

Today, I Give Up Trying

Chapter: 1140

See it!

The two family members breathed a sigh of relief, and at the same time showed a malicious smile.

At this time, the success of the disaster drew the water into the east, the Mad God Lord was completely angry, and the Bai family would be destroyed!

Huangfuzheng was also overjoyed, and quickly asked: "Master Mad God, that is to say that the one that appeared in the auction of Xuetaufeng is really a fake?"

"Yes!" The Blood Prison Mad God nodded: "Today I am. I just received the news that our king is currently leading the blood prison members in the United States to eradicate a powerful dark power temple!"

"He, absolutely cannot appear in China!" It is indeed a counterfeit!

The faces of Huangfuxuan and Sima Hongrui suddenly showed a thick sneer, and they laughed gleefully.

The bastard was really pretending.

Now that the truth is revealed, everyone knows that he is a fake, then Lin Fan will undoubtedly die!

The blood prison mad god was already furious, not only Lin Fan was about to die, but even the Bai family was also tragically affected!

Especially Huangfuxuan, at this time, he was crazy, because Lin Fan would become a useless person, and now that Lin Fan is about to die, his face is immediately excited!

Lin Fan, wait!

Before long, you will die under the hands of Lord Mad God, and before that I will torture you severely and insult your wife!

It's hard to die for you!

at this time!

The blood prison mad god furiously ordered:

“Huangfu family, Sima family, I order you to eradicate the Bai family, and bring the dregs who dared to pretend to be my king to my face, and I will smash him into pieces!”

“I will set off immediately ! , Go to Jiangnan!”

“De Ling!”

Huangfuzheng and Sima Longming agreed at the same time, with a deep grin on their faces.

Because they all know that the Bai family is over!

The blood prison mad god on the other side has already hung up the call.

Huangfuzheng and Sima Longming both smiled maliciously, slowly stood up, and looked around at the people below.

“You have heard the words of Lord Mad God. From now on, our two families will officially declare war on the Bai family!”

Boom!

The audience is boiling!

The people of the two families all showed ecstasy!

Because they all know that this is the best opportunity to please Lord Mad God, and once it is done, it will be a great achievement!

“My dear grandson, don’t worry, if you are wronged, Grandpa will make the Bai family pay a hundred times the price!”

Huangfuzheng looked at Huangfuxuan and said murderously.

“Grandpa, I’m going to break Lin Fan’s hands and feet, and then insult his wife severely in front of him!” A crazy smile appeared on Huangfuxuan’s face, and he had completely lost his reason: “Remove his father-in-law and mother-in-law. , Slowly tortured to death!”

“Hey, no problem! When the Mad God arrives in Jiangnan, the whole Bai family will be rounded or flattened, it’s all up to you to be happy!”

Huangfuzheng sneered again and again, as if the Bai family was already him. The pallet fish is average.

And the entire Huangfu’s house is also very excited!

All Huangfu’s family members uttered bad words:

“A door-to-door son-in-law dare to hurt the genius of my Huangfu family. This is simply not putting our Huangfu family in his eyes. It is not a pity to die!”

“Give Lin Fan to Lord Mad God Dispose of, and then let his family be slaves forever, being enslaved and humiliated by our two families for generations!”

“Lin Fan’s wife is a beautiful woman. Don’t miss it when that happens. Let her be a fun tool for all of us!”

At this time, hearing the foul language from everyone, Sima Yan’er already felt that her breathing was difficult. With black eyes, he fainted on the spot!

“Lin Fan, it was me who killed you!”

“I, I’m sorry!”
