omi, why would the Chu Family Elders come to you personally. Let's leave it at that, let's go find Tzichen."

"Good."

Liona immediately took Liu Chenming with her and went to look for Omi.

Omi was in his dormitory, getting ready to take a shower before going to stay at Xu Mei Qian or Liona's dormitory.

"Knock knock."

Roommate Wang Xing opened the door.

"Liona, you're here, Omi is inside."

When Omi heard the voice and walked out of the room door, he was stunned to see Liu Chenming.

"Ah, Uncle Liu, what are you doing here."

"Hahaha, Tzichen, long time no see."

“Uncle Liu, please come in, you’re welcome.”

Liu Chenming and Liona sat down, and his roommate Su Jinhe was busy pouring water.

“Thank you.”

“Uncle Liu, when did you come, why didn’t you say anything when you came, I’ll pick you up ah.” Omi smiled.

“There’s no phone here, and I couldn’t find you ah, so I followed the Chu family’s elder and went to look for Xiang’er first.”

“The elder of the Chu family?” Omi’s eyebrows furrowed, how did so many elders come to the Martial Academy all of a sudden, he was just having dinner with the Murong Family Grand Elder, the Tang Family Grand Elder at the Genius Restaurant.

Liona pursed her lips, “He came specifically to find me, wanting me to return to the Chu family.”

“Oh, it’s a bit interesting that the Grand Elder personally came to find you back home.” Omi smiled, but actually Omi already knew why inside.

Liu Chenming said, “Omi, don’t laugh, the reason why the Chu Family Grand Elder would come looking for Xiang’er is naturally you, if Xiang’er returns to the Chu Family, then a marriage with you would be in order, otherwise, why would the Chu Family Grand Elder personally come. Right now Xiang’er is struggling with this.”

Omi said, “Xiangyun, you can do whatever is in your heart, you don’t need to think about it so much.”

“However, if I refuse, they will definitely come to me over and over again and will be annoyed with me, so I came up with an idea, I’ll pretend to break up with you so that they definitely won’t look for me again.”Liona said.

“Fine, let’s do that then.”Omi turned his head and asked Willow Chenming, “Willow

Uncle, you came from Linjiang City, that, how is Xuan’er?”

Liona was also busy saying, “Yes, Dad, how is Xuan’er she doing now.”

Liu Chenming smiled, “Don’t worry guys, she’s fine.”

“She’s still in school, I guess.”Liona said.

Willow Chenming shook her head, “No, she’s not in school most of the time, she’s considered a celebrity in Linjiang now.”

“Celebrity?What’s going on?”Omi was excited.

“She signed up for The Voice of Earth and made it to the top one hundred, when I came here, she was out of town for the top fifty competition, and everyone on the network said that she has a good chance of making it to the top ten.”

“Wow, Xuan’er is awesome.”Liona clapped her hands and smiled.

“Then she won’t be in danger, right?”Omi asked, Omi was a bit worried, after all, the face value was there.

“I don’t know about that, but I don’t think there should be any danger, because she has a strong man with her to protect her, and this strong man was sent by Dongyang County, the master of the Green Sun Gate.”

“Oh, I’m relieved about that. That Qing Yang Gate’s Gate Master, at any rate, is at the middle stage of the inner gate, the person he sent there is at the early stage of the inner gate anyway, right?” Omi nodded his head, it seemed that seeing that Green Sun Gate Master was quite capable of doing things, taking this Gate Master as his junior brother at that time was a correct choice. Simran was living inside the city, it wasn’t too dangerous to have a strong person from the inner sect to protect her.

After that, Omi and Liu Chenming continued to chat for half an hour, then Omi arranged for him to sleep in his room, and Liu Chenming asked Omi, “Where are you going to sleep then?”

Without blushing, Omi replied, “I’m going to sleep in Xiang’er’s dormitory.”

“Ah.” Liu Chen Ming was stunned.

And Liona blushed all over.

“Oh, well, then I’ll stay in your room, you guys go ahead.”

“Okay, good night.” Omi and Liona flew out of the dormitory together.

Liona gushed, “That’s great, my dad must know everything.”

“Uh, know what?”

“Knowing that we’ve already had sex.” Liona was very ashamed.

“Haha, just know, it’s not a natural thing, okay, nothing to be embarrassed about.”

Liona was still blushing.

Not long after she left, Liona suddenly said, “Omi, look, those two in front are the Chu family’s elder and the other elder.”

“Uh, so strong.” Omi didn’t expect to run into the Chu family elders, but they didn’t seem to see Omi and Liona.

Liona said, “Omi, since it’s so strong to run into each other, let’s put on a show.”

