This scene made everyone present laugh wildly!

“Buy if you see it? Who said that just now? Why don’t you have any money now?”

“Dead poor ghost, dare to pretend to be in the blood, you are dead!”

“Bai Yi found such a wasteful pawn Husband, it’s really a bloody mold for eight lifetimes!”

In their eyes, Lin Fan is already a dead person!

At this time, Bai Yi also became nervous, crying and begged Liu Guanshi:

“Guanshi Liu, can you give me a few days? I’m already selling my assets. Just give me a few days and I will definitely do it. Give you 10 billion to make up!”

Just!

Guan Shi looked like oil and salt, and he snorted coldly:

“Sorry! We are bloody, we don’t have to take credit! If you can’t get the money today, don’t blame us for being polite!”

Bai Yi’s face was pale with tears. It was like a dyke that went crazy, and in just one day, where would she go to find so much money?

At this time, a deep despair emerged in her heart!

“Wife, it’s okay, maybe this boss will give us this sea blue heart in a while, maybe?”

Lin Fan smiled slightly and said jokingly.

what!

When everyone heard this, their eyes were staring, each one was dumbfounded, and their faces were unbelievable!

Did they misheard this?

This kid actually said that the blood master would give them this sea blue heart?

Immediately, everyone shook their heads and sneered, casting sarcasm at Lin Fan.

Is this guy scared silly? So much so that they started talking nonsense!

That is the heart of the sea blue, high-priced jewelry!

For you?

What kind of thing are you!

A waste, also worthy of the Lord Blood personally give a gift?

This guy is simply a stupid!

“Lin Fan, that’s enough! I’m very disappointed in you!”

Bai Yi scolded and shook her head. She spared no effort to save Lin Fan, but Lin Fan tried to die again and again. She is inevitably a little bit chill at this time.

“Please Blood Lord!”

Guan Shi was also completely furious, too lazy to talk nonsense with him.

When they heard this, everyone knew that Lin Fan was imminent!

As soon as the blood master arrives, it is the death of this guy!

In an instant, smirking smiles appeared at the corners of everyone's mouths, and it was already foreseeable that Lin Fan would end up miserably!

"Brother..." Sima Yaner wanted to plead.

But he was interrupted by Sima Hongrui violently. He snorted coldly:

"Needless to say, I don't have the ability, but dare to be arrogant, this kind of fanatic is more than guilty!" After a while, Platinum was surrounded by everyone, and strode forward. !

Upon seeing this, Huangfuxuan was immediately overjoyed and hurriedly shouted:

"Blood Lord, this person not only insulted you, but also dared to make trouble at the auction. This time you must not let him go!"

Huh?

Perkins stood still in front of Huangfuxuan suddenly, then frowned, staring at him sharply:

"Your name is Huangfuxuan, right?"

One mentioned his other side, Huangfu Xuan suddenly excited, nodded:

"Yes, I called Huangfu Xuan, Huangfu family's heir!"

Snapped!

However, with a slap without warning, he slapped Huangfuxuan fiercely!

Wow!

There was a burst of exclamation in the field, everyone was startled and covered their mouths in astonishment!

But what they didn't expect was that the person who shot... turned out to be Platinum!

The blood master actually beat Huangfuxuan, why is this?

Even Huangfuxuan was dumbfounded. He was stunned and stared at Platinums in horror: "Blood Lord, you are..."

Platinums was full of sullen expression and angrily rebuked, "Dare to insult the King of the Blood Prison," You...damn it!"

Boom!

Simple four characters, detonate the audience!

Huangfuxuan, actually insulted the King of Blood Prison?

Is he crazy?

The king of blood hell, known as the king of kings, the man from hell, is the real devil!

It is no exaggeration to say that as long as he moves his finger, the four giants in Jiangnan will be wiped out!

Huangfuxuan is just a small heir, and dare to insult him?

Even Sima Hongrui couldn't help being terrified. Looking at Huangfuxuan in disbelief, he was astonished to the extreme.

This guy is bold enough to insult the King of Blood Prison?

When did this happen?

Hearing this, Huangfuxuan was scared to pee on the spot, and wailed extremely sadly:

“No! This must be a misunderstanding! You are wrong, Lord Blood, I have never insulted the King of the Blood Prison!”

What is his identity?

How dare to offend those who are above the Nine Heavens!

Humph!

But Perkins snorted directly, turned his head and walked towards Lin Fan in strides.

Then, under the utter madness of everyone’s gaze, he knelt on the ground brazenly!

“Blood Lord, see the King of Blood Prison!”
