

Chapter: 1121

Ok?

This voice stunned everyone at once, and a group of people looked sideways at the door, and they saw Lin Fan and Bai Yi walking towards them.

The expressions of the two of them were extremely gloomy.

how come?

Everyone was shocked. How could these two people come back so soon?

“Lin Fan, Bai Yi! Are you okay?” The Baishan couple was ecstatic, and hurried to greet them.

All right?

Shirakawa smiled sinisterly, his face was full of madness and pride:

“Small chop, how does it feel to spend your life? Now you are already a pauper? Hahaha!”

What!

As soon as this statement came out, the entire Galaxy Tower was immediately shocked.

The rumors turned out to be true. Bai Yi really used all his assets to exchange Lin Fan’s life?

After that, they really still have nothing.

For an instant, Zheng Hao, Shirakawa, and Bai Yifan all smiled contemptuously.

In their opinion, Bai Yi must have given all his assets to exchange Lin Fan’s life. A man has to rely on a woman to redeem his life. It is really wasteful!

Hearing that, the Baishan couple was also afraid that Lin Fan would be sad, and quickly comforted:

“The okay child, money is something outside of the body, and you can make more money after it is gone. Only our family can be safe, and that is better than anything.”

Lin Fan A warm current suddenly appeared in his heart, and he smiled and said, “Dad, Mom, don’t worry, I’m fine.”

Hahaha!

As soon as Lin Fan’s voice fell, a ridiculous laughter sounded.

Zheng Hao strode forward, a touch of arrogance and hatred appeared in his eyes, and he yelled to Lin Fan:

“Dog stuff, don’t you want to block me? Now you are a pauper, let me see how you block me!”

In his opinion , Lin Fan and Bai Yi had nothing, then they would no longer be able to pose a threat to him.

Not only him, but even Shirakawa and Bai Yifan think so, so Qi Qi laughed and sneered:

“Lin Fan, although you were lucky enough to get back a dog’s life from the White Tiger general, but the young master Bai Chen who you sinned I didn’t intend to let you go, your family... still have to die!”

He has received the news that Young Master Bai Chen is already on his way, and when he arrives, it will be Lin Fan’s death.

Thinking that this bastard who has repeatedly bad his good deeds will soon be broken into pieces by the white dust, Shirakawa can’t contain his excitement.

The smile on his face grew brighter.

“Second brother, we are a family anyway, Lin Fan also offended Bai Chen because of you, do you have a little conscience when you say this?”

Bai Shan was full of grief and indignation, his face was full of bitterness and despair.

But Shirakawa sneered, retorting Baishan with a look of disgust:

“Family? Now you are a bunch of paupers, what right do you have to claim to be a family with me?”

“Hakusan, blame your reckless trash son-in-law, who offended one after another. Bai Chen and Baihu are the two major heirs. To be family with you, do you want to drag us to death

?” ”

Second Uncle , what nonsense with them?” Bai Yifan yelled impatiently, his eyes full of resentful

Jiang Lin Fan stared at him : “First interrupt this messy leg, don’t let him run away, when Young Master Bai Chen arrives, he will kill him on the spot!” He hated Lin Fan for a long time, and wanted to get rid of it soon!

However, at this time, Lin Fan shook his head slightly: “I forgive you many times, why do you want to die?”

What!

The expressions of everyone present suddenly changed, and their eyes were full of anger.

This bastard, when his death is near, dare to speak up?

“Your support is Baihu and Baichen, right?” Lin Fan stared at them with a smile.

“Yes, Young Master Bai Hu and Young Master Bai Chen are the second and third in line heirs of the Bai family. Can you compete with them with your waste?” Shirakawa smiled contemptuously.

“Okay!”

Lin Fan nodded, his whole body suddenly became aggressive but domineering:

“Then I will let them all kneel down, do you believe it?”
