

Chapter: 1072

Finished!

Boom boom boom!

Wei Fengqiang's head kept knocking against the ground.

His kowtow was extremely violent, and every time his head fell, it hit the ground fiercely, causing blood to drip on his forehead.

just!

Wei Fengqiang didn't care about this injury at all.

He was panicked, like a dog who lost his family.

And see this scene.

The coldness in Lin Fan's eyes became more intense:

“Let's talk! Who instigated you?”

Instructed?

Hearing these two words, Wei Fengqiang kowtowed, his fat body stiffened severely.

He raised his head, a bit of bitterness appeared in the corner of his mouth, and he could only bite the bullet and said:

“Lin...Lin Zuo, the person who instigated me is Ye Family...Ye Ming!”

Wei Fengqiang is not stupid.

He could see that Lin Fan had seen everything through long ago, and the reason for asking himself was just to prove it.

At the moment when he was going to deal with Lin Fan.

His ending is doomed.

The same is true for Ye Ming's ending.

“Ye Jia Ye Ming?”

Lin Fan couldn't help but shook his head indifferently when he heard this strange name.

This kind of ant crawler is really looking for death!

Thought of this.

Lin Fan's gaze continued to stare at Wei Fengqiang, and said playfully:

“If I guess right, he wants you to kill me!”

Wow!

In a word, the audience was in an uproar.

The police officers stared at Wei Fengqiang one by one, with a deep look of horror in their eyes.

Among them, those who followed Wei Fengqiang into the interrogation room were even more frightened to the ground, their faces pale as paper.

They were called to the interrogation room by Wei Fengqiang before, only to tell them to teach Lin Fan a lesson, that's all.

But they couldn't even dream of it.

Wei Fengqiang's true intention would be... to kill Lin Fan?

This is crazy.

Deep bitterness and despair filled Wei Fengqiang's heart. After he felt the chill in Lin Fan's eyes, he could only bite the bullet and nodded:

“Yes...yes! Ye Ming tell me, kill you, give it to me Ten million!”

Sure enough!

When Lin Fan heard this, the smile at the corner of his mouth became more agitated.

At the moment, he was too lazy to take a look at Wei Fengqiang, and walked straight to the military vehicle under the welcoming of the Dragon and Tiger God of War and the ten thousand sergeants.

Ok?

Seeing this scene, Wei Fengqiang in despair was slightly taken aback.

Don't you kill yourself?

He never thought that Lin Fan would let him go.

This...

a trace of ecstasy began to fill Wei Fengqiang's heart, which made his face flushed with excitement.

Right now, he wanted to stand up from the ground.

But at this moment.

A cold voice came from the front.

“If you want to be disadvantageous to Lin Zuo, cut it!!!” The words were extremely cold.

especially!

As this sentence came, huh, a cold light flashed suddenly.

Pouch!

With a dull sound, the excited smile on Wei Fengqiang's face instantly solidified.

His head slowly flew down from the top of his neck.

Gululu!

Fell under the feet of many police officers.
