

Chapter: 1265

what!

Everyone immediately stared at Lin Fan with a look of seeing a ghost.

Did they misheard this?

This guy, knowing that Wang Mingzhe is interested in his wife, even actively agreed to Wang Mingzhe's invitation?

This, can't wait to cuckold?

Now!

On the faces of everyone present, a playful smile appeared one after another.

At this time, Wang Mingzhe cast a contemptuous look at Lin Fan.

Is this guy planning to have a head-on contest with himself?

Overestimate!

Leaving Bai Yi, aren't you Lin Fan shit, why are you fighting with me?

"Bai Yi, since Lin Fan has already agreed, what are you hesitating about?"

Old man Shen quickly reprimanded, his eyes filled with smiles, and now he is trying his best to match Bai Yi and Wang Mingzhe.

"Okay, I'll go!"

Wen Yan!

Everyone glanced at Lin Fan maliciously, as if watching a big joke.

In their opinion, Lin Fan is just putting his wife on Wang Mingzhe's bed!

Extremely idiot!

"Is Mr. Lin here?"

Just now!

A group of people asked respectfully at the door, their faces full of flattery.

"You are..."

Master Shen and the others were stunned and looked at them puzzledly.

A middle-aged foreigner spoke with a smile:

"I am the person in charge of the Golden Summit Jewelry Exhibition, my name is Timis, and I am here to pick up Mr. Lin to participate in the exhibition!"

Boom!

The brains of everyone present were suddenly blank, and there was a deep shock in their hearts!

The man in front of him is actually the person in charge of the Golden Summit Jewelry Exhibition?

Blood Lord's subordinates?

He actually came to their Shen's house in person?

They are a little Shen family, and they don't even have the qualifications to make each other look at each other. Now the other party has come to the door in person?

For them, it is almost like a dream.

and many more!

Timis seemed to say just now that he came to pick up Mr. Lin for the exhibition?

Now!

Everyone's pupils suddenly shrank, and then Qi Qi looked towards Lin Fan.

Because now in the Shen family, the only person surnamed Lin is Lin Fan!

Timis, are you here to find Lin Fan?

This... how is this possible!

Hear the words!

There was also a strong look of loss on the face of the old man Shen:

"Mr. Timis, I think you have misunderstood, we do not have a Mr. Lin in the Shen family!" Everyone in the Shen family also showed a loss of expression one after another. , It seems that the other party didn't come to them at all.

As for Lin Fan...

how could this trash son-in-law be the one Timis was looking for?

"No?"

Timmy was also stunned, but he obviously received the order of the four masters to come here to pick up Mr. Lin.

just!

An unexpected thing happened!

"Hahaha! Grandpa Shen, he is here to find me!"

At this time, under the horrified eyes of everyone, he saw Wang Mingzhe come out laughing.

"It's you?"

Everyone was stunned, looking at Wang Mingzhe in disbelief, but isn't his surname Wang?

How could it be Mr. Lin?

Seeing everyone's doubts, Wang Mingzhe smiled triumphantly:

"Just yesterday, the second Shaolin Zekun of the Lin family has officially given me the honor of surname Lin!"

"In other words, I am now a member of the Lin family, and On the day Lin Zekun ascended to the position of Patriarch, Wang Mingzhe, who was in the Lin family, would be one person below ten thousand

!

Upon hearing this, the audience was shocked!

Wang Mingzhe, is already a member of the Lin family?

Even the Lin Family's second Shaolin Zekun promised that he would be in charge of the Lin Family's power in the future?

Now!

The faces of everyone are also full of admiration.

Especially the women of the Shen family, with such agitated appearance, as if they wished to swallow Wang Mingzhe.

This is the overlord of the future!
