

# Chapter: 1006

Wow!

Not only Prince Tian, there are even Prince Qiu, Prince Duan, and other top chaebols in Jiangnan City.

This group of people gathered almost all the top talents of the younger generation in Jiang City.

Seeing the arrival of Prince Tian and others, Chang Yuan seemed to see the backbone of the master, and immediately clutching his cheek, he ran forward:

“Prince Tian, you are going to be the master for me! This Yang Mingpeng is crazy. , He was so timid and wanted to hit me!”

Huh?

Heard this.

Prince Tian was taken aback for a moment, and asked Chang Yuan suspiciously:

“Who are you?”

What!

At this moment, not only Chang Yuan was stunned, but even the many guests around him were all stunned.

Wasn't Prince Tian just for Chang Yuan, even forcing the Yang family to kowtow to apologize?

Why now, he actually asked who Chang Yuan was?

This... for a while, everyone felt that things seemed not that simple.

As for Chang Yuan, there was a tingle in his heart, with a hint of ominous premonition, and he could only say to Prince Tian : “Prince Tian, I am Chang Yuan. You forgot. Last time I called you to seek Help! It was you who made the Yang family go soft, and even kowtowed to apologize and sacrificed the Galaxy Tower!” “Have you forgotten?”

What!

Hearing Chang Yuan's words, Prince Tian was stunned.

He looked at Chang Yuan's gaze as if he was looking at a madman.

“Are you sure you didn't make a mistake?” Prince Tian stared at Chang Yuan and asked directly:

“I persecuted the Yang family? Let them kneel to apologize, and let them dedicate Xinghe?”

Huh?

Made a mistake?

The ominous premonition in Chang Yuan's heart became stronger, but he could only bite the bullet and said: “Prince Tian, you... don't make fun of me! How could I be mistaken for this kind of thing!”

“After all , There are not many people who can persecute the Yang family! Among the people I ask for help, only you have this ability!”

“Could it be, isn't it?”

Chang Yuan looked at Prince Tian, only feeling his own heart. , Almost reached the throat.

There can be nothing wrong!

There is absolutely nothing wrong!

It must have been made by Prince Tian, otherwise, how could the Yang family be inexplicably, kneel down to apologize and sacrifice Galaxy?

And at this moment, just when Chang Yuan was nervous to the extreme.

But when he saw that Prince Tian shook his head faintly, he sneered and said:

“Are you an idiot? I promised to help you plead with the Yang family and spare your life!”

“But for you, I will suppress the Yang family. Forcing the Yang Family to kneel down to make amends and offer Xinghe?”

“What are you...!”

Boom!

This sentence of Prince Tian didn't show any mercy.

The tone was full of contempt and contempt for Chang Yuan.

And this word came out.

Chang Yuan was dumbfounded, and the guests around were also stunned.

Didn't Prince Tian do it?

This means that the Yang family's kowtow apologized has nothing to do with Chang Yuan and Prince Tian, and the person Yang Mingpeng feared was not Chang Yuan at all.

Thought of this.

The guests in the box, looking at Chang Yuan's gaze, instantly became weird.

Only then did they know that all of this was Chang Yuan's own wise, big oolong.

Puff!

As for Chang Yuan, it was as if all his strength had been drained, his eyes went dark, and his ass fell to the ground in an instant.

He seemed stupid, with a dull and confounded face: “How could it be that it wasn't Prince Tian, it wasn't him, who else would it be?”

” Who is it? Only to make the Yang family fearful, this...how could it be possible!”
