

Chapter: 1514

When Lin Fan walked out of the meeting place, he saw Bai Yi and others waiting anxiously outside.

At this time, Bai Yi walked over directly and aggressively, and asked Lin Fan:

“Lin Fan, where did you go just now? Why can’t you see anyone?”

Bai Yi realized that he was being tricked when he came out and saw no one.

Just now, that woman 80% and Lin Fan were in the same group and deliberately distracted her.

Realizing that Bai Yi’s tone was wrong, Lin Fan also quickly said with a smile:

“I didn’t feel well just now, so I ran to the toilet. What’s wrong?”

just!

Bai Yi had long expected that Lin Fan would use this excuse to prevaricate her, and even sneered:

“Really? Then why don’t you answer the phone?”

amount...

Lin Fan felt that something was wrong more and more. Today’s Bai Yi is particularly abnormal, as if he must dig into the roots.

“My phone was muted just now!”

Ho ho!

Bai Yi sneered directly:

“Lin Fan, you still want to lie to me. I have secretly observed you a long time ago. You have been secretly in contact with Longya’s people all this time.”

“If I guess wrong, you are the Master Lin, right?”

what!

Hearing these words, Bai Shan and Shen Yumei behind them were immediately shocked!

All looked at Lin Fan with an incredible look, unable to believe his ears.

Lin Fan, is Master Lin?

how can that be!

“Bai Yi, are you making a mistake? How could Lin Fan be Master Lin?”

Bai Shan asked in disbelief, really frightened, his old face turned pale in an instant.

Grandmaster Lin, but a great master!

Even Ning Changkong was killed by him in a second. How could such a heroic hero be Lin Fan?

Bai Yi hummed coldly:

“Don’t you think it’s weird? Master Lin was not there when he was there, and he was not there when Master Lin was with him!”

“Combining his and Longya’s sneaky actions since this time, it is not difficult to guess why all this is!”

Lin Fan suddenly broke into a cold sweat, and he didn’t even think that Bai Yi would be so icy and smart. He thought of so many things just when he saw him in Xu Longxiang’s car.

The key is that she didn't even question herself during this period of time.

It seems that Bai Yi has long been suspicious of him and has been searching for evidence, right?

Just when Bai Yi didn't know what to do, a person suddenly appeared on the side.

That person turned out to be Qin Xianzhong!

He nervously grabbed Lin Fan's hand:

"Mr. Lin, what you promised me in the toilet, you must do it, you must say something for me in front of the leader!"

This!

Everyone is dumbfounded!

Even Lin Fan's eyes were full of incredibleness.

He didn't even think that Qin Xianzhong would take the initiative to help him out!

On the side, Bai Yi suddenly petrified:

"Mr. Qin, you mean you met Lin Fan in the toilet just now?"

Qin Xianzhong nodded quickly and said:

"Yes, Mr. Lin was going to the toilet just now, I cheekily apologized to him, I only hope that Mr. Lin can forgive me!"

Bai Yi is dumbfounded!

Lin Fan, were you really in the bathroom just now?

Is it really Lin Fan who was in the ring just now?

“Bai Yi, let me just say, how could Lin Fan be Master Lin?”

Bai Shan also said with a smile.

“That’s right, you girl will talk nonsense, if Xiao Fan is Master Lin, can I still see you?”

Shen Yumei also murmured angrily.

I...

Bai Yi couldn’t argue, and at this time he couldn’t help but wonder, is it possible that he really guessed wrong?

Then, she gave Lin Fan a complicated look:

“Lin Fan, I’m sorry, I made a mistake. I didn’t have a good tone just now. Don’t be angry.”

Lin Fan said with a smile:

“I’m sorry to let my wife down!”

then!

He looked at Qin Xianzhong coldly:

“As for you, I will tell Mr. Xu.”

boom!

Qin Xianzhong was immediately ecstatic, knowing that he was right.

He quickly knelt down towards Lin Fan:

“Thank you Mr. Lin for his great kindness, Qin Xian is unforgettable!”

Lin Fan’s words meant that he was willing to forgive him, and his career will be completely preserved from now on.
