

# Chapter: 1003

what!

Hearing Chang Yuan's words, Yang Mingpeng was even more stunned.

You cleaned up our Yang family?

Yang Mingpeng looked at Chang Yuan at this moment, filled with thick weirdness, as if he was looking at an idiot.

“Why? So soon, your Yang family is healed and the scar is forgotten to hurt?”

Chang Yuan stared at Yang Mingpeng with contempt at the moment.

Especially after feeling the awe in the eyes around him, his heart became even more excited:

“Last time, if it weren't for our prince's mercy, your Yang family would have been done for a long time!”

“So, see me in the future. , Be respectful, otherwise, you don't know how you died!”

Chang Yuan's words were extremely arrogant.

After he finished speaking.

I couldn't help pointing in Bai Yi's direction, and continued to scold Yang Mingpeng,

“Yang Mingpeng, now I order you to kowtow to Bai Yi in the past!”

Bai Yi!

Hearing this, Yang Mingpeng couldn't help turning his head to look at Bai Yi, his face couldn't help showing a strong look of awe.

This woman is Lin Zuo's wife.

Thinking of the last time he was disrespectful, and even almost killed his own Yang family and almost annihilated his clan, Yang Mingpeng couldn't help but nodded:

“You are right about this!”

“I should give Miss Bai Yi, kowtow to apologize!”

What!

Hearing this, everyone around was completely shocked.

They didn't expect that Yang Mingpeng, the Hunshi Demon King, was really so afraid of Chang Yuan, and even Chang Yuan asked him to kowtow to Bai Yi to make amends. Not only did Yang Mingpeng nod his head and agreed.

Wow!

In an instant, everyone looked at Chang Yuan's gaze again, and the color of awe and admiration became more intense.

And just under the gaze of everyone.

Yang Mingpeng strode towards Bai Yi.

Until he came to Bai Yi, his face couldn't help but a strong expression of flattery and guilt:

“Miss Bai Yi, last time I made a mistake by Yang Mingpeng, I almost hurt Miss Bai Yi!”

“Here, I will tell you. Apologize!”

Finished!

There was a puff.

Yang Mingpeng knelt directly in front of Bai Yi, and then faced the ground, banging his head three times.

Shocked.

This scene not only shocked everyone around, but even Bai Yi was also frightened.

She didn't expect Chang Yuan to be so powerful.

In a word, Yang Mingpeng knelt down and apologized.

This is simply incredible.

It's just more than that.

When Yang Mingpeng finished his bow, he stood up, looked at Bai Yi with a flattering smile, and asked cautiously:

“Miss Bai Yi, take the liberty to ask, is Mr. Lin here?”

“I...I want to see him , Apologize to him! ”

What?

Hearing this, everyone in the box was taken aback.

They didn't expect that Yang Mingpeng not only apologized to Bai Yi, but now he also apologized to Bai Yi's husband Lin Fan?

This...

Everyone's face showed a deep incomprehension, especially when they were shocked to find that Yang Mingpeng seemed extremely nervous when inquiring about Lin Fan's whereabouts.

It looked like an ant asking about the whereabouts of a giant dragon.

Even big beads of sweat dripped from Yang Mingpeng's forehead.

“Yang Mingpeng, what are you doing to apologize to that waste?”

At this moment , Chang Yuan came over.

He glanced at Yang Mingpeng contemptuously, and then said with a smile:

“Tell you the truth! That rubbish Lin Fan doesn't even have an invitation. People like him are not qualified to come in, let alone be equal to us!

” He, he's in the parking lot now, watching the car for us! If you want to apologize to that trash, then go to the parking lot and look for him!

Hahaha...”
