

## Chapter 1170

Everyone also smiled contemptuously and cast a mocking look at Lin Fan, as if they were looking at a dead person!

If Lin Fan is really Lin's genius doctor, that's all.

But he is not!

He is just a soft rice king relying on his wife, so the Nalan family will definitely not spare him after knowing that he has destroyed the cooperation with the genius doctor Lin.

"Are you finished?" Lin Fan glanced at Yanzishan faintly, and said : "After finishing talking, you can roll!"

Still dare to be arrogant?

"Good, good!" Yanzishan's face suddenly showed a vicious and vicious look: "Wait, I will report to Nalan's family immediately, you can count down for your life!"

After the words , Yanzishan left angrily. go with!

"Mr. Lin, I..."

Mike came to Lin Fan with a look of anxiety.

Fortunately, Lin Fan did not intend to care about it, but ordered:

"Empty the entire floor, I want this floor, and only leave Xun'er a patient!"

What!

Everyone was shocked!

You know, one floor can accommodate at least one hundred patients, and this floor is also all special-grade wards, and the daily hospitalization fee is as high as one million.

This guy intends to use the entire floor to serve this little girl alone?

Then their hospital loses at least 100 million in one day!

This rubbish, do you really regard yourself as Lin Donglin's genius doctor?

"Yes!"

Unexpectedly, Mike agreed without hesitation, and then suddenly yelled at everyone present,

“Everyone will get out of here. Without my order, don’t disturb Miss Xun’er!”

“Otherwise, expel her job, revoke her medical qualifications, and block the whole line of medicine!”

...

By late at night, Lin Fan had already left, and the blind woman was asleep on the hospital bed beside her.

After taking the Rejuvenation Pill, Xun’er had already fallen asleep, but suddenly opened her eyes, a pair of pretty eyes glowing with a sharp light.

Then, he opened the door of the ward and walked to the corridor outside the door!

Swish!

In an instant, more than a dozen black silhouettes that looked like ghosts appeared silently outside the corridor, all kneeling in front of Xun’er.

“Miss, the elder let us take you back to the family and inherit the position of Patriarch !” The voice is extremely respectful!

But Xun’er changed her former delicateness, glanced at these grandmasters coldly, and said indifferently:

“Someone wants to hurt my big brother, now I can’t leave Jiangshi!”

This...

a dozen grandmasters , Suddenly raised his head in astonishment, but suddenly saw Xun’er’s face!

After that, they were shocked and exclaimed in disbelief:

“Miss, your face!”

Face?

Xun’er was suddenly puzzled, and then looked at the piece of glass in front of her, and through the reflection, she suddenly saw that the originally dense scars on her face had become scabs and peeled off!

Instead, a tender and delicate face that can be broken by a blow!

Even, he was ten times fairer and ten times more beautiful than his previous self!

“Is this really me?”

Xun'er stroked her cheek, she couldn't believe it!

Immediately!

Two lines of clear tears slid down her cheeks.

“Big brother, thank you!”

She knew that if it weren't for Lin Fan, then she would be an ugly monster in her life!

Just now!

Xun'er suddenly turned around, her voice filled with endless enthusiasm and worship, and commanded the dozens of masters: “The order goes on, from now on, the family will look forward to Lin Fan's horse!”

“He gave birth to life, he died and died! “

## **Chapter 1171**

A few days later!

A piece of news caused a sensation in the entire Jiangshi!

That is the voice of the four hidden world giants in Jiangnan, planning to make a collective investment in an enterprise in Jiangshi!

The whole Jiangshi was extremely shocked!

You know, the four hidden world giants, any one, is enough to dominate the entire Jiangshi!

But now, the four hidden world giants have joined forces to invest in an enterprise in Jiangshi?

Which company actually has such a big face?

Major media, crazy reports, are speculating on who the lucky one is!

The people of Jiang City are also very excited. The four hidden world giants plan to invest in Jiang City. Then the development of Jiang City in the future can be described as flying into the sky.

At this moment!

Shen Yumei and Baishan's family also sat in front of the TV, watching the report in the news, shocked.

"The four giants are actually planning to invest in a company together, and even more so that the profit is 50%. How is this investment? This is simply giving away money!" Shen Yumei exclaimed.

"No, the four giants invest together. That company has a profit of hundreds of billions of dollars a year. I think there must be a big man in that company, and the four giants will please the four giants at all costs!"

Baishan's face was shocked, his heart beating wildly.

What is worth the investment of the four giants in the small city of Yijiang City?

This must be the meaning of a big man!

Lin Fan on the side laughed, and sighed that Baishan had a keen sense of smell, and he had discovered all this.

Immediately, he laughed and interrupted: "Perhaps the four giants are here to invest in our New Bai family?"

Ga!

The conversation stopped abruptly.

Bai Shan and Shen Yumei turned their heads instantly and looked at Lin Fan with an idiot look.

"How does your child's mouth look like you didn't have a door? How can the four hidden giants take a fancy to our family?"

Shen Yumei said angrily, "Furthermore, our family can't let the four hidden worlds. A big man who bows to his knees!" Lin Fan touched his nose helplessly, and thought to himself: Who said that there are no big people in our family, am I not?

