

Chapter: 1117

“I, I...”

Bai Hu was scared to pee on the spot, and I couldn't say a word for a long time, especially when he saw the angry eyes of his two masters, he was going crazy!

How dare I want your assets?

Bai Hu's heart of death was all there, and it was hard to let the Dragon Tiger God of War calm down, but because of Bai Yi's kneeling, the Dragon Tiger God of War was once again angered to the extreme.

Today, this army stick is afraid that it will be settled!

“Wife, it's okay, get up quickly.”

Seeing Bai Yi's heart-piercing appearance, Lin Fan also felt distressed and hurried up to help.

Bai Yi grabbed Lin Fan's hand and shook his head in horror: “Lin Fan, you should kneel down with me and kowtow to the White Tiger general. We don't need anything, we give him everything!”

“I only want you. I only want you to live!” At the end, Bai Yi was already crying.

Ugh!

Lin Fan hugged her quickly, stroking her back and comfortingly said:

“Don't worry, they dare not let me kneel.”

Dare?

Upon hearing this, Bai Yan immediately sneered, looking at Lin Fan like an idiot.

“Lin Fan, the Dragon and Tiger God of War are here, you rubbish dare to speak out, you are absolutely reluctant to live and die !” Bai Yan's eyes are full of resentment and meanness: “Warlord White Tiger,

Dragon Tiger God of War, this waste dare to be disrespectful to you. ,

You quickly kill him, this matter has nothing to do with our Bai family,

don't you anger us!”

Waste?

Kill?

Baihu and Longhu are gods, their eyes suddenly filled with anger!

Dare to insult Lin Zuo and look for death!

However, Bai Yan, an idiot, didn't notice the change in the atmosphere at all, and seeing the hideous faces of the three of them, he subconsciously thought that they were going to act on Lin Fan.

In my heart, they are all happy and crazy!

Die, die, damn trash, hurry up and die!

At this time, Bai Yi was also completely angry, and cried and punched Lin Fan in the chest with a pink boxing: “When is it, you still want to die? Lin Fan, I beg you, you just bow your head once!

” Just treat it for me, okay?”

She really didn't want to watch Lin Fan die, that would make her go crazy!

“I just came to bow my head now? Is it useful?”

Bai Yan sneered, didn't you see that the three of them were already furious? This kid is dead!

After that, Bai Yan stepped forward and said inviting credit: “Battle General Baihu, I asked Bai Yi to surrender all his assets, be careful, and hope to accept it!”

Boom!

Bai Hu directly exploded his hair, gritted his teeth and said: “You asked her to give me the assets?”

“Yes, this pair of dogs and men dare to offend the White Tiger warrior.

It would be cheaper for them to hand over their assets, according to me. It's time to be executed on the spot!” Bai Yan said smugly, waiting for the compliment from the general Baihu.

But, what is waiting for her...

is a slap!

Bai Hu's slap slapped the opponent's face fiercely, causing Bai Yan to fall to the ground on the spot, and his face suddenly became bloody.

“Battle General Baihu, you...why did you beat me?” Bai Yan looked at General Baihu with aggrieved horror.

Now, shouldn't he praise himself for doing well?

“Hit you? I can't wait to kill you!”

Bai Hu's eyes were splitting, and his anger was rampant!

It turns out that this woman is all the ghosts!

He pitted him severely!

As a result, he, who was already okay, had to be beaten by a stick again!

He insulted Lin Zuo again and again, insulting his master's master, that is, his master!

what!

Bai Yan is dumbfounded, Bai Hu wants to kill her? This is why, she has never offended Baihu!

But the next scene made her completely desperate!

Bai Hu came to Bai Yi in a hurry and knelt with a thump, and said in a trembled voice:

“Ma'am, I am what Bai Hu is . Even if I eat the ambition of the leopard, I dare not ask for your assets!”

Bai Hu, Kneel down!

Seeing Bai Yi and Bai Yan here, his brain suddenly went blank!

impossible! Is this fake?

General Baihu actually knelted to Bai Yi and called his wife respectfully?

What is going on here?

However, there is more to it.

The two dragons, tigers and war gods also gave a wry smile: “Let Lin... Mr. Lin kneel to me, isn't Mrs. Lin beating us?”

“So, why not let us kneel!”

followed.. .

plop!

Puff!

Hu Shuai and Long Shuai, kneel down together!

boom!

Bai Yan's brain burst suddenly, and his eyes almost split apart!

No, this is not right!

Bai Yan is going crazy, that is the dignified Chinese God of War, and the existence worshipped by the Ten Thousand Army, now kneeling in front of Bai Yi, respectfully!

The shocking scene in front of him made Bai Yan's body tremble like chaff, which was totally unacceptable.

According to her expectation, the Dragon Tiger and the God of War should kill Lin Fange on the spot, and Bai Yi has since become a widow, but now the two existences that she only deserves to look up to, actually knelted in front of Bai Yi.

At this moment, Bai Yan seemed to be drained of all strength, weakly slumped to the ground, and his face was full of unwillingness and despair.

Why is this happening?

What qualifications does Bai Yi have to make the God of War kneel down?

Then, she woke up suddenly and looked at Lin Fan, who was still smiling calmly, in horror.

Could it be him?