“Fine.” Omi knew what to act.

On the path not far away outside the Academy Hotel, the Chu Family Elder and another Thirteen Elders were walking slowly and slowly.

Suddenly, the thirteen elders said, “Hey, Grand Elder, isn’t that Liona?”

“Seems like it.”

“Is the one in front of her the legendary Don?”

“Go up and say hello.” The elder of the Chu family said.

But at that moment, they suddenly saw that Omi pushed Liona hard and said, "Liona, we've broken up, so don't pester me anymore, okay?"

Liona cried, "Omi, you're not human, you were with me when you were weak in Linjiang City, and now you've played me all over and abandoned me."

536

The Chu patriarch, who had wanted to go up to greet him, stopped for a moment.

"What's going on."

"Oh my god, it seems like, Omi and Liona have a conflict, don't go up yet, let's see."

Omi sneered, "Liona, what kind of beauty would I want now that there will be none, there are plenty of people whose talent is stronger than yours, whose strength is higher than yours, and whose appearance is prettier than yours. Let's get together and break up, why should we get entangled, break up peacefully, we are still friends."

"Omi, you're not a human being, woohoo."

"Liona, why bother, with your looks, you will find a good one, sorry, I already like other women, don't bother me in the future." Omi said he wanted to leave, Liona hugged him and cried, "Don't go, I really can't leave you, I can't live without you, please give me another chance, what's wrong with you, I will change, don't leave me, ooooooh."

Omi plucked away Liona's hand holding him, pushed Liona to the ground and said, "Liona, don't trample yourself okay, can't we leave each other a good memory, do you have to make it so unpleasant? You should know I could have chosen a better woman with the talent I have now, and besides, I'm tired of being with you, it's not fresh, so, sorry."

“You bastard, woohoo.”Liona sat on the floor crying, and Omi flew off mercilessly.

Omi looked back at Liona, seeing her crying so sadly, Omi’s heart ached, this silly girl’s acting skills are too strong.

The first thing you need to do is to take a look at this.

The head of the Chu family, who was watching in the darkness, is now foolish. Remember the website .kanshu8.net

“Elder, this?”

“Alas, I didn’t expect Omi to be such a person who likes the new and hates the old.”The Grand Elder raged.

“Grand Elder, I told you, Omi’s talent is so strong, their relationship can’t stand the test, there are several couples that are weak and still together when one side is strong.Omi he now what kind of beauty will find no, what I expected to happen, it really happened.”

“What a waste of my strength.”The Chu family elder snorted in anger, and came here personally....

“I told you, you didn’t have to get there at all, did you?”

“Go up and see her.”The Chu family elder walked up.

Liona, who was crying, was startled.

Liona wiped her tears, climbed up and left.

“Wait a minute.”The elder of the Chu family shouted.

“What’s the matter, came to see me joke.”Liona said.

“You’re too much of a loser, you can’t even catch a good talent.It’s just that it’s useless to say anything.”

“You guys go away, there’s no way I’m going back to the Chu family, and I’m already worthless, aren’t I.”

The elder of the Chu family was impatient, “Come on, I haven’t complained about you being indiscreet, but you’re downright sarcastic over here.”

“What do you want.”

The elder of the Chu family glared at Liona in anger and said, “Liona, you’re at least an outer gate, even without Omi, you’re not worthless, and you might still have the potential to step into the inner gate or even the Houtian in the future.Therefore, it’s impossible for you not to return to the family.I now order you to return to the family, since you have broken up with Omi.

, then there is no need for me to discuss with you gently, I am now ordering you, not discussing with you, nor do I need to discuss with you, give me back to the family.”After saying that, the two Chu family elders walked away, seemingly in a bad mood.

Liona was stunned there, not knowing what they meant.

“I’ve already broken up with Omi, why are you forcing me to return to the family? Does the Chu family even lack children of my level.”Liona shouted.

The elder of the Chu family said without turning back, “You think you have a choice? Unless you scrap your martial arts skills, you’ll have to go back to your family, I’m not in the mood to talk to you calmly right now, so don’t make me angry.”

Liona was depressed.

After the Chu patriarch left, Omi flew up.

“How’s it going? What’s the attitude of the Chu patriarch?” Omi was busy asking.

“I don’t know, seeing that you broke up with me, their attitude towards me immediately changed, their tone is fierce as hell, they still want me to return to the family, and it’s the tone of an order, it’s no longer the tone of pleading with me, if I don’t agree, I’m afraid that I’ll be tied back, I really don’t know what they’re trying to do.”

