

Chapter: 1132

That can be said to be the dream of every woman. It is taken from the deepest part of the seabed for thousands of years. It has an extremely rare deep sea color and is clear and gorgeous. It is said that this kind of crystal will only take one gram in ten thousand years, and this sea blue heart has three Twelve grams, which means that it took 320,000 years to finally take shape, so it is extremely rare.

It can be called unique!

Even Bai Yi could not help but be bewitched by the fascinating jewel light at this time, his eyes never blinked!

just!

At this moment, a basin of cold water extinguished the burning hearts of the women present.

“Hailan Heart, starting price, 2 billion!”

Sky price!

Gems are unique, and such sky-high prices are also unique!

Over 90% of the women present were all decadent and sat back, full of unwillingness and regret on their faces.

Sure enough, it is exclusive to the queen, and the starting price alone is beyond the reach.

Even Sima Yan'er, a peculiar wealthy daughter, only dared to move her heart.

“Three billion!”

However, the abrupt voice rang at this moment!

Everyone was stunned and looked in one direction, raising the price by one billion at once. This is a must for Hailan's ambition.

But they found that the person who spoke was actually Empress Huangfuxuan, and they were very surprised.

Why does a man in Huangfuxuan care so much about this women's jewelry?

“Three and a half billion!”

Another voice immediately followed, since the bidder was Sima Hongrui.

At this moment, the audience was shocked!

Everyone looked at the two elders in an unbelievable way, with a deep shock in their eyes!

“What's the matter with the two youngsters, they are actually interested in such face-saving goods?”

“You don't understand, right? I heard some gossip that the two youngsters did not hesitate to bid for this sea blue heart at a high price.

, In fact, to please a big man! ”

What!

Everyone was suddenly shocked, unable to hide their shock, and stared at the speaker.

As two young people, you still need to please others?

They are the future Patriarchs of the Huangfu Family and Sima Family!

“And that big man is the famous blood prison...the mad god of blood prison!”

Jing!

The whole audience was silent!

After hearing these words, all the people present were full of canthus cracking, their hearts beating wildly, almost crazy!

The blood prison mad god, once defeated the terrifying existence of the four war gods of China with his own power, commanded the

100,000 blood prison army, and was the first warrior of the blood prison king!

There were eleven massacres in the city, 400,000 murders, and 63 battles, no one was defeated!

That is, above the God of War, a terrifying existence of the Killing God level!

Therefore, just hearing his name made all the big men present shudder and trembled like chills!

“It's more than that, I also heard that the reason why the mad god of the blood prison is determined to win against the sea blue is to give it

to the wife of the king of the blood prison, the queen!”

Boom!

These words, like that heavy bomb, completely exploded beside everyone!

Make them terrified!

Existence a hundred times more terrifying than the mad god of blood prison, the king of blood prison!

The King of Blood Prison is married? Which woman is so lucky?

To be the wife of the Demon King, then that woman must also have a background of Tongtian, right?

The entire auction room fell into a weird silence, and everyone's faces were full of shock. None of them expected that the Queen's exclusive would be given to the Queen!

Everyone turned pale with fright and didn't have the courage to bid.

After all, this is what the queen is after. Who dares to grab it?

just!

A careless voice rang at this moment:

“Five billion!”
