Galaxy Tower!

The atmosphere is depressing and dull.

Almost in the building, every employee of Xinbai's was worried, as if the sky had fallen.

They almost knew that President Bai Yi took away the transfer contract of Xin Bai's and prepared to give it to Jiangnan Bai's family to save Chairman Lin Fan.

This means that the new Baishi is about to change.

When everyone is in the most depressed mood.

A frantic voice continued to resound:

“Hahaha... New Bai's employees, I advise you to hurry up and make a living on your own! Your Chairman Lin is completely finished, and you Bai Yi President, I'm afraid I won't be able to come back!”

Zheng Hao is full of spring and full of energy at this moment.

He seemed to vent all the humiliation he had received from Lin Fan before, yelling in the entire building.

And heard this.

The faces of Baishan and Shen Yumei were as ugly as dead gray.

“Baishan, what should we do? What should we do now?” At this moment, Shen Yumei's eyes were red and swollen, and she almost cried into tears.

She worried about Bai Yi and even more worried about Lin Fan.

With the hatred between Lin Fan and Jiangnan Bai's family, that white tiger would surely shatter his corpse.

Not only Shen Yumei.

The Baishan next to him was also ugly to the extreme. Thinking of the horror of the White Tiger Legion, a deep bitterness appeared in the corner of his mouth: “Fit! Bai Yi will definitely live and die with Lin Fan. If their husband and wife die, we What's the point of the old couple being alive

!” ”

Well , let's go with them!” Huh?

Hearing this, Shen Yumei was stunned for a moment:

“You mean, let's go to the White Tiger Barracks too?”

“Yes!” In Baishan's eyes, there was a strong will and determination:

“Bai Yi and Lin Fan, both It is our children, they are about to die, how can we live alone!” In a word, Shen Yumei finally stopped crying.

“Okay! In that case, let's go to death with Lin Fan and Bai Yi!”

finished.

Shen Yumei stood up with Baishan right now, wanted to go out, and headed to the White Tiger Barracks.

See this scene.

Xiao Xianrou Zheng Hao hurriedly greeted him and stopped the husband and wife in their way:

“Mr. Bai, Mrs. Bai! You can't go!”

Huh?

Seeing Zheng Hao and Baishan's complexion, it instantly became ugly.

“Why?” Baishan had obviously heard of the hatred between Lin Fan and Zheng Hao.

This guy blocked his way, obviously with bad intentions.

“Hehe...Mr. Bai, your son-in-law and daughter have all gone to the barracks, I'm afraid they will never come back in this lifetime! Naturally you can't leave, otherwise, when Jiang Nan Bai's family comes to take over, who will be responsible?”

“I'm still going to hand over your couple to Jiangnan Bai's family!”

Zheng Hao's words were full of viciousness.

And this sentence greatly changed the expressions of the Baishan couple.

“Zheng Hao, you...you are too much!”

Baishan's expression was gloomy, almost dripping with water.

He couldn't even dream of it.

As a public figure, this Zheng Hao was so brazen, no matter what deep hatred he had with his son-in-law Lin Fan, now Lin Fan's life and death is unknown, his couple just wanted to live and die with Lin Fan, this guy actually came out to stop him.

“Excessive?”

Zheng Hao heard this, and the grin on his face became more intense:

“Excessive is your son-in-law Lin Fan! He humiliated me, he beat me, he almost killed me by the entire network! He ...Damn it!”

Boom!

Zheng Hao's words are extremely vicious.

And this sentence made the Baishan couple look pale with anger.

It was just when the couple wanted to continue to scold them.

Da da da!

There was a burst of rapid footsteps, making everyone stunned.

And just under the eyes of everyone's doubts.

A group of figures came over.
