After hearing Lin Fan's words, the atmosphere in the entire ward stagnated slightly.

Whether it was Taigong Shen on the hospital bed, the Baishan couple, and Bai Yan, the expressions on their faces were all frozen.

Bai Yan looked at Lin Fan as if looking at a fool.

Hearing the name of this star, Shen Taigong and others and the

That's right, maybe only a star like Zheng Hao can introduce such a temperamental little white face to Bai Yi.

But they didn't realize that Lin Fan's expression at this moment was extremely weird.
