Upon hearing this, the audience was in an uproar!

Can't be a man?

Wouldn't it mean to castrate Xiao Tingjun?

This guy is crazy, he actually intends to castrate the Jiangbei Communist Party?

This... is simply looking for death!

just!

What is shocking is that the great elder did not hesitate at all, he nodded suddenly:

“No problem!”

Boom!

A word, as if it was a thunderstorm, suddenly rang in everyone's mind, making them almost scared to pee on the spot.

I promised... The Great Elder actually promised?

You just decided to draw a clear line with the Xiao family, but now you are going to be directly against it?

They couldn't believe that Lin Fan's words had such a weight!

Even Yan Yutang and Nalan's family feared him to the extreme, which was incredible.

This guy is obviously a waste!

And this time!

When Xiao Tingjun heard this, his scalp numb instantly, and he was extremely nervous.

He roared in incomparable resentment:

“Elder, are you crazy? If you protect this couple of dogs, don't you fear that the King of Blood Prison will be angry?”

“I tell you, our Xiao family is the King of Blood Prison in Jiangbei. The spokesperson, if you dare to touch my hair, I promise that the King of Blood Prison will uproot your Nalan family!”

Uprooted?

The elder sneered, his face full of disdain:

“I think it was your Xiao family that was uprooted, right?” Xiao Tingjun, a fool, humiliated Lin Fan and his wife one after another, but didn't know that every time he humiliated him, he pushed the Xiao family into the abyss of immortality.

what!

As soon as this statement came out, everyone was stunned, and they didn't understand what the great elder said.

At this time, the great elder had already taken steps, and walked towards Xiao Tingjun in a stride.

There was an unkind smile on his face!

Looking at Xiao Tingjun's eyes, it was like looking at a dead person!

See it!

Xiao Tingjun's eyes suddenly filled with horror and anger, and he roared like crazy:

“Elder, do you dare!” But the elder was full of disdain, still maintaining his steady pace, and slowly approaching Xiao Tingjun. .

crazy!

This old immortal is crazy!

Xiao Tingjun directly exploded his hair, and shouted at Lee Sang Hyuk who was not far away:

“Lee Sang Hyuk, call my dad! Let him come to rescue me!” When he heard this, Lee Sang Hyuk, who was already about to pee, suddenly He hurriedly took out his mobile phone and was extremely nervous.

Because he knew that if Xiao Tingjun was finished, he would be the one who would be unlucky next.

just!

“No, I'm here already!”

At this moment, a majestic voice suddenly came from the door of the hotel, shocking the audience.

Everyone present shivered.

Then Qi Qi cast a surprised look at the door.

Next moment!

They saw a majestic middle-aged man with gray hair, leading a group of people, walking in eagerly from outside the door, their eyes sharp as cold, and their complexion extremely gloomy.

It seems that it has reached the brink of rage!

This person is the contemporary Patriarch of the Xiao family, Xiao Youwei!

“Dad!”

Seeing Xiao Youwei present, Xiao Tingjun was so excited that he almost cried, and then he shouted hysterically:

“Dad, you helped me kill this crap, he dared to beat me like this!”

He looked. The expression in Xiang Lin Fan's eyes was full of resentment and hatred.

Since childhood, no one dared to move him.

In the past, in the whole Jiangbei, he wanted the wind to get the wind and the rain to get the rain.

But now he was beaten by a trash son-in-law, which made him feel strong humiliation and anger, and made his sanity disappear. I can't wait to smash Lin Fan and his corpses!

See it!

Wen Qian and Li Sang Hyuk, who were originally terrified, suddenly seemed to have seen Jiuxing.

Especially Wen Qian!

At this time, the face was full of complacency, and he laughed loudly:

Mobile phone:

“Bai Yi, your death date is here!”