“It seems that whether I am with you or not, that only determines their attitude towards you and your position in the Chu family. It’s easy to understand, you’re at least a martial arts practitioner, an outer gate, and a student accepted into the Martial Arts Academy, there’s no way they don’t want you like trash, and there’s no way you’re worthless, their Chu family, and a large number of their children can’t even get into the Martial Arts Academy, so how could you be worthless. Besides, with your appearance, when you return to the family, you can also marry a powerful person in the future, the Chu family’s elders are not stupid.”

“So that’s how it is, then it’s really redundant for us to act out this drama,”Liona said, then glared at Omi and said, “You’ve just been so cruel to treat me like this, huh?”Liona feigned anger with a huff.

“Haha, I’ve said acting, but you’re still so into it, and you’re really crying so hard, you’re so stupid you’re blaming others.”

“Will you really do this to me in the future?And then really say such cruel things to me?”Liona looked at Omi with sadness in her eyes.

“Don’t be silly, I was afraid that you would abandon me.”

At this moment, the elder of the Chu family, who had returned to the college hotel, said, “Let’s split it up, with Liona’s face value, it’s not difficult to find a very promising genius, so go back and search for one.”

“Grand Elder, but she may not be willing to return to the family.”

“Since she’s no longer related to Omi, how can she decide, if she doesn’t go back, arrest her too, she has the Chu family’s blood flowing through her body, it’s only right and proper to arrest her back.”

“Also, it’s only right and proper.”

The next day, most of the outsiders left Martial Forest Island one after another, and there was a limit to how long Martial Forest Island was open to the public.

Likewise, it was time for the Martial Forest Academy to enter the World Village for the second time to practice.

The second time to enter the World Village was also for twenty days, and after this time, this semester also meant the end of the year, summer vacation, and Omi couldn’t wait to go home to see Xuan’er.

However, Omi's goal was still clear, this time when the world village came out, he would definitely step into the Houtian, definitely.

If it was even this difficult to rush up to the Houtian, then it would become incredibly difficult for him to step into the Innate within two years, because the Houtian realm was far more than a hundred times harder than the Inner Gate.

537

"This time, we must step into the inner gate ah." Omi said inwardly.

Soon, Omi and the others arrived at the northern entrance of the World Village.

"Fellow students, this time it's still the same as last time, the place to practice is Forgotten City." A vice president said.

"Alright, let's all jump down by ourselves."

This time everyone was experienced, and no one doubted that jumping into the well would be dangerous anymore, so everyone just jumped in.

Omi was no longer the first to jump into the well this time.

Still the same as last time, I don't know how long it took for Omi to open his eyes.

The last time he opened his eyes, he woke up in a hearth, and he didn't know where he was waking up this time.

Omi took stock of his surroundings, several people were around him and shouted, "Get up, loser."

"You're a useless piece of trash, get up yet."

"Go to hell, trash." A second to remember to read the book

At that moment, a big foot kicked hard into Omi's stomach.

Omi subconsciously rolled over and dodged the kick.

"Yoho, you can even dodge it." A sarcastic voice came out.

Omi looked towards the man, he was the one who had just kicked him, and right now, the man was standing in front of a woman who was tied to a tree trunk and was now looking at Omi and crying, his mouth shouted, "Curtain Neng, you have to run away, ooooooh, they will kill you."

Omi was a bit confused, the last time he woke up in the spirit hall, what happened this time, he woke up to a group of people beating him up, and there was also a woman who appeared to be his wife tied up.

Omi took a deep breath and took a sweeping glance, the situation was probably clear. Looking at the people who were beating him up, there were five of them, all five of them seemed to be very strong, at least they were at least Inner Door Perfection, and one of them, the one who just kicked him, was at least Inner Door Perfection.

What a guy, as soon as he entered Oblivion City, there were so many strong people beating around Omi, this was exactly what Omi wanted.

Right now, the woman who was tied under the tree was crying out for Omi to run away and leave her alone.

Omi looked at the woman tied under the tree, she was quite pretty, clear and gorgeous, and didn't know if these people wanted to steal his 'wife'.

After Omi probably understood, he snorted at the five men, "Looking for death."

The five people looked at each other inexplicably, they couldn't understand why this middle stage Inner Gate called 'Curtain Energy' suddenly had such a strange look in his eyes.

"Swoosh." Just as they were confused, a human head fell down.

Omi instantly chopped off a head.

"Ah." The remaining four people were stupid enough to kill someone.

"Swoosh." Just as they were dumbfounded, three more heads fell down.

So far, those four, who were probably of perfect internal strength, had all had their heads cut off by Omi.

