

Chapter: 1206

what!

Lin Guangyao suddenly changed wildly, and suddenly realized in his heart that this guy wanted to...

not to die!

In the next instant, Lin Fan smiled cruelly, and uttered a word in extremely cold blood:

“Remove his chin!”

Kcha!

Immediately after, Lin Guangyao’s chin was removed by the blood prison mad god.

This made Lin Guangyao’s pupils crazily shrink, and endless horror and panic suddenly appeared in his eyes.

Lin Fan even cruelly seized his chance of suicide.

Then what I will face next is endless suffering.

Thinking of the desperate situation he was about to face, the eyes he looked at Lin Fan were filled with endless fear.

devil!

This guy is simply the devil!

When everyone in the Bai family saw this, they lifted their heart and liver into their throats instantly, with lingering shock and horror on their faces.

They also did not expect that Lin Fan, who had always been only a promise, would be so cold-blooded and ruthless, even a dead person would not be let go.

If they are not Bai Yi’s family, what will happen to them?

They simply don’t have the courage to continue thinking about it!

I also regretted it more and more, why should I be an enemy of such

monsters!

then!

Lin Fan no longer paid attention to everyone, and together with Bai Yi, he supported the frightened Shen Yumei and his wife, and slowly left the door.

Seeing that Lin Fan was about to leave, Sima Yaner’s heart suddenly felt a deep sense of loss.

It turns out that he is not the King of Blood Prison!

“Bai Yi, give Grandpa a chance, give Grandpa another chance, OK? I beg you!” The old man suddenly knelt down to Bai Yi, his eyes full of regret, and there were already old tears.

He knew that if Bai Yi did not forgive them, then their Bai family would be completely finished!

How could he watch the Bai family helplessly, ruined!

At this time, all the members of the Bai family also knelt down towards Bai Yi, and at this time, they all regretted to the extreme.

Originally, their Bai family could continue with Bai Yi and fly to the top!

But now, just because of their temporary greed, they disillusioned, and even caused the Bai family to offend the blood prison.

This is simply digging one’s own grave!

They all regret their greed and stupidity!

Even the Nalan family at this time, after seeing the miserable end of the Bai family, couldn’t help but trembled, and his face was gray!

They were extremely fortunate that they did not offend the couple thoroughly at the beginning, otherwise their Nalan family would have ended up in such a field.

“Bai Shan, I order you to help me plead with Bai Yi! I’m your father, how can you bear to watch my family go bankrupt?”

The old man Bai shouted in grief and indignantly, actually giving orders to Bai Shan.

At this time, Baishan was also hesitant, looking at Bai Yi with complicated eyes.

But at this moment, Lin Fan sneered, and secretly scolded Old Man Bai for his relentlessness, and then he cast a glance at the mad god of blood prison.

Blood prison mad god suddenly furious, shouted:

“today, my blood is related to the prison authority, who will intercede useless!”

Boom!

Some words made the Bai family completely desperate!

Bai Shan also sighed and said, “Dad, I’m sorry! I can’t help you either!”

Then, a family of four left all the way out.

“A beast! A beast!”

The old man Bai suddenly cried out with a sorrow and grief, and he kept patting the ground with his hands, completely hysterical.

The Bai family, there will never be a day to stand up!

And those of the Bai family also had a deep resentment in their eyes, resentment towards the Bai Yi family.

And at this moment, the fierce eyes of the mad god of the blood prison were swept across everyone:

“As for the relationship between Miss Bai Yi and the blood prison, I hope you’d better rot all in your stomach. I found that a little wind was missing, don’t blame me for being cruel!”