Shen Yumei and Baishan did not know that the four giants were about to invest in the new Bai family, and Bai Yi had become the power of the four giants.

It was only because Lin Fan deliberately let the four giants block all the news when they were in Jiangnan, the news was not leaked to Jiangshi, and even Shen Yumei and his wife were kept in the dark.

boom!

And just now!

The door was suddenly kicked open!

This movement suddenly changed the expressions of the three people in the house.

Then, they saw that Old Man Bai and the others walked in strode.

Father Bai's face was even more embarrassing and contemptuous, and he directly cursed:

"Your family, get out of me!"

"Dad, this...what the hell is going on?"

Bai Shan suddenly He walked up tremblingly and asked anxiously.

"Huh!"

The old man snorted and looked at Baishan in disgust:

"Have you not read the news? The four giants will invest in Jiangshi. I have received news that the four giants came to invest in Jiangshi. , It is our Bai family in Jiangshi! "

What!

Upon hearing this, Bai Shan and Shen Yumei trembled all at once, completely frightened.

The four giants are actually going to invest in the Bai family in Jiangshi?

Soon!

The old man Bai sneered and said: "And I also heard that the Huangfu family, the most prosperous of the four giants, was destroyed because it offended a very terrifying big man."

"And that big man, one sentence made Ye Shihao become The new lord of the giants, the four giants today are all under his control!"

“This time the four lords come to invest in us, and the big man may also be with you! So, I plan to clear the house for entertaining That big man, you guys get out of here!” The words came out!

There was an incredible shock on the faces of Shen Yumei and Bai Shan!

Earlier, they had heard that Huangfu’s family destroyed the family for no reason, but it turned out to be because of a mysterious big man!

One word destroys the wealthy, one word builds the wealthy, who is that big man?

At the moment, there is a deep bitterness on their faces, because they know that they can’t afford this kind of existence, so they can only move!

It’s just that there are so many properties under the name of Mr. Bai, why does Mr. Bai have to ask for their family?

This is obviously intentional!

Shen Yumei and Bai Shan looked at each other, feeling sad in their hearts, and planned to pack up and leave the home where they had lived for many years.

just!

Just now!

“How do you know that the four Patriarchs are here to invest in Jiangshi Bai’s family, instead of investing in my New Bai’s?”

## **Chapter 1172**

what!

As soon as this statement was made, everyone’s expressions changed drastically!

Then, Qi Qi looked at Lin Fan who was smiling, and a ray of anger rose in his eyes instantly!

Especially the old man Bai, his eyes were full of murderous intent, because he already knew that the expulsion of Baichuan, Bai Yifan and others from China was related to the waste in front of him.

So now I hate Lin Fan even more!

Now!

Old Bai’s face suddenly sank, and he roared in disgust:

“What are you talking about? Invest in your new Bai family? You don’t take a piss and take your own virtues, are you worthy of the four giants to invest?”

“I tell you Lin Fan , The four giants decided to invest in my Bai family, and it must be the instruction of that big man! With him supporting us, our Bai family will surely rise to the top, and then we will definitely take back the Bai’s medicine, and then bring you back to the Bai’s... ”

Step on your feet fiercely!”

All the Bai family members on the scene also sneered and cast contemptuous glances at Lin Fan.

nonsense?

Lin Fan sneered at the corner of his mouth and said, “Perhaps, did you really make a mistake?”

As everyone knows, for the four giants now, the Bai family is not referring to Father Bai and others, but Bai Yi!

“This news came from a high-level Jiangnan Bai family. How could it be wrong?”

“Heh! I think they were swept out of the house by us and missed this big opportunity, so I cherished grudges, and this was the only way to speak badly. ”

How long has your new Bai’s medicine been established? How can it be compared with the rich background of my Bai family. The four giants will invest in you? It’s just a idiot!”

All the people of the Bai family, with a sneer on their faces, said to Lin Fan. ridicule.

At this time, the old man Bai, his face is also ugly to the extreme, he scolded Baishan, “Baishan, this is your good son-in-law! I limit you to pack up your things and get out within an hour, otherwise I will let people lose you. Get out!”

Hear the words!

Bai Shan’s heart was chilled to the extreme. This is his father.

As the saying goes, tiger poison does not eat children, but the old man Bai seems to be anxious, stepping him on the soles of his feet, and there will never be a day to turn over!

Lin Fan’s eyebrows suddenly gathered a touch of hostility, and said coldly:

“Grandpa, I said before, you will regret it!”

“Now, you are getting closer and closer to the days of regret!”

What!

The audience was shocked!

How dare this guy threaten them?

Don't you know that their Bai family is about to take off?

This is simply looking for death!

“It's the opposite! You are the opposite!”

Now!

The old man Bai was furious, and suddenly roared: “Come here! Discard this reckless trash!”

Regret?

How could he regret it?

Sweeping Lin Fan's family out was the clearest decision he had ever made in his life.

He has decided that when the Bai family officially cooperates with the adult, he will immediately take back the Bai's medicine, and then embezzle the new Bai's!

