divorce?

Bai Yi didn't even think about it, so she shook her head:

"I'm sorry, grandpa, I can't do it!"

Lin Fan was to save her, so she pretended to be the King of the Blood Prison, but she abandoned Lin Fan?

Is she still human?

"Stupid!"

Old Bai's face suddenly sank, and he shouted violently, "Do you think that you can stop the man who claims to be the strongest man in the world? You are looking for death!" "I have reached a consensus with Lin Guangyao. , As long as you sleep with him for one night, he can consider interceding in front of the King of Blood Prison, so that you and our Bai family will be in peace. "

What!

Bai Yi couldn't believe her ears, and said anxiously:

"Grandpa, then Lin Guangyao is a scumbag, how can you cooperate with him?"

Just!

Elder Bai glanced at Lin Fan contemptuously:

"What's wrong with the scum, at least they are now the big red man in front of the King of the Blood Prison. After you follow him, you will be more than 10,000 people under one person!" "Better than this rubbish, Wouldn't it be a hundred times stronger? When the time comes, my Bai family will be able to follow the light!"

Thinking of this, the faces of Elder Bai and others were full of excitement.

That's the King of Blood Prison!

If they can get along with them, their Bai family will be rampant in China in the future, no one can stop them!

But these words made Bai Yi completely chilled!

It turned out that, for their part, she was just a tool they used to exchange wealth and power, and they didn't care about her life or death at all.

Immediately!

Bai Yi shook his head coldly:

"Needless to say, I will never divorce Lin Fan, nor will I go to bed with that scum!"

"Well, since you are determined to find death, then just do whatever you want!"

Old man Bai snorted coldly, and then commanded:

"Hand over all the properties under your name. Since you plan to bury this waste, you will leave this property useless. I don't want my Bai family's property to be ruined like this in vain!"

This sentence is extremely shameless!

It seems that Bai Yi's property belongs to him.

But Bai Yi still shook his head arrogantly.

For these profit-seeking family members, she has been extremely disappointed, even if she feeds all her property to the dog, she will never give each other a dime.

See it!

Nu Ji anti-laugh White Father, Yin Cece said:

"You do not agree useless, I have a good discussion and influence of site management, if you do not agree with him to bed, then I will join forces with him ..."

"grab Your property!" As he said, the old man smiled and got up:

"You guys, enjoy the last few days! Once the King of Blood Prison arrives, your whole family will have to die!"

"Hahaha!"

Then, he led a group of people. The Bai family laughed and left.

Regardless of whether Bai Yi is dead or alive, everything she has will be in his own hands. How does this make him unhappy?

Bai Yi family, good death!

"Bai Yi, what should we do? I heard that the King of Blood Prison can start a war in one word. How can we offend such an existence?"

Shen Yumei's face was pale and she took Bai Yi's hand. She was crying so badly.

Bai Yi's face is also full of bitterness.

She also didn't expect that the king of the blood prison had clearly appointed herself as his spokesperson, why she was not willing to let go of her husband.

But before she could speak, an abrupt voice sounded.

"It's just a counterfeit, not to be afraid!"

Huh?

The expressions of a family of three changed drastically, and then they all stared at Lin Fan with an unbelievable look.

They seemed to want to find something from Lin Fan's face.

The King of Blood Prison, is a counterfeit?

How did Lin Fan know?

But Lin Fan shrugged and said with a smile:

"It was the Blood Prison Mad God who told me that he personally admitted that the Blood Prison King is a fake."

"Really?" Bai Yi was suddenly surprised and tight. Grasping Lin Fan's hand.

Xie Mei Lin Fan mouth emerges a touch of smile, said: phone end:

"Of course, God has mad prison and blood came on the road, ready to be cut to pieces that fake ...!"

Originally, Lin Fan didn't want to pay attention to the counterfeit, but since the other party insisted on looking for death, then Lin Fan... should be merciful to fulfill him!