"Ah." That 'wife' tied to the tree was also dumbfounded, what strength her man had, she knew, there was absolutely no way she could beat these five people, even the weakest one was much stronger than her man. Of course, it couldn't be said that the man, at the moment, was still considered a lover, because she was still on her way to elope with 'Omi', and hadn't even left the city yet, when she was caught up by the people her father had sent, namely the five people in front of her.

However, in the blink of an eye, like her lover boy had taken a golden gun pill, he had killed four of them, and the strongest one was still left.

“You, you,

Why have you suddenly become stronger?”The remaining one asked in shock, incredulous.

Omi snorted, “If you dare to touch my wife, you’ll end up like them.”

“Hmph, your wife?You trash, also match the word wife, our lady is the most favored daughter of the city lord and the fiancée of Miaotian Feng, what kind of thing are you, how dare you seduce the lady and try to hijack her.”

At this time, the woman tied under the tree shouted, “No, it’s not curtain can abduct me, I’m the one who willingly went with him, let him go.”

“Miss, the lord of the city has given orders to kill without pardon.”The man’s eyes chilled, then he looked at the four dead men on the ground.

“Curtain Neng, you’re going to die.”

“Shoo.”The other side killed with a sword.

“Buzzing.”Omi felt his ears buzzing, the other party’s sword, with a strong tremor, buzzed like a bee, affecting Omi’s visual nerves, Omi felt, his eyes were a bit confused, the other party’s sword turned misty.

“Chi.”In the next moment, Omi felt a pain in his arm.

“Ah.”

Omi flinched back with a Ghost Wheel Duel, and his hand touched his arm, and sure enough, there was blood all over his arm.

Omi was hit by the sword in one move, and his arm was stabbed, but it wasn't serious.

Omi looked at his opponent in shock.

This Ancient Era's people, they were all very strong and talented, about which Omi knew from his last visit.

Therefore, this man in front of him, who was also approximately an Inner Gate Great Perfection, was so strong.

Omi, who was known as the most talented person in the history of the Martial Academy, was no match for this man.

“Curtain Neng, run away, you're no match for him, leave me alone, run away.”The woman tied under the tree cried out.

“He's going to kill you.”

Omi jumped on both feet and killed up again, Omi didn't believe that someone who was almost in the same realm would be so invincible.

“Swoosh swoosh.”Omi wielded his sword, the sword whistle emitting a dragon roar.

“Descending Dragon Sword Technique.”

“Buzz.” At that moment, the man came with another sword attack, also buzzing, and Omi turned dazzled as he looked at his sword.

“Ah.” After barely seven or eight strokes against him, Omi was stabbed in the chest again.

Omi was really horrified, oh my god, people in this era were really strong.

At this moment, in one of the alleys of Oblivion City, an old woman came directly to a house, and in the courtyard of that house, she dug out a wooden box, which was precisely the Taiyao Guiding Image, and this old woman was precisely ‘Xu Mei Qian’.

As soon as Xu Mei Qian entered Oblivion City, she went straight to this place, and not long after, another woman rushed in outside the door, around thirty years old, dressed as a Taoist nun.

They stared at each other relatively speechlessly, then the woman dressed as a Taoist nun asked carefully, “Mei Qian?”

“Xiangyun.” That old woman smiled.

“Haha, it’s really you, Sister Mei Qian, how did you turn into an old woman.”

“Xiangyun, last time you were the city lord’s favorite daughter, how come you’ve turned into a Daoist nun this time too.”

The two of them teased, a Daoist nun and an old woman, but their souls were that of Liona and Xu Mei Qian, who had both come straight here to look for the Taixian Guiding Diagram that Omi had said they were looking for.

538

“Did you find the view map?”

“Found it, here’s the view map.” Xu Mei Qian opened the box she had dug out and took out an old Tai Sui Guessing Chart. This Taiyao Guessing Chart was exactly what was obtained by Omi last time.

Of course, some people might be confused, wasn’t this Guessing Chart taken by Omi? Why are you still here?

Remember, this wasn’t a real world, this was just an ancient history recorded with a memory stone, equivalent to a ‘video’ taken tens of billions of years ago, and the video was twenty days long. Omi and the others were just consciousness entering the ‘video’.

That was why Xu Mei Qian and Liona and the others had turned into old women and nuns.

In other words, Omi was very depressed at the moment, his arm and chest were injured.

Obviously, Omi was no match for this person in front of him, although everyone seemed to be equally accomplished at the Inner Gate.

Omi said inwardly, “It seems that I must use my strongest strength.”

Omi’s strongest power was the Blades and Swords combination.

“The Killing God Saber Technique.”