Then, all this family will be expelled from Jiangshi!

But as soon as the voice fell, a person rushed in from the door, and then whispered a few words in the ear of Mr.

“what!”

The old man Bai's expression changed drastically, and he was shocked: “The four masters, how come they are here so soon?”

Wow!

Everyone was also stunned. They didn't seem to expect that the four masters only released the news in the morning, but they had arrived in Jiang City in the evening.

They are so eager to reach a cooperation with their Bai family?

Thinking of this, all the Bai family members were so excited that they were about to faint. The four great masters value them so much.

The anger of the old man Bai was also extinguished by this sudden surprise, and he immediately ordered:

"Hurry up, prepare the vehicle, and go to meet the four masters!"

At the same time!

He glanced at Lin Fan fiercely:

"I'll give you one night to move out, otherwise...you will do it at your own risk!" As he said, he led a group of excited Bai family members and ran out in a hurry.

Bai Shan sighed and smiled bitterly: "Xiao Fan, do n't froze, go and pack things!" "Dad, don't worry, no one can let us move out!" Lin Fan said with a smile.

"Don't do it. We can't afford to be able to control the existence of the four giants." Baishan smiled bitterly, with a deep guilt on his face:

"It's useless Dad, even our home can't be kept!"

"Dad" , You believe me!"

Lin Fan grasped Bai Shan's hand and solemnly promised: "Tonight, all of them will regret for sweeping us out!"

"Tonight, all of them will kneel down, please forgive me! "

### **Chapter 1173**

just!

For Lin Fan's words, Shen Yumei and his wife only regarded them as comfort.

Now that the Bai family has been favored by that mysterious big man, how could it be possible to kneel to them?

“Okay, Xiaofan, you should hurry up and pack your things!”

At this moment, Bai Yi walked in, but when he learned what had happened, he was also angry.

Immediately, I was going to find Mr. Bai for the theory!

“Don’t worry, wife, I have already arranged it!”

Lin Fan said with a smile.

arranged?

The Baiyi family looked at each other and didn’t even understand what this meant.

As soon as Lin Fan’s voice fell, a loud roar of cars came from outside the door abruptly.

It made a family of three shocked inexplicably!

When they walked out the door, they were completely stunned by the scene in front of them!

A dozen Rolls-Royces worth tens of millions are lined up side by side.

A group of people in black walked out of the car together, with a solemn and respectful expression, and then bowed solemnly to Lin Fan and the others:

“See Mr. Lin! See Mrs. Lin!”

Hs!

Mr. and Mrs. Shen Yumei immediately took a breath of cold air, and a deep look of horror appeared on their faces!

I can’t believe my eyes!

Such a magnificent and shocking scene, turned out to be for their home?

Especially, when they saw the person in front of them, their legs suddenly weakened, almost paralyzed to the ground!

There was an incredible shock on that face:

“White...Master Baichen?”

The person in front of him turned out to be the third heir to the Jiangnan Bai family, but now he is incredible, bowing respectfully to Lin Fan and Bai Yi.

Are they dreaming?

“Madam, sir, I’ll pick you up for the dinner!”

Bai Chen said loudly.

It turned out that tonight, the four masters planned to unite to host a dinner together, and the protagonists tonight are Lin Fan and his wife.

Because they intend to officially announce their cooperation with Xinbaishi tonight!

And how can the king and queen of the blood hell be driven casually?

If it weren’t for Lin Fan’s request to keep a low profile, they even planned to fly a helicopter to pick them up.

Is this the arrangement Lin Fan said? Shen Yumei and his wife immediately stared at Lin Fan with a ghostly look!

Why does Lin Fan have such a big face?

Let the Bai family’s third-in-line heir come to meet him personally?

Lin Fan quickly denied it and said with a smile:

“This has nothing to do with me. They are all looking at Bai Yi’s face!” When Bai Yi heard this, he immediately recovered from the consternation, and immediately believed it. Then he said to Shen Yumei and his wife:

“Dad, mom, don’t worry, I will never let them take our home!”

Then, Bai Yi and Lin Fan got into the car respectfully greeted by Bai Chen.

All the people in black immediately bowed respectfully to Shen Yumei and his wife, then turned around and opened the door to get into the car, their movements were neat and uniform, as if they had been rehearsed tens of thousands of times!

Puff!

Immediately, Baishan collapsed to the ground in fright, his heart pounding wildly, and said in disbelief:

“That, is this really our daughter? How do I feel that she is like a high queen!”

As everyone knows, Bai Yi looks like a queen because her man is a king!

at the same time!

Outside the only seven-star hotel in Jiang City, Mr. Bai led the Bai family to the hotel in a hurry, with excitement and ecstasy on everyone’s faces!

As if right in front of us, there is Broad Avenue!

“Get out, get out quickly!”

However, at this moment!

A scolding, but it disturbed everyone in the Bai family.

Then they saw that a series of extravagant and majestic Rolls-Royce motorcades, like a long dragon, passed in front of them one by one!

