

Chapter: 1085

Miss Bai Yi, my Ye family pleaded with you!

When Ye Wuya's words fell, the air in the entire ward seemed to freeze instantly.

Shen Taigong and others couldn't believe what they heard at this moment.

especially!

Seeing the densely packed and bowing Ye Family bigwigs, their eyes almost fell out.

This is the Ye Family, one of the four most reclusive giants!

And now, he is actually asking Bai Yi for crimes, which is simply unbelievable.

More than them!

At this moment, Chang Yuan's grinning grin froze instantly.

He rubbed his eyes vigorously, when he was sure that there was no hallucination.

boom!

His body in a wheelchair trembled fiercely, almost frightened to urinate:

"Ye... Patriarch Ye, what are you doing? Why do you want to plead guilty to Bai Yi?"

"His husband killed Young Master Ye Chen. Murderer, isn't your Ye family here for revenge?"

Chang Yuan was completely stunned at this moment.

He knows the nature of such a wealthy Ye family best.

For these people, face and honor are more important than life.

Lin Fan killed Ye Chen, almost slapped Ye Family's face, and Ye Family would definitely retaliate wildly.

But now...

"Revenge?"

Hearing Chang Yuan's words, Ye Wuya couldn't help but turn his gaze slightly, looking at Chang Yuan with that gaze, as if he was looking at an idiot.

"You are Chang Yuan! As far as I know, Ye Chen was killed because of you!"

"Ye Ming was the one who provoked Mr. Lin!"

Boom!

Feeling the chill in Ye Wuya's eyes, Chang Yuan frightened his entire face, completely whitening:

"Patriarch Ye, all this is a misunderstanding, I did not instigate Master Ye Ming! All of this is Master Ye Ming. Revenge for the people!" That said.

Chang Yuan's heart couldn't help but chuckle.

Only then did he remember that the Ye Family core had all come, but he didn't see Young Master Ye Ming, which was obviously something wrong.

"Patriarch Ye, I'm from Young Master Ye Ming! I don't know where he is now?"

"He can testify to me!"

A trace of ominous premonition filled Chang Yuan's heart.

And heard this.

"He is dead!"

Ye Wuya's voice was extremely indifferent.

But in the ears of everyone in the room, it was like five thunders.

Dead...dead?

Ye family heir, just died like that?

how can that be.

Not only that.

At this moment, almost everyone recalled. Lin Fan had said before that Ye Ming was dead.

At that time, everyone didn't believe it at all, but now, they couldn't even dream of it, and Lin Fan had said it.

"No...impossible!"

"Patriarch Ye, how could Master Ye Ming die? Does this matter have something to do with Lin Fan?" The cold sweat on Chang Yuan's forehead rushed down.

Ye Ming was dead, which completely subverted his worldview.

especially!

He looked at Lin Fan's gaze, as if he was looking at a devil.

"It has something to do with Mr. Lin! Because of him, he has no eyes to offend Mr. Lin!" Ye Wuya said indifferently.

And this sentence also makes the heart tremble. , All Ye Ming died because of offending Lin Fan.

This is incredible. After all, Lin Fan is just a little son-in-law. How could the Ye Family kill his own heirs because of him?

Isn't this a joke?

However, this does not stop there.

Ye Wuya looked at Chang Yuan coldly and smiled sensibly:

"And you, don't worry, our Ye family won't let you die!"

"We will bankrupt your company, make your family ruin, let you... Life is better than death!"
