

Chapter: 1133

Wow!

The audience was suddenly shocked, and then stared at Lin Fan not far away, and couldn't believe his ears.

This guy, dare to bid with the two big and young?

Dare to grab something with the bloody mad god? Mobile terminal:

He is crazy!

Completely crazy!

“Lin Fan, what are you talking about!”

Bai Yi almost fainted when he heard Lin Fan's offer. Where did they have so much money?

Even if there are, but if they snatch the jewelry given to the queen, can the blood hell mad god let them go?

Lin Fan is looking for death!

“Since you like it, let's buy it!”

Lin Fan smiled, really inhumane!

He could see that Bai Yi also liked this sea blue heart very much, and the whole blood was his. What happened to sending a lot to his wife?

“Buy? Just rely on you, poor ghost?”

A sneer came from Huangfuxuan's mouth, and he glanced at Lin Fan with extreme contempt:

“Let me see if it is five billion, can you get it in your pocket? Isn't it mysterious for fifty dollars?”

Hahaha!

As soon as this remark came out, everyone burst into laughter!

And one after another looked at Lin Fan with contempt and disgust.

Just this dead poor ghost, a waste that relies on his wife to give pocket money, can he get 5 billion?

Even Bai Yi may not be able to come up with so much money at once. Why is this waste so utterly nonsense?

It's ridiculous!

Sima Hongrui also sank, and scolded murderously:

“Do you have money for this rubbish? If you can't pay the price, you will die in the blood! Get out, don't insult yourself!”

In order to please the mad god of blood prison, the two of them expressed their gratitude to this sea blue. The heart is determined to win, how can you allow Lin Fan to make trouble with this rubbish?

Lin Fan looked calm and calmly said, “Is there any money for that? What's the matter with you?”

Hearing this, everyone was immediately furious, and his eyes were filled with anger!

This bastard, dare to be so arrogant even when he died?

Damn it! Huangfuxuan snorted coldly, and a deep resentment appeared on his face:

“Ye Shihao, who allowed you to let them in? Get out of this pair of dog men and women!”

But!

Ye Shihao didn't move, and said indifferently:

“Mr. Lin, it's not a small character like you that can offend you, stop it!”

What! Huangfuxuan's expression turned ugly to the extreme, his eyes gushing with bitterness and murder: “Ye Shihao, what do you mean! Don't you really think this waste will be the king of the blood prison?”

But Ye Shihao coldly refused to answer and insisted. Own inner thoughts.

And his posture completely made Huangfuxuan crazy. He glanced at Ye Shihao bitterly:

“Good good, a dog who dares to betray my Huangfu's house, I will let you die!”

His dog was in public. Anti-water makes him embarrassed. If he doesn't do something, how can his Huangfuxuan gain a foothold in Jiangnan in the future?

Everyone also cast a mocking look at Ye Shihao, this idiot believed that this door-to-door son-in-law was the king of the blood prison?

Really sick of my brain!

“Five and five billion!”

“Six billion!”

“6.5 billion!” The two elders and youngsters bid wildly, obviously in order to win the favor of the bloody mad god and spare no effort!

However, that annoying voice sounded again, and it frightened everyone in the audience!

“Ten billion!”

When this number was exported, the audience fell into a dead silence!

Everyone's eyes were round, as if they were about to burst out of their eye sockets, staring at Lin Fan strangely.

This guy, seriously?

As soon as he heard this number, Bai Yi clutched his heart, only feeling that he was about to have a cardiac arrest, and his pretty face instantly turned pale!

This time, it's over!

And this time!

The two young masters, Huangfuxuan and Sima Hongrui, turned their heads together, and sharp murderous intent appeared in their eyes:

“Lin Fan, you are looking for death!!!”