Everyone in the Bai family glanced at the license plate, and immediately their pupils shrank severely, and they all exclaimed:

“This is Master Bai Chen’s motorcade!”

#### **Chapter 1174**

Master Bai Chen, the third heir to the Jiangnan Bai family!

In their eyes, it was like a fairy.

Therefore, the entire Bai family suddenly showed admiration, staring at the sky-high luxury cars that passed by one after another.

With a fleet of nearly 200 million yuan, how luxurious this is, it directly makes all the people of the Bai family look envious!

“So stylish!”

A young descendant of the Bai family couldn’t help but admire, and couldn’t hide his envy.

“Nothing to do!”

The old man Bai suddenly reprimanded, with a look of contempt on his face, and said proudly:

“When we reach cooperation with the four giants and come into contact with the horrible existence behind them, our Bai family will be a hundred times more majestic than him. !” The words came out!

Everyone in the Bai family immediately raised their heads proudly, their faces full of triumph.

It seems that today, they will fly to the top!

just!

Suddenly someone opened his mouth and said, “Hey, it looks like Lin Fan is in that car!”

Lin Fan?

Everyone was taken aback, and then burst into laughter!

“Nonsense! How can a waste like Lin Fan go with Young Master Bai Chen? Are you insulting Young Master Bai Chen?”

“Yes! That waste is not worthy of even carrying shoes for Young Master Bai Chen, so what qualifications do you have? Companion? You must be mistaken!”

Everyone agreed that the other party was mistaken, and that waste like Lin Fan was not qualified to appear here.

“Okay, talk about what a dying person does?”

The old man Bai said impatiently, because he had decided to drive the Baiyi family out of Jiangshi after reaching cooperation with the four giants!

And Lin Fan will be cut by him... a thousand knives!

That rubbish caused my son and grandson to be expelled from China... it's damned!

After that, everyone in the Bai family walked into the hotel full of excitement.

But this time!

Zhu Yun was also at the banquet, but his face was full of ecstasy.

Because he had intercepted confidential information by means, the reason why the four giants came to invest in Jiangshi was entirely because of the instruction of a big man.

And that big man turned out to be the prestigious King of the Blood Prison!

That, but the god in his heart!

After learning the news, he couldn't hide his fanatical mood, and desperately wanted to see his idol's demeanor.

Especially, when he learned that the King of Blood Prison and Lin Zuo were most likely the same person...

he was just going crazy!

It turned out that I wanted to flatter myself, but it turned out to be my idol!

In the world, is there anything more honourable than this?

He has already decided.

Once the King of Blood Prison appeared, he immediately knelt in front of him, expounding his adoration, begging him to earn himself under his command no matter what.

Thinking of this, a spiteful smile appeared on Zhu Yun's face:

"Bai Yi, Lin Fan, you guys and dogs will wait for me. As long as I go to the Queen of the Blood Prison, the first thing is to ask you not to So dead!"

But at this moment!

The two figures that appeared at the door made his face completely gloomy.

Say Cao Cao, Cao Cao is here!

The two people standing at the door turned out to be Bai Yi and Lin Fan who caused him to be kicked out of Longhu!

Now!

His eyes seemed to burst into flames, and there was a deep hatred in the depths of his eyes!

Then he strode towards Lin Fan and walked over!

### **Chapter 1175**

just!

Before Zhu Yun took the trouble, Mr. Bai and others noticed Lin Fan.

When he saw them, the old man Bai's face suddenly became gloomy, and he shouted sternly:

“Who made you two broom stars come, get out of here!”

Wow!

This roar immediately shocked everyone present.

At this moment, Bai Yi was completely stunned, and he didn't seem to expect that his grandfather would hate them so much, and just let them go without saying anything.

Not only Mr. Bai!

Everyone in the Bai family at this time, after seeing Lin Fan and his wife, their faces were also full of disgust.

“These two broom stars must have known that our Bai family is about to become yellow, so cheeky to flatter me, but I tell you... no way!”

“It's shameless to embezzle our Bai family and want to flatter us. Now I know that I regret it, but unfortunately it is too late. When we reach a cooperation with the four giants, we will do everything possible to make you bankrupt and pay a terrible price!”

“Hurry up! If you let the four masters know that you are uninvited !” , You must die!” He shouted, resounding at this moment!

Also let everyone present be shocked!

These two people turned out to be uninvited?

This is simply looking for death!

If the four masters know that a cat and a dog will come in, they will be furious, and the fate of these two

people will be extremely miserable!

Immediately, everyone looked sarcastically, and cast their eyes at Lin Fan and Bai Yi as if they were dead.

just!

At this moment, Lin Fan smiled slightly:

“Who said we came uninvited? We, but received the invitation letter!”

What!

Everyone’s expression changed!

On the Bai family’s side, even the hall was roaring with laughter, with a look of disbelief. Mobile phone:

“Just because you two wastes are eligible to receive the invitation? It’s ridiculous!”

Old man Bai looked disgusted, and then glared at Bai Yi:

“Bai Yi, don’t blame me for not reminding you, if you don’t want to be dragged down by this waste , Just get out of here!”

“Otherwise, once the four masters come, you may want to go but can’t leave.” But the voice just fell!