“Descending Dragon Sword Technique.” First URL [m.kanshu8.net](http://m.kanshu8.net)

Saber and Sword Combination.

Omi immediately displayed a combined blade and sword, with one hand and the other, the sword was picked up from the ground.

At this moment, the other party’s face changed, as if sensing that Omi had become stronger all of a sudden.

“Buzz.”The man also punched out his sword.

Each time the sword came out, it would emit a buzz like a bee.

This buzzing sound caused Omi to see his sword dazzle as if millions of swords were in front of him, and then there was no way to resist.

Omi had already injured his arm and chest, but fortunately it wasn’t a serious problem, it was all thanks to Omi’s Ghost Wheel Duel, otherwise the sword would have already gone through the chest.

“Dang dang dang.”

A burst of golden iron sounds were emitted.

The two of them were fighting most directly.

After Omi's two swords were combined, his attacks and defenses reached an airtight level, so he didn't fall into a disadvantage for a while.

However, the opponent's sword wasn't a vegetarian, it was strong, and Omi felt like he was going to be pierced by his sword at all times.

The last time Omi faced Tang Zhenghao, he didn't feel this kind of pressure either.

This, was the opponent.

At this moment, the city lord's daughter, who was tied under the tree, was also stunned that her lover boy, who had suddenly become so strong, was able to fight against the first guard under her father's hand.

She couldn't seem to believe that this lover boy in front of her was both familiar and strange at the same time.

However, Omi was defeated after all.

Because Omi's swords were too fast for his heart calculation, his spirit quickly tired, and his opponent's swordsmanship was brilliant, Omi could not attack for a long time.

Moreover, Omi was completely unable to find the opportunity to cast the Yin-Yang Finger.

"It's just a matter of time." Omi knew that he really couldn't win against this person, and now if he didn't withdraw quickly, he would probably be killed, and the result of the kill would be that Omi's consciousness would exit Oblivion City, and then end this adventure early, all for nothing.

Omi made his decision right then and there, withdrawing first, it wasn't worth the risk.

Omi shouted, "I will definitely come back again, wait for me."

After saying that, Omi performed the Ghost Wheel Determination and disappeared into the spot, then showed up a dozen meters away.

"Trying to run, no way."

The man chased after Omi.

Unfortunately, Omi cast the Ghost Wheel Duel a few times and disappeared.

Omi didn't know how many streets he had circled and finally came to a street.

"Phew, that battle just now was really the first time I tried to lose a battle, but it's pretty cool, that's what I want. When I'm ready again, I'll definitely go to the City Hall again to challenge that person and then defeat him, only by fighting again and again like this can I step into the Houtian realm faster. This Oblivion City adventure, I'm going to step into the Inner Gate in one place."

Omi was walking down the street when Omi realized that many women around him were aiming at him.

"Hm? Why are so many women staring at me? A return rate this high?" Omi looked puzzled.

Omi didn't care so much, as he passed by a street side shop that sold brass mirrors, Omi looked into the mirror and realized that he was a super handsome guy.

“I go, this body is actually a super handsome guy, no wonder I just walked down the street, the turnout is so high, it’s really quite handsome, more handsome than my own appearance Omi.No wonder that city lord’s daughter, she eloped with this guy, it’s all because of looks.”Omi smiled bitterly, I’m sure that in the real history of the ancient times, this man who eloped with the city lord’s daughter had already been killed by the people sent to capture him.

“I don’t know if Xiang’er and Mei Qian have gone to look for the Taiyang Guiding Image, but let’s just say, I’ll go check it out.”

Omi immediately went straight to the place where the Taiyang Guiding Diagram was buried.

At this moment, Liona and Xu Mei Qian, were sitting in that courtyard, looking at the Taixian Guessing Chart together, as if they had forgotten the time and place.

“Who are you guys?What are you guys holding.”An old man walks in from outside the house, this old man is the master and grandson who live here, and this Taiyang Guanyin is the treasure passed down from his ancestors.

Xu Mei Qian and Liona were awakened.

“Ah, the Taiyang Guanyue Diagram, a treasure passed down from my ancestors.”

“Give it back to me.”The old man pounced on it and grabbed it.

Xu Mei Qian said, “Old grandpa, lend us the view and we’ll give it back to you.”

At that moment, the old grandfather fell to the ground and was slapped unconscious.

Omi emerged behind him, and it was Omi who knocked out the old man.

“You are?” When Xu Mei Qian saw this handsome looking man in front of her, she was confused, of course she couldn’t recognize this was Omi, Omi looked at an old woman and a young Daoist nun in front of him and couldn’t guess which one was Liona and which one was Xu Mei Qian.

