Uncle Wang?

Hearing this claim and Lee Sang Hyuk's horrified look, Wen Qian realized that she was in trouble no matter how stupid she was.

When even covering his face, his whole body trembled violently, and a thick color of horror appeared on his face.

The old man snorted coldly, but without even looking at them, he walked towards Bai Yi:

"Miss Bai Yi, can I see this necklace?"

Bai Yi smiled bitterly. Now the necklace has been ruined. What's so good?

At the moment, he nodded helplessly.

The old man picked up the necklace, frowned, and looked at it carefully.

See it!

Everyone suddenly looked puzzled, isn't this a fake? What catches your eyes?

Is it possible that this is really the heart of Hailan?

They all know that the old man in front of them, but everyone in antique collectors, has a long-standing reputation in the industry!

Its level of appreciating treasures is already comparable to masters!

As for Wen Qian's face, there was even a touch of contempt, saying that this old immortal is crazy!

just!

hiss!

The old man didn't know why, he took a breath of cold air suddenly, as if he had seen a ghost, his whole body trembled violently.

"One color is lucky to Baise..."

"One diamond is hidden one hundred diamonds..."

"This is really the heart of the sea blue!"

Tick!

Tick!

Drops of cold sweat continued to flow from his forehead, which was shocking to the extreme.

The sea blue heart, the jewelry that makes women crazy!

best in the world!

Even the man known as the strongest man in the world, the Dark Emperor wanted to give it to his queen, enough to see how extraordinary this jewel is.

He wanted to see his true face in his dreams, but now...

it's right in front of him!

He couldn't believe his eyes!

Wow!

The audience was shocked!

Really?

It turned out to be true?

The necklace this woman is wearing is actually the heart of the sea blue?

Thought of this!

Everyone present was going crazy, and they cast horrified gazes at Lin Fan, staring at him fiercely.

After seeing the plain clothes on him, which can be said to be embarrassing, they suddenly felt their hearts beating wildly, and they couldn't believe their eyes.

This pauper actually gave a string of tens of billions of necklaces to his wife?

Shock!

Everyone is as if they have seen a ghost, and the shock in their hearts has reached the point where they can't be added.

"Impossible...Impossible!" At this moment, Wen Qian and Li Xianghe trembled suddenly, and both faces were instantly pale.

What did they hear?

This, turned out to be the true Seablue Heart?

And, worth tens of billions!

What's more terrifying is that these rare treasures were completely destroyed by Wen Qian!

Thinking of this, the hearts of Wen Qian and Li Sang Hyuk suddenly mentioned their throats, and the whole body was full of horror.

At this moment, the old man was trembling all over, and his eyes were green, as if he had seen a peerless beauty:

"Oh my God! It is really the heart of the sea blue, I never dreamed that I can see it in my lifetime. The true face of this rare treasure!"

But soon!

"It's a pity, it's a pity!"

The old man kept shook his head, his face full of regret:

"This is the only rare treasure in the world, and it is now so ruined!"

"This, it's a violent thing!"

Hearing this words!

Bai Yi's heart was stabbed deeply, and then angrily said to Wen Qian:

"Did you hear that? How could it be possible that what my husband gave me was a fake? How could he be willing to give me a fake?"

"You ruined this necklace, I want you to pay!"

Boom!

Wen Qian was immediately shocked, her face pale, and her face was thick in disbelief.

This necklace turned out to be real!

Then, don't you have to lose her 10 billion?

How can I have so much money?

Not to mention her, even the rich and powerful Li family can't spend 10 billion all at once!

At this moment, Lee Sang Hyuk's expression was extremely gloomy, and he was ashamed to the extreme at this moment.

Before that, he used to speak loudly, asking Lin Fan to make a price.

But now facing this sky-high compensation, how could he get it?

Ten billion, this is a sky-high compensation!

Just when Lee Sang Hyuk was considering whether to give up Wen Qian in order to protect himself.

A voice sounded like a natural sound:

"I seem to remember that Seablue Heart is a gift from the King of Blood Prison to the Queen, right?"