“They, can’t leave!”

A voice full of hatred, followed by sound!

When everyone looked intently, they saw Zhu Yun with a vicious look. He strode over and stared at Lin Fan and his wife fiercely:

“You two men and women have ruined my future. Today I will worship Enter the gate of the forest seat, and then I want you...not to die!”

Wow!

When this remark came out, everyone was shocked!

Will Lin Zuo appear here tonight?

Is it true that the rumors are true that the man standing behind the four giants is the mysterious Lin

Zuo?

Thinking of seeing the grace of the mysterious forest seat soon, the faces of everyone present were full of excitement!

That, but it's like a god!

Dominate the army, high position!

Then, their gazes at Lin Fan became colder and colder.

For those who trespassed at the banquet and offended the subordinates of Lin Zuo in the future, these two people simply don't know the heights of the sky.

Damn it!

However, there is more to it!

"Master Lin is here!"

A shout suddenly came from outside the door!

boom!

Simple four words, but the words are like thunder, which explodes wildly in everyone's minds!

Immediately!

A group of people all showed awe and looked in the direction of the door with incomparable fear.

"Master Lin...Master Lin is here!"

"Master Lin, which Master Lin?"

One person asked in a low voice, but I didn't know why.

"Idiot! You don't even know Young Master Lin? In the last month, he suddenly rose up in Hailan City, and he became the city's co-owner overnight!"

"Just because of his backing, it is most likely that he has millions of soldiers. The King of the Blood Prison!"

Blood... the King of the Blood Prison!

These words seemed to have some kind of magic power, causing everyone present to shudder.

The boundless fear, instantly fills my heart!

咚咚咚...

the sound of a crutches hitting the ground from far away.

Then, a man with a gloomy face in a Chinese suit limped in.

At the moment when she saw the other party, Bai Yi suddenly lost her color:

“Lin...Lin Guangyao!”

### **Chapter 1176**

Bai Yi never dreamed that Lin Guangyao, who had been missing for a long time, would suddenly appear here.

Moreover, has become the lord of Hailan City bizarrely?

Lin Fan was surprised at the appearance of Lin Guangyao, but he was amused. When did he become the supporter of this fellow?

Lin Guangyao also cast his gaze at Bai Yi and Lin Fan, his eyes gushing with viciousness and resentment:

“Lin Fan, Bai Yi, we finally meet again. During this period of time, I don’t want to break your corpses all the time. Wan Duan!”

Because of Lin Fan, he was abolished by a leg, and then went bankrupt, like a bereavement dog, fled the United States! Mobile terminal:

Fortunately, he met the great King of Blood Prison in the United States and became his eagle dog. Now he is the spokesperson of the King of Blood Prison and rules a city.

Therefore, he is confident that killing Lin Fan and other ants now is easy!

So now returning to Jiang City, he has only one purpose, to torture Lin Fan, and then to insult Bai Yi to death.

just!

This is not over yet!

“If you want to kill this pair of dogs and men , count me!” In the crowd, a fierce voice sounded again, and a handsome man squeezed the crowd and walked out with a grinning smile!

It turned out to be Yanzishan!

Everyone was shocked again. This person is the spokesperson of the Nalan family. Is it possible that he is another fierce person who has enemies with Lin Fan and his wife?

As if to confirm everyone’s guess.

Now!

Yanzishan was staring at Lin Fan and his wife, revealing fierce murderous intent in his eyes:

“This dog and woman ruined the cooperation between my Nalan family and Lin’s genius doctor. Now the Nalan family is furious and has issued an order for them to pay their blood. Price!”

Boom!

The audience was immediately shocked, and everyone was panicked and horrified!

They couldn’t believe everything they heard.

The three existences with the background of the sky all want to put the couple in front of them to death?

This is incredible!

So...

Lin Zuo!

Nalan’s house!

The King of Blood Prison!

These three monstrous behemoths will be completely enemies with Lin Fan and his wife!

These three unite together like a nightmare. Looking at the entire China, who can resist?

And the three of their spokespersons all wanted to smash the bodies of Lin Fan and his wife, so these two people are now divinely hard to save!

No doubt he will die!

And hearing that Lin Fan and Bai Yi angered the spokespersons of the three super hegemony at the same time, the old man Bai was suddenly shocked!

Fortunately, I swept these two broomsticks out at the very beginning, otherwise I am afraid that they will be dragged to death at this time!

But now Bai Yi is increasingly disgusted.

It was all because of marrying a troublesome trash that ended in such a miserable end, and now offending the spokesperson of the three overlords at the same time, it is more than deadly!

The atmosphere is terribly quiet at this moment!

Everyone looked at Lin Fan and Lin Fan with ridicule and contempt, as if they were already dead.

These gazes, like a sharp blade, pierced Bai Yi's heart fiercely, causing her body to tremble, and a deep despair appeared on her face!

But right now!

A big warm hand hugged her.

There was a warm smile on Lin Fan's face: "Don't worry, there is me for everything!"

"You!"

Bai Yi looked at Lin Fan in astonishment, not knowing what her husband was going to do again.

then!

