

# Chapter: 1042

Swish!

now!

Downstairs in the community, there are old people looking at the children and chatting.

But at this moment.

Almost everyone felt the temperature here, as if it had dropped several degrees suddenly, causing them to shiver one by one.

Haven't waited for their doubts to speak out.

Suddenly everyone saw that a figure wearing a bib, like lightning, flashed from in front of them, and disappeared in an instant.

For a moment!

Everyone thought they had hallucinations.

Especially those children, after seeing the silhouette of the bib disappearing in front of them, one by one suddenly jumped up excitedly:

“Superman! Superman bib! That's amazing!”

“Grandma, I saw Superman, he is not. Wearing pants, but bibs!”

“...”

Every one of those children, as if seeing an idol in reality, was jumping and happy.

But the group of chatting old people looked at each other at this moment.

One by one even suspected that he was presbyopic.

“Old Wang, did you see it? Just now, it was...a person!”

“Impossible! If it is a person, how fast is it? I saw it just now, it was like a flash! ”

Mom! Will it be our Chinese flying man Liu Xiang! Otherwise, how could it be so fast!”

“...” At this moment!

Lin Fan didn't know that he had become the idol of all children and the talk of all the elderly.

At this moment, Lin Fan almost used his speed to the extreme.

Huhuhu!

Where he passed, in the community, it was like a gust of wind blowing.

Pieces of green plants were blown and shaken in this strong wind.

A famous passerby rubbed his eyes, doubting life.

“No matter who you are! If Bai Yi suffers the slightest bit of harm, I will definitely destroy you, and smash your whole family into pieces!!!”

A thick vicious aura filled Lin Fan's eyes.

He at the moment!

The imposing vigor is like a demon, like a life-saving death god crawling out of hell, and it is enough to scare people to pee after a glance.

.....

And at this moment, in the Tianzi box of the Crown Club.

Ye Chen and Chang Yuan exchanged their cups with excitement.

“Hahaha... Ye Shao, congratulations! Once the effect of the medicine begins, Bai Yi will become a plaything in your palm!” Chang Yuan's heart, although extremely complicated.

But thinking that from now on, he would be regarded as climbing the Ye Family's high branches, and he was still very excited after he was overbearing in the south of the Yangtze River.

Heard this!

Thinking of Bai Yi's charming face and hot and enchanting figure, Ye Chen couldn't help but dig out his own body and smiled evilly:

“Hahaha...This time thanks to Brother Chang Yuan's help!”

“Hey! The thought of conquering the president of the No. 1 beauty in Jiangnan, to be honest, I can't stand it anymore now!”

Finish!

Ye Chen drank the wine in the glass, and the evil desire in his heart became more and more intense.
