

Chapter: 1235

Ugh!

Yan Yutang sighed helplessly, Xiao Tingjun was too unruly, he had been so obvious, but he was still stubborn.

In this case, the Xiao family can be said to be hopeless.

however!

Just when the people's three views burst, a shout suddenly broke the silence!

“Nalan's house, the great elder is here!”

What!

The audience was shocked!

The great elder of the Nalan family?

His status in the Nalan family is just like Yan Yutang's status in the Xiao family, one person below ten thousand.

And most importantly, he is Yan Yutang's senior, and his strength is far above Yan Yutang!

In addition, the Nalan family and the Xiao family have always had business contacts. The cooperative relationship has lasted for more than 100 years. It can be said to be a family of brothers.

So at the moment when he heard the arrival of the Great Elder, Xiao Tingjun's face clearly showed a smug look, and sneered at Yan Yutang :

“Yan Yutang, your brother is here, if you let him know, you dare to defend the two stolen blood prisons. The little thief of the queen's necklace, he will definitely not let you go!”

Wow!

Everyone was shocked.

Then there was a sinister smile on his face, and Lin Fan and Yan Yutang were staring at them unkindly.

It turned out to be a great show, but it's only now!

Da Da Da...

Outside the door, there was a sound of footsteps!

Then, the Nalan family, headed by the great elder, stepped into the venue of the engagement banquet.

As soon as they appeared on the stage, the overbearing momentum swept the audience like the autumn wind sweeping the fallen leaves.

It made everyone present feel a chill for no reason.

And after seeing the arrival of the Great Elder and others, everyone present looked at Lin Fan, full of sarcasm and playfulness.

at this time!

The Great Elder had just entered the arena, he saw Yan Yutang kneeling in front of Lin Fan, and immediately realized that his junior brother was afraid that he would offend Mr. Lin.

Immediately!

His face suddenly became gloomy, and he scolded angrily:

“What's the matter?”

“Brother, I...” Yan Yutang just wanted to explain.

However, Xiao Tingjun was the first to interrupt, and added fuel and jealousy to fan the flames:

“The Great Elder, Bai Yi and Lin Fan, the two dog men and women, stole the Seablue Heart of the Blood Prison Queen. We plan to punish them severely.”

“But your brother and sister. I originally shot against Lin Fan, but I don't know why he turned back on the way, betrayed our Xiao family, and insisted on protecting these two little thieves. I think this move is very likely to provoke the wrath of the blood prison.”

“So for the overall situation of you and my family. For this reason , I think they should be killed on the spot!” Xiao Tingjun at this time has completely lost his mind, and now he only wants to smash Lin Fan and the others.

“Xiao Tingjun, you!”

Yan Yutang was furious. He didn't even dream of thinking that he had been dedicated to the Xiao family for many years, but because of a disobedience, Xiao Tingjun planned to put him to death.

At this time, Yan Yutang was also extremely nervous, and wanted to explain now.

Because he knew the horror of his senior brothers, he couldn't stop him with his own strength, not to mention that there were a group of Nalan family powerhouses behind him.

In this way, he worried that his brother would also make a big mistake!

“Brother, listen to me to explain...”

“Enough!” The Great Elder interrupted him directly and rudely, his expression gloomy, and then step by step, he walked towards Yan Yutang.

Angry!

The Great Elder is completely angry!

See here!

Xiao Tingjun, Wen Qian, Li Sang Hyuk and others were so ecstatic that they wanted to clap their hands and applaud. Mobile:

Because they know that after Yan Yutang is cleaned up, Lin Fan will be the next one.

boom!

Yan Yutang was immediately kicked out by the great elder, his face instantly turned pale, and he raised his head and vomited blood.

just!

Not waiting for Xiao Tingjun and the others to be happy, the next words of the great elder caused their mood to sink to the bottom in an instant!

I saw that the elder's eyes were about to split, with murderous fury, he stared at Yan Yutang firmly:

” Things that do not know whether they live or die ! Do you dare to attack Mr. Lin?”