Lin Fan looked at everyone:

"Today is my wife's big day. I don't want to kill anyone..."

“Kneel down and live!”

## **Chapter 1177**

what!

Hearing Lin Fan’s reckless words, everyone was immediately dumbfounded!

One by one, their eyes were so round that they couldn’t believe their ears!

Big day?

Can you live on your knees?

Is this kid crazy?

Where did he have the courage to say such a thing!

Everyone on the scene stared at him in disbelief, and there was a deep consternation in their eyes.

Then, there was a burst of neat laughter.

“Is this idiot having fun in his head? The spokespersons of the three major hegemony are all enemies. Today is obviously the death date of their couple. He even said that today is the day of her wife’s rejoicing?”

“This kid is scared.” You’re stupid, I’m all starting to talk nonsense. I dared to let the three youngsters kneel down. Does he regard himself as the three major hegemony?”

“It’s the first time I have seen someone who has been looking for death like this. Seeing it, I finally know why the three youngsters are killing him, this idiot is too damn!” There was a cry of contempt, and it continued to resound in the court!

It also made the contempt on the faces of Mr. Bai and the others more intense.

Even now, he still dared to speak arrogantly, this rubbish is really looking for death!

Bai Yi was so blind that he would choose such a waste to be her husband. Now he is afraid that he will be exhausted to death by Lin Fan!

After hearing these words, Yanzishan and the other three immediately stared at Lin Fan, with murderous intent in their eyes.

They never thought that Lin Fan would dare to be arrogant!

This is not to put them in the eyes!

At the moment, Lin Guangyao's face was filled with contempt:

“Just because of you rubbish, are you worthy to make the spokespersons of our three overlords kneel?”

But a disdainful smile appeared at the corner of Lin Fan's mouth:

“The spokespersons of the three overlords? What a fart!”

Lin Guangyaosan People rely on him, two are himself, and one is his defeated men. Why is he afraid?  
Wow!

For an instant, the audience was completely uproar!

crazy!

This kid is completely crazy!

Insulting the spokesperson of the three hegemony is equivalent to insulting the three hegemony!

This guy is just begging to die!

Just listen to this!

Yanzishan was ecstatic. This guy blatantly insulted Nalan's family, and he was still in full view, so Nalan's family must be furious!

This kid must die!

On the side, Lin Guangyao shook his head in disappointment. He is now the spokesperson of the King of Blood Prison, the underground emperor who sits in a city!

But Lin Fan hasn't grown in the slightest, and he is still a trash who only knows how to play hard!

He even felt that if he came to kill such waste, he was a bit insulting his current identity!

Immediately, Lin Guangyao looked to the side of Bai Yi, with a strong lust and greed in his eyes:

“Bai Yi, don’t say I won’t give you a chance, as long as you abandon this waste now and become my woman...”

“I can think about it, spare your life!”

Now, he still doesn’t give up on this woman, wants to completely possess her and play with it wantonly!

“You are dreaming!”

Bai Yiqiao blushed, suddenly yelled, and then stood firmly beside Lin Fan:

“No matter what my husband does, I will advance and retreat together with him!”

“Good, good.” Lin Guangyao’s eyes suddenly appeared thick and cruel, and gritted his teeth:

“Damn bitch! I’m so good, but you repeatedly ignore me. , On the contrary, I like a useless waste!”

“Since you are given a chance and you don’t cherish it, then I will let people take you to death!”

## **Chapter 1178**

“What nonsense with them, break their hands and feet directly, wait for Lin Zuo to arrive, and then make a decision!”

Zhu Yun’s face suddenly appeared thick and cruel, and then step by step towards Lin Fan and his wife!

Bai Yi grabbed Lin Fan’s hand nervously, her pretty face was already covered with ashes.

Because she knows that Zhu Yun is a three-star warrior, so his strength should be among the top masters, breaking the hands and feet of ordinary people like them is easy.

Broken hands and feet?

Lin Fan suddenly gathered a sense of hostility between his eyebrows:

“Then break your hands and feet!”

Huh?

At this moment, everyone at the banquet was stunned.

This guy actually agrees with Zhu Yun’s approach?

Could it be that he has accepted his fate?

Thinking of this possibility, everyone's faces were suddenly filled with contempt.

I just said arrogantly, but now I admit it?

That's ridiculous!

There was also a gloating smile on the faces of Mr. Bai and the others, staring at Lin Fan with spitefulness.

This rubbish has repeatedly damaged the good deeds of their family and caused Shirakawa and others to be driven out of China. Now this rubbish is finally dying!

just!

”

Patriarch of the Bai family is here!” A loud shout came from outside the door!

Everyone was completely shocked!

Has Zheng Honglian arrived yet?

So what kind of expression would she have when she knew that the person who separated her family would dare to despise the existence of Lin Zuo and others?

Everyone suddenly looked gloating!

Now, Lin Fan and Bai Yi are in disaster!

Da Da Da...

A neat sound of footsteps came from the door.

Then a beautiful woman wearing a cheongsam, surrounded by everyone, strode!