At this moment, however, when Liona saw Omi, she was surprised, “Isn’t this the lover who eloped with the city lord’s daughter?”

Liona was surprised to see the lover who had eloped with ‘her’ the last time she came to Oblivion City. The last time she entered Oblivion City, Liona possessed the City Lord’s daughter and was tied to a tree as soon as she came in, and then a few people sent by the City Lord beat up a very beautiful looking man, the very beautiful looking man, Omi at the moment.

Omi didn’t have a good mood, “I’m your husband, Omi.”

“Ah, Omi, it really is you, why are you such a handsome handsome man this time.” Xu Mei Qian smiled.

Omi looked at that Daoist nun and said, “Xiang’er, it really seems to be you, when I first entered Oblivion City, I was beaten up by several people as soon as I woke up, and a woman who called herself my ‘woman’ was tied to a tree trunk. I later learned from their conversation that it turned out to be the city lord’s favorite daughter, and at that time I suspected that it couldn’t be the same identity you had when you entered Oblivion last time. Now, as it turns out, it is, and you’ve recognized this body of mine.”

539

Liona also said unexpectedly, “Yeah, what a coincidence, you just saw that, the woman who eloped with you, the last time I entered, I crossed over on her. Only, it ended differently, the last time I was tied to that tree, then the people sent by the city lord killed ‘you’, then I was brought back to the city lord’s

residence, I used my status to my advantage and kept fighting with some people. Ten days later, the City Lord's daughter's fiancé came to marry her, and then I committed suicide and left Oblivion City. But now, 'you' didn't die, it's so amazing that this different ending is so different."

"Well, that person sent to kill me, there were five of them, four of them were killed by me, there was also a leader, he was too strong, I fought him with all my strength, but in the end, I couldn't beat him, I'll leave first, I'll find him next time." Omi said.

Liona said, "He is the first guard under the City Lord's hand, called Meng Ying, his talent and strength are very strong, of course, he is not the strongest, the strongest is the fiancé of the City Lord's daughter, in ten more days, he will come to marry the City Lord's daughter."

"Really? Hehe, it's a bit interesting, this adventure is quite to my liking, with so many talented and strong people coming to play with me." Omi smiled.

Liona instructed, "You have to be careful, although you're not really dead here, it means that your consciousness will exit Oblivion City, the sooner you die, the sooner the adventure will end, it's a rare opportunity, naturally the longer the better."

"Of course I know this, alright, let's leave here first, view map to take with us."

After that, the three of them quickly left, one was a big handsome man, one was an old woman, and one was a little Daoist nun, totally not the same type of people walking together, it looked very strange.

"Where to now?" Xu Mei Qian asked.

"Mei Qian, what is your status?"

"Me, the peasant woman who grows vegetables." Xu Mei Qian said very depressingly. Everyone entering Oblivion City was random, no one knew what identity they would be, and this Oblivion City,

was very large, the total population was estimated to be no small million, so all sorts of identities were possible.

Omi smiled, "Mei Qian, the last time you came in, you seemed to have the identity of a peasant woman as well, you're too memorable, you've had the same identity twice." Remember the website .kanshu8.net

"Well, last time I planted a field, this time I planted vegetables, depressing."

Liona said, "I'm a Taoist nun from the Taoist Temple, just in a corner of Forgotten City, why don't you come back to the Taoist Temple with me, there's plenty of places and it's quiet, we'll study the Taiyang Guanxue diagram there first."

"Good."

The three of them came to a Daoist temple together.

"Huiyue, it's early in the morning, where have you been?" A Daoist nun with a bitter face asked, her voice revealing worry and reproach in her voice.

This body of Liona was a Daoist nun named Huiyue, who was quite young and pretty, and didn't know why she chose to become a monk, but of course, when Liona crossed over here early in the morning, she went straight to look for the Guanyue, and didn't bother with so many identities and such.

Liona was a bit baffled as she looked at the Daoist nun who questioned her and stammered, "I went out to do some business."

"Going out to do something, aren't you not allowed to run off on your own, if anything happens, you're on your own, don't blame us for not taking care of Shui Yue." The bitter-faced old Taoist nun said.

“Yes, it won’t happen next time.”

“Who are these two people?”The old Taoist woman looked at Omi and Xu Mei Qian again.

Liona was unsure of how to answer when Omi busily said, “I’m here to burn incense.”

“What about this one?”Old Daoist woman looks at Xu

Mei Qian said.

Omi originally wanted to say that it was his wife, but at the sight of Xu Mei Qian’s appearance as an old woman, he changed his words and said, “She is my mother.”

When Xu Mei Qian heard this, she looked at Omi with a face full of resentment, and Liona covered her mouth and stole a smile.

