what!

Everyone's expressions suddenly changed, and at this time they were all shocked!

Lin... Mr. Lin?

Did they misheard this?

The great elder taught Yan Yutang, not because Yan Yutang protected Lin Fan, but because Yan Yutang shot Lin Fan?

impossible!

This is impossible!

Some link must be wrong!

As the great elder, how could you know a trash like Lin Fan?

How could he teach his younger brother for him?

However, the next scene completely frightened the unbelievable crowd.

Snapped!

I saw that the elder suddenly clasped his fists and bowed deeply to Lin Fan:

"Mr. Lin, how much my junior has offended, please forgive me!"

"Mr. Lin, please forgive me!"

Nalan's family behind him , They all clasped their fists together and bowed to Lin Fan.

That look is extremely respectful!

Senseless!

When everyone saw Nalan's family bowing and saluting, they were all frightened.

how can that be!

You know, that's Nalan's family!

They are the behemoths of China, and the big consortium of the enemy's wealth, even facing the Xiao family, they are all in a superior posture.

But now, is he so respectful to the door-to-door son-in-law of the Bai family?

This is simply an illusion!

At this moment, everyone seems to be dreaming.

The panic in my heart is extreme!

Could it be that Lin Fan's body, what terrifying background they don't know about?

"No...impossible! It's impossible!"

Xiao Tingjun's face suddenly showed an incredible amount of anger, and he thought that the reason why the elder was so polite was because of Bai Yi's identity.

"Elder, you let them cheat! Bai Yi is just a bitch who can do everything, she is not a Jiangnan Communist at all!"

People do everything possible?

Bitch?

Hearing Xiao Tingjun's lifeless insult, the elder was almost scared to pee on the spot.

These idiots didn't know Lin Fan's true identity, and how could he not know?

This brainless idiot, he dare to say that the woman of the king of the blood prison is a bitch who can do her best?

damn it!

Xiao Tingjun was an idiot who didn't know at all, and his two words were enough to destroy the entire Xiao family!

It is even possible that the entire Jiangbei will be affected and turned into a sea of corpses!

This, it is the extreme to find death!

Now!

Everyone saw it in horror.

At this moment, the great elder turned away from the relationship in fear:

"Mr. Lin, our Nalan family and the Xiao family are just a cooperative relationship. Their various actions have nothing to do with my Nalan family!"

Hearing this. , Everyone present shuddered in fright.

"I... did you hear this wrong? The Great Elder actually broke away from the Xiao family for this waste?"

"It's impossible! The Xiao family and the Nalan family have been working together for a hundred years. Why is this? A door-to-door son-in-law and get rid of the relationship?"

They just felt that the heart thumped and thumped wildly, as if they were about to have a heart attack.

However, even more terrifying, it is still to come!

Seeing Lin Fan not speaking, the Great Elder suddenly broke into a cold sweat, thinking that Lin Fan would still not give up. Even after gritting his teeth, he said solemnly,

"In addition, from today onwards, our Nalan family will be completely cut off from the Xiao family.!"

Boom!

The moment they heard this, everyone was instantly stunned, and only felt a chill from the soles of their feet, hitting the sky.

The Nalan family really intends to sever ties with the Xiao family!

And it's for Lin Fan, the ant!

This...what the hell is going on?

Not just them!

Wen Qian, Li Sang Hyuk, Xiao Tingjun and others were all dumbfounded.

A trash scared Yan Yutang!

Frightened the Nalan family!

This is simply a fantasy!

The eyes they looked at Lin Fan suddenly felt like they had seen a ghost.

What kind of terrifying background does this guy have?

And just now!

Lin Fan smiled wildly and looked at Xiao Tingjun:

"He wants my wife to accompany him to bed, then I want him. I can't be a man in my life!"
