waste?

Hearing this, instead of feeling anything wrong, Wen Qian giggled, and said with a strange air:

“Don’t say that, they are masters!”

Unexpectedly!

The man smiled contemptuously, and said, “My dog minions are also masters!”

Wow!

Everyone was in an uproar. Is this comparing Lin Fan to a dog?

Bai Yi’s face was completely ashen. He didn’t expect Wen Qian to be so shameless. Not to mention that he crashed their car, and even humiliated her husband in public.

Immediately, she scolded Wen Qian angrily:

“Wen Qian, we have no grievances with you, why do you always have trouble with us?”

No grievances without grudges?

Wen Qian suddenly became angry, and a deep hatred appeared in her eyes: “Who hurt my boyfriend back then? Who caused me to be dumped by him?”

“I tell you! I did it on purpose! I can’t wait to kill you guys.” Two dog men and women were killed on the spot!” The original incident forced her to flee overseas, so she hated both Lin Fan and Lin Fan.

As a result, by chance and coincidence, I met this boyfriend with a lot of background, and I couldn't wait to return to Jiang City to find Lin Fan and Bai Yi for revenge!

As everyone knows, the Bai Yi today is no longer the Bai Yi it used to be.

Hear the words!

Bai Yi sighed and shook his head helplessly. The other party was simply unreasonable.

At the beginning, it was obvious that she nearly killed Lin Fan and her mother, but now they are not.

It's more than that!

At this moment, Wen Qian took the arm of the man beside her, and said with a triumphant expression:

"But thanks to you, I met my dear now, the son of the dignified Jiangbei giant Li family, Li Xianghe!"

Wow!

As soon as this remark came out, the audience stopped abruptly, and everyone's eyes were filled with awe.

They all know that the Li family in Jiangbei has a great background, and the three generations of their ancestors are all rich.

And Li Xianghe was also proud, staring at Lin Fan contemptuously:

"You guys, kowtow to my dear apology, then this matter, just forget it!"

Just!

"Insane!"

Bai Yi didn't bother to pay attention to them, and directly pulled Lin Fan to leave.

what!

Bai Yi's move immediately caused a strong anger in Li Sang Hyuk's eyes.

No one has ever dared to ignore him like this!

These two people are damned!

At this time, a group of people trot out of the 4s shop quickly, and rushed over in a panic.

"Go away!" The leading woman pushed Bai Yi even more rudely, causing the latter to stagger and almost fell to the ground.

Wow!

A group of people stood in front of Li Sang Hyuk, and then headed by the woman, bowed respectfully to him:

"Shu Lan, with all 4s employees, welcome Li Shao!"

Shu Lan's face was full of excitement!

This is the future heir of the Li family, a veritable big and young, if you can get acquainted with it, your future will be limitless!

Seeing this, the complacency on Wen Qian's face became more intense, and Dang Even said to Lee Sang Hyuk spoiledly:

"My dear, you chase out these two dog men and women, I don't want to see them here!"

Then!

Lee Sang Hyuk smiled contemptuously, and said to Shu Lan:

“Manager Shu, right? These two poor ghosts made my girlfriend upset. I ask you to kick them out immediately!”

“Okay, okay, I’ll help Shao Li cleans up the mess!”

Shu Lan stared at both Lin Fan suddenly, and when she saw Lin Fan’s dress clearly, a deep contempt suddenly appeared in her eyes.

Really two poor ghosts!

Even daring to offend Shao Li, it’s almost death!

Immediately, she spoke angrily, and said with extreme humiliation:

“You two dead and poor ghosts, you can get out of here!”