“Alright, you guys can go in if you want incense, Huiyue, you shouldn’t hurry back to the backyard.”

“Yes.”Liona looked at Omi and Xu Mei Qian and hurriedly returned to the backyard of the Taoist temple.

Omi and Xu Mei Qian walked into the Taoist temple, which had many statues and no idea what kind of Bodhisattva it was, it seemed to have different beliefs.

Omi lit a few pints of incense and paid his respects to Xu Mei Qian first.

Xu Mei Qian said, "What should we do, that old Taoist nun seems to be watching very closely, Liona's identity, I feel a bit unusual. Why is it that every time Xiangyun is able to get a high status ah."

"Oh, no matter what identity, it's all a dream, okay, after burning incense later, we sneak to the backyard that is, although not to cause trouble for this Daoist temple, in case there is a situation that we can't control it's not good, maybe we'll end this adventure early."

"Hmm."

At this moment, in the backyard, Liona returned to her room, and this morning, she woke up in this zen room of this Daoist temple.

Liona found this zen room of hers to be more exquisite and luxurious than all the other zen rooms, and better than the one that hosted it.

Liona was a bit confused, she was just the weakest little Taoist nun, so why did she live in better conditions than the host of this Taoist temple.

Liona took off her Taoist robe and removed the Taoist nun's hat she wore on her head, and suddenly, her long, flowing hair was spread out.

Although it wasn't Liona's own body, she was a girl who loved beauty and still couldn't help but tidy herself up.

Sitting in front of the vanity mirror, Liona immediately saw in the bronze mirror, an exquisite beauty with her hair loose.

"Wow." Liona herself was stunned, she woke up in the morning and went straight to look for the observation picture, so she herself had never seen the face of this body of hers. Right now after returning and sitting in front of the bronze mirror, she was shocked by the appearance of 'herself'.

“What a beautiful Daoist nun.”Liona said inwardly, she couldn’t help but feel a bit proud of herself, the last time she entered Oblivion City, she crossed over to the city lord’s daughter and was another beauty, this time she came in and crossed over to a Daoist nun and was also a beauty, she was too lucky.

In comparison, Xu Mei Qian was just depressed, both times she was a peasant woman.

Not long after, Omi and Xu Mei Qian finished burning incense and sneaked into the Daoist nun’s backyard.

“Xiang’er.”Omi shouted quietly outside, as he didn’t know which room was Liona’s.

“Branch yah.”The courtyard door of one of the zen rooms with a separate courtyard opened.

“I’m here.”

Omi and Xu Mei Qian flew in.

“Wow, Xiangyun, it looks like you’re really not a simple little Taoist nun, living in a zen room with a separate courtyard.”Xu Mei Qian said.

“I woke up here this morning, I don’t know anything about the identity of my body, anyway, whatever her identity is, we’re only here for twenty days, once the twenty days pass, the entire Forgotten City starts all over again.And no matter what her identity is, the real world is already a distant history.All right, Michelle, let’s start working on the view map.”

It was only then that Liona realized that both Omi and Xu Mei Qian were staring at her.

“Why are you looking at me like that? Especially you, and you’re lusting after it.” Liona glared at Omi.

Omi smiled, “Xiang’er, I didn’t expect you to be such a beautiful woman when you took off your robe and hat.”

Xu Mei Qian also said, “Yes, Xiangyun, you’re too lucky, you’re a beautiful woman twice, how can you make me, who is a peasant woman twice.”

“Come on, it’s not me.” Liona turned around and closed the courtyard door, Omi looked at Liona’s model body, that form and curve, it was really beautiful, the body must be extremely good.

Omi had a bit of an odd feeling inside, this little Daoist nun made him both familiar and strange at the same time.

Xu Mei Qian and Liona immediately began to quietly look at the imagery.

Omi, however, was a bit bored.

Xu Mei Qian looked up and said, “Omi, why don’t you go do your thing, there isn’t any point for you to be here.”

“Alright, then I’ll come over when I’m free.”

“Hmm.” One second to remember to read the book

Omi left the Daoist Temple and Omi stood alone in a secluded place.

Quietly pondering the scene of the battle with the first guard under the city lord during the day.

Omi's goal now was to defeat him and improve himself through battle.

Omi pondered for a night and finally, Omi found a way to break that man's swordplay.

His sword skills dazzled Omi, so Omi's idea was simple, blindfold him.

However, if he blindfolded his eyes, his strength would definitely be greatly reduced.

Fortunately, Omi had undergone special training in this area in his previous life.

Omi used a cloth and blindfolded himself.