His face was frosty, graceful and luxurious, and he was full of grandeur as soon as he appeared on the stage. The aura made all the big brothers present feel breathless!

And behind her, followed by Bai Chen and Bai Hu, the two heirs in line!

Zhu Yun was taken aback, and then a grinning smile appeared on his face. He sneered at Lin Fan:

“Trash, the Patriarch of the Bai family is here, and you are... over!” At this time, the old man and others saw Zheng Honglian appear on the stage. There was a sudden shiver, and drops of cold sweat continued to drip from his forehead. At this time, the tension was extreme. “The Bai family master, Lin Fan, the waste son-in-law of the Bai family, dare to insult Lin Zuo. Everyone present can testify. I implore you to punish this bold lunatic!”

Nothing appeared on his face. A kind smile!

what!

Zheng Honglian and the others were immediately dumbfounded, Lin Fan insulted Lin Zuo?

Isn't that cursing yourself?

At this time, the old man Bai also hurriedly stepped forward and unequivocally dismissed the relationship and said:

” Patriarch , this matter was done by a beast of Lin Fanna, and has nothing to do with my Bai family! Please, the Patriarch will smash it into pieces. Paragraph, to prove that my Bai family is innocent!”

“Grandpa, you!”

Bai Yi looked at her grandfather in disbelief, couldn't believe her eyes.

Seeing that they are in trouble, Mr. Bai didn't help, but he still fell into trouble?

Immediately!

Zheng Honglian finally understood what was going on. A sneer suddenly appeared at the corner of her mouth, and Zhu Yun stared at Zhu Yun condescendingly:

“What do you want me to do?”

Hearing this, Zhu Yun suddenly showed ecstasy and said hurriedly:

“Of course it is first. Break your hands and feet to prevent him from escaping, and then wait for Lin Zuo to arrive, and let Lin Zuo decide!” “Okay, then break your hands and feet!” Zheng Honglian sneered and turned back to Bai Hu and said,

“Baihu, do you know how to do it?”

“Know!”

Bai Hu snorted, his face instantly covered with murderous intent, and then strode towards Lin Fan!

“This kid is over! This kid must be crippled!”

“Hahaha, deserve it! This is the end of the arrogant, daring to ignore the forest seat, this kid deserves a million to die !” “ Stopped and waited for death, this is it! It’s the fate of this guy!”

Everyone sneered, as if they could already foresee the miserable scene of Lin Fan’s broken hands and feet!

At this time, Zhu Yun’s face was also full of brutality, looking forward to Lin Fan’s tragic moment!

Click!

In the next instant, there was a bone crack and a sudden sound!

“Haha, it has been abolished! This trifle has been abolished!” Hearing this voice, Lin Guangyao screamed, even though it was frantic, with a look of excitement on his face.

And everyone also showed an expression of “it really is so”, in their eyes, Lin Fan is already a useless person!

But right now!

Ouch!

A scream like killing a pig suddenly resounded through the audience!

Then everyone was horrified to discover that it was not Lin Fan...

but...Zhu Yun that had their hands broken !

**Chapter 1179**

When I saw this scene, the whole banquet hall suddenly fell into a dead silence!

The grinning smiles on everyone's faces were completely solidified!

Then there was an extreme panic, and at this time they all couldn't believe their eyes!

Bai Hu actually abolished Zhu Yun!

What exactly is going on!

This scene drove everyone crazy, and immediately stared at the white tiger with horrified eyes!

"Baihu, you...you dare to hurt me!"

Zhu Yun's eyes were cracked, his face was full of pain, and he was going crazy.

He didn't even think that Bai Hu would shoot at him. By the time he reacted, it was too late. His arms had been completely fractured!

He became a useless person!

Baihu's face also showed a grinning smile:

"Didn't you say that you want to break the hands and feet?"

"Asshole! I'm talking about breaking the hands and feet of the dog and the man. Are you an idiot?"

Zhu Yun roared hysterically. This white tiger actually misunderstood his meaning so foolishly.

It's a pig's brain!

just! Bai Hu looked at Lin Fan and his wife, with an ironic smile on his face:

"Sorry! I can't offend our Bai family, the future owner!" The words came out!

Everyone at the scene suddenly changed their expressions, and their scalp exploded on the spot, almost immediately scared to pee!

Hallucinations!

This must be an illusion!

What did they hear?

Bai Hu, actually called Lin Fan and Bai Yi, the future Patriarch of the Bai family?

How is this possible!

Especially Mr. Bai!

At this moment, after hearing Bai Hu's words, his palm suddenly shook, and the wine glass suddenly fell out of his hands!

Click!

In an instant, it was smashed to pieces!

But he seemed as if he hadn't heard of it, his eyes were dull, and he stared at Baihu, completely frightened.

Puff!

Puff!

At this time, his heart beat violently, and he couldn't believe his ears.

Lin Fan and Bai Yi, are the future Patriarchs of the Bai family? ? ?

"Master Baihu, are you... are you kidding me?" All the members of the Bai family who were present at the scene trembled violently, looking at Baihu in fear.

All the guests around were staring at the white tiger with horrified eyes at this moment, with a thick incredibility on their faces.

