

Chapter: 1253

follow closely!

Lin Fan's fingers were like raindrops, falling crazily on the piano keys.

Now!

A sonorous and powerful tone slammed into the ears of everyone present.

For a while, there was the heroic spirit of a golden horse and iron horse, and for a while it turned into a gloomy and terrifying sense of killing, and for a while, it was frantic and brutal.

Shock!

At this time, almost everyone felt an extreme sense of oppression. The rhythm of the moment was so strange that it seemed to merge all the styles of music together, and it seemed extremely chaotic!

But it doesn't make people feel abrupt, on the contrary, it makes people feel the...

crazy and dark of this song more intuitively!

"I...I don't want to listen anymore!"

A girl screamed in extreme pain, covered her ears and stumbled out.

It turned out to be scared to cry by this song!

It's not just her!

At this time, everyone present could not help but be immersed in the crazy and dark mood of this tune, like hell!

Hearing this familiar tune, Guo Ailun immediately trembled like an electric switch, staring at Lin Fan in horror:

"Really...really a hell sonata!"

At this moment!

Jiang Xin was also very frightened, and asked in a trembling voice:

"Master Guo, what is a hell sonata?"

She had never heard such a strange piano music, and people didn't want to listen to it for a moment.

It's not because it's ugly, on the contrary, it's very beautiful and gorgeous.

It's just that under the gorgeous appearance, there is a devilish melody hidden, and every note makes the scalp numb.

Guo Ailun's face was already pale, and he smiled bitterly:

"Hell sonata, the most difficult and scariest piano music in the world!"

"So far, no one has been able to listen to the entire piece, and even this piece has been Thousands of people have committed suicide, and they have been banned worldwide under the charge of "banning music"!"

"This song is hailed as the invitation of the devil!"

This song has caused thousands of people to commit suicide?

Everyone who heard this shuddered at this moment, and a frightened chill suddenly appeared in their hearts.

Guru!

At this time, Wang Mingzhe swallowed fiercely, and a touch of terror suddenly appeared in his eyes:

"This...this is impossible! That is the evil repertoire composed by the legendary demon king, it is impossible to exist!"

Because of this The first song is too horrible and evil, so the outside world is crazy, saying that this hell sonata was created by the devil.

just!

Guo Ailun shook his head and said:

"That is just a fabrication. The owner of this song is not a demon at all, but a person!"

"Who is it?"

a group of people immediately asked in unison.

just!

Guo Ailun didn't speak any more, and his eyes full of shock were staring at Lin Fan.

Just now!

Suddenly, the piano music stopped abruptly.

Because Lin Fan had already noticed that the pupils of many people present had shrunk sharply, and they became scarlet.

If you continue to play, I am afraid that something bad will be discovered.

Withdrawing from the horrible melody, everyone immediately felt relieved, only to realize that their entire back was completely wet with cold sweat.

Then, a sorrowful smile appeared on their faces.

original!

This is the world's number one magic song?

It really is terrible!

And just now!

Guo Ailun seemed to be crazy, and suddenly shouted at Lin Fan:

"Hell Sonata, recognized as the most difficult piece in the music industry, countless master pianists all over the world failed after trying to play it!"

"You ...Why is this song?"

Huh!

For an instant, everyone's horrified eyes gathered on Lin Fan's body.

Now!

At the corner of Lin Fan's mouth, a wicked smile was drawn, and a word that made the audience feel terrified.

"Because I am the author of the Hell Sonata!"