"Swoosh." Omi began practicing with his sword, also with both swords together, Omi now began to have to practice with both swords together every time, so that he could also gradually develop his mental calculation speed and strengthen his mental strength, otherwise, he would be mentally fatigued in less than ten seconds every time.

Currently, Omi's one-mindedness could only last about nine seconds, and then he would become mentally fatigued, and as soon as he became fatigued, he would not be able to continue with his one-mindedness at all.

A person can't do dual use of one mind, two hands doing different things, in his heart, he has to calculate the actions of the two hands separately at a very fast speed, and also the brain's cooperation, is by no means an ordinary person can do.

However, Omi's power after performing the combined blade and sword in one mind was clearly not the mighty effect of  $1+1=2$ .

“Swoosh.”

Omi was blindfolded, and at the eighth second, his spirit began to fatigue, and his hands immediately began to go haywire. If this were to happen in a battle, a mess would be waiting for death, no different from suicide, so Omi would stop the one-mindedness before it even got messy.

“Phew.” After a night of training, Omi had regained the feeling of his previous life even while blindfolded.

Omi felt that he might be able to challenge that first guard of the city, Meng Ying.

As the sun rose the next day, Omi headed straight to the City Lord's residence.

However, the City Lord was definitely a very powerful man, and Omi would definitely not be able to beat him at the moment, so

Omi was also cautious, disguised as a servant and sneaked into the City Lord's residence through the back door.

Only, Omi wasn't sure where that first guard of the City Lord, Meng Ying, was, so he could only slowly feel his way around and find a chance to duel with him.

Unconsciously, Omi came to a large hall outside, Omi pretended to be pruning flowers and plants while his ears listened to the voices in the large hall.

“Still haven’t found that curtain can?” A man with a dignified voice said.

“City Lord, that brat disappeared without a trace, and yesterday that brat, for some reason, suddenly increased in strength and killed four of our men, in the end, not even Meng Ying could take him down and let him escape.”

“This poor kid, Curtain Neng, can’t be a genius ah, even though he has some strength, it’s impossible that he couldn’t even take down Meng Ying.”

“City Lord, what about continuing the city-wide search for Curtain Neng now?”

“No need, I haven’t found him in one night, I think he’s already left town. Anyway, make sure to give me a firm guard, in half a month, the white flag will come to welcome the bride, don’t make any mistakes.”

“Yes, City Lord, don’t worry, Meng Ying is guarding Miss there, inch by inch, this time, I will definitely not let Miss have the chance to elope with that brat again.”

“Well, go down.”

Omi, who was outside pretending to build flowers and plants, heard the conversation inside and said in his heart, “It seems that that person called Meng Ying has been guarding the City Lord’s daughter, I have to find him and duel with him first. What a bummer, my target is Meng Ying, not the City Lord’s daughter ah, the City Lord’s daughter has nothing to do with me, I just want to defeat that Meng Ying.”

Omi quietly left, asking around, the City Lord’s daughter’s boudoir was in the northeast corner of the City Lord’s residence, an exquisite and beautiful courtyard.

Unfortunately, the outside of that courtyard was already being guarded by many, many guards at the moment, not even a fly could enter, so Meng Ying was naturally inside the courtyard.

Omi wasn't afraid of those ordinary guards, but if he rushed hard, then he would definitely alert the city lord, and God knows how many strong people were still inside the city lord's residence. Omi could only fight with Meng Ying alone at most now, one more would be absolutely impossible, and then there would only be death. Omi hadn't even stepped into the inner gate yet, so how could he end this adventure so quickly.

"Phew." Omi took a deep breath, he had to think of a way to bypass the guards and enter the city lord's daughter's boudoir courtyard, then fight that first guard, Meng Ying.

Omi left for now to think of a way.

At that moment, Omi looked at the ground and suddenly thought of a problem.

"This world, I don't know if there are any underground water drains or the like, it is reasonable to say that there are some, otherwise, where would so much sewage on the ground drain to, I'm still looking to see if I can find an underground drainage outlet, and then find a way to enter the city lord's daughter's boudoir from the underground water drains.

Omi searched and searched.

Finally, the emperor did not disappoint, Omi in a garden bush, saw something like a manhole cover.

"This thing must be able to be opened, there must be underground water drains underneath, yay, finally there's a way to bypass the guards and directly enter the city lord's daughter's boudoir. Meng Ying, wait for me, I'll definitely defeat you this time."

Sure enough, that manhole cover-like thing was instantly pulled apart by Omi, and a few meters deep below was an underground water drainage canal.

It was just that the underground drain emitted a foul smell, which made Omi a bit torn.