The Patriarch of the Bai family rules Jiangnan and works under the king of the blood prison. How can these two wastes, how can he take this important task?

This is so... it's a fantasy!

But at this moment, Zheng Honglian took a step forward and said loudly:

"I announce! From now on, Bai Yi will inherit the position of the Patriarch of the Bai Family. Zheng Honglian will see the Patriarch!" Wow

!

Behind them, Bai Chen, Bai Hu and others, all knelt down towards Bai Yi!

“See Patriarch!” What everyone thought was the most impossible thing, after all, happened!

Bai Yi has really become the Patriarch of the Bai Family!

See here!

Father Bai suddenly felt his legs become weak, and the cold sweat on his forehead slipped ticking down. It turned out that it was Lin Fan who was in the car just now!

He couldn't figure it out. They were enemies with Bai Yi. How could she become the Patriarch of the Bai family? This news was a nightmare for them to separate the family!

So that the whole person who divided the family, a deep feeling of remorse emerged in the heart!

Bai Family, Patriarch!

That is one of the four hegemony that rule the entire Jiangnan Province!

That means that Bai Yi can enjoy all the resources and power of the Bai family in the future, and the whole Jiangnan will be crawling under her feet if the wind is the wind or the rain is the rain.

But they separated Bai Yi from the house, which is simply stupid!

They missed a great opportunity!

just!

Zhu Yun smiled grimly:

“Even if it is the Patriarch of the Bai family, this couple has insulted the Lin Zuo, the King of Blood Prison, and the Nalan Family. They are already inexcusable and will die!” Being a subordinate of the king, but daring to protect them, you... will die!”

## **Chapter 1180**

Wow!

As soon as this remark came out, everyone suddenly recovered from the shock.

Playful sneers appeared in the corners of the mouth one after another!

Yup!

Even if Bai Yi has become the Patriarch of the Bai family, nothing can be changed, because the sins they have committed are the three prominent overlords of China's fierce reputation!

Any one is enough to affect the entire China!

Zheng Honglian chose to stand on their side, so she was seeking her own death!

There was a disdainful smile on everyone's face, insinuating Zheng Honglian's stupidity in their hearts, and protecting the two men who committed serious crimes!

And upon hearing this, the regrets in the hearts of Old Man Bai and the others disappeared in an instant.

What about being the head of the family?

Not a short-lived emperor?

Offended the three major overlords, these two broom stars are destined to be a dead end, but fortunately, they have already drawn a line with them early in the morning, otherwise they are afraid that they will be involved.

But Zheng Honglian smiled contemptuously, ignoring everyone's ridicule and dissatisfaction, and directly shouted:

"Open the table!"

What!

These words once again dazzled everyone present!

Before the mysterious forest seat arrived, Zheng Honglian announced the opening of the seat?

This is simply a desperate move, a complete death-seeking move!

however!

What's even more shocking is yet to come!

Under the horrified eyes of everyone, Zheng Honglian took Bai Yi and Lin Fan and sat on the main seat!

boom!

The audience was completely shocked!

In this scene, everyone in the entire hall looked at Bai Yi and Lin Fan in disbelief!

Zheng Honglian, actually let this couple sit on the position that should belong to Lin Zuo?

Crazy...

This must be crazy!

At the moment, Lin Guangyao's eyes were cold and cold, and he shouted: "Zheng Honglian, you are so bold! As a servant of the king, not only protects the king's enemies, but even dares to take the position of the forest seat, you It's to set up a great enemy for the king!"

"The other three Patriarchs will not let you go!"

Seeing it!

Father White extremely gloomy face, facing Lin Fan duo shouted:

"!?! Get out of here down to that position, are the two of you can sit waste do you want to die, do not drag us,"

White House separation of the crowd, They were also irritated, and they scolded them in horror:

"Bai Yi, Lin Fan, you want to die, don't drag us down, get out!"

"Assholes, you don't take a pee and follow your own virtues, what qualifications do you have to occupy the forest seat? The position? I advise you not to mistake yourself!"

Where is Lin Zuo?

Upon hearing this, Bai Yi suddenly paled with fright, and she was about to stand up.

But Lin Fan on the side grabbed her hand and said with a smile:

"Don't worry, it's okay!" It's okay? When they heard this, everyone immediately sneered.

Sitting in the seat of the forest seat, does this kid dare to say that it's okay?

Isn't this really ambitious?

Wait for the three masters and Lin Zuo to arrive, let's see how this idiot ends up!

Everyone at the scene laughed gleefully, looking forward to seeing what Lin Fan and Bai Yi were unlucky.

And just now!

Say Cao Cao, Cao Cao is here!

An announcement came from outside the door that the other three Patriarchs were also here!

Immediately!

In Lin Guangyao's eyes, there was a strong ferocity, and he stared at Zheng Honglian firmly:

"The three main masters have arrived, Zheng Honglian, you just wait to bury the dog and the man and woman!"

Then, his eyes turned, cold. Staring coldly at Lin Fan and Bai Yi:

"Lin Fan, Bai Yi, your good days are over!"
